**PROCEEDINGS OF THE
168th ANNUAL COMMUNICATION
of the
MOST WORSHIPFUL GRAND LODGE
F. & A.M. OF WISCONSIN**

OPENING OF GRAND LODGE

The Grand Lodge Free and Accepted Masons of Wisconsin met in its 168th Annual Communication on Friday and Saturday, June 1st and 2nd at the Madison Masonic Center, 301 Wisconsin Avenue, Madison, Wisconsin.

A Lodge of Master Masons at 8:30 a.m. o'clock was declared formally opened by the following officers from the Grand Master's Lodge, Warren Lodge No. 4 F. & A.M:

Worshipful Master.....	Thomas Schwantes
Senior Warden	Keith Turner
Junior Warden	Shelley Scholville
Senior Deacon.....	Dan Sedgewick
Junior Deacon.....	Larry Raymond
Senior Steward	Alan Reynolds
Junior Steward.....	Leonard Atkinson
Chaplain	Francis Redding
Tiler.....	Dale Bird

**ENTRANCE OF GRAND LODGE OFFICERS AND
OPENING OF GRAND LODGE**

The Senior Deacon was asked by the Worshipful Master to escort Deputy Grand Master Dennis V. Siewert and the 2011-2012 Grand Lodge officers into the lodge. The Deputy Grand Master was brought to the east where he and the Grand Lodge officers were given the Grand Honors. Grand Master Davey L. White, Jr. was then escorted to the east by the Deputy Grand Master. Grand Master White thanked the members of Warren Lodge No 4 for opening the Grand Lodge and asked the Grand Lodge officers to assume their stations.

**PRESENTATION OF THE FLAG OF THE
UNITED STATES OF AMERICA**

The Right Eminent Grand Commander, Raymond Mielke of the Grand Commandery of the Knights Templar in the state of Wisconsin presented the flag of the United States of America, which was followed by all reciting the Pledge of Allegiance and singing the Star Spangled Banner.

Grand Master White declared the 168th Grand Lodge of Free and Accepted Masons of Wisconsin opened in ample form and asked the Grand Chaplain, David Ritchie, to lead them in prayer.

PRELIMINARY REPORT OF CREDENTIALS COMMITTEE

Past Grand Master and Grand Secretary Michael A. DeWolf made a preliminary report on behalf of the Credentials Committee and reported to the Grand Lodge that

out of a total of 182 chartered lodges, 158 had registered. A quorum was present and the Grand Lodge was in order to proceed with any business that may come before it.

UNFINISHED BUSINESS COMMITTEE REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

At the 167th Annual Communication of the Grand Lodge, held on June 10th and 11th 2011, eleven new resolutions were presented.

Three were adopted, two were defeated, five were not approved to form or legality and one was directed to the Esoteric Committee for review.

After a thorough review of the 2011 proceedings, the Unfinished Business Committee concludes that there is no other unfinished business from the 2011 Annual Communication.

Respectfully submitted,

Joseph B. Harker, PGM, Chairman
Michael A. DeWolf, PGM Grand Secretary
John Benedict, Grand Treasurer

The Annual Proceedings of the 167th 2011 Annual Communication were approved as distributed.

INTRODUCTION OF DISTRICT LECTURERS, DISTRICT CHAPLAINS AND AREA ADMINISTRATORS

Grand Master White asked all the District Lecturers, District Chaplains and Area Administrators to rise. He thanked them for their assistance to the lodges all year long and asked the brethren to give them a hearty applause for their service to the Craft.

REMARKS ON BEHALF OF THE PAST GRAND MASTERS

M.W. Joseph B. Harker, Past Grand Master 2010-2011:

“Most Worshipful Grand Master, on behalf of the Past Grand Masters I want to congratulate you and your corps of officers for all of the fine hard work that they have put in this past year. I am happy that your ‘Jaguar’ has helped you through the year. RW Deputy Grand Master, on behalf of the Past Grand Masters, we stand ready to help you through out your year. If there is anything you need, we encourage you to call upon us. We look forward to seeing you often in the coming year.”

“As Past Grand Masters we have an opportunity to meet many, many brothers throughout the state and the United States and Canada. That is something Brothers,

that we are very grateful to you for and we are very happy to be your representatives. We are so happy to see so many of our visitors from other jurisdictions come to your Annual Communication. It is a testimony to the work you have put in and we congratulate you for that. We wish you many good, good years joining us Past Grand Masters in the next year as you are introduced as a Past Grand Master. It will be fun to have you right beside me again.

"I congratulate you and thank you."

REMARKS ON BEHALF OF DISTINGUISHED GUESTS

M.W. Brother Glenn R. Trautmann, Grand Master of New Jersey;

"Most Worshipful Grand Master, Right Worshipful Deputy Grand Master and my brethren all, good morning. On behalf of your visiting guests I want to thank you for all the courtesies and hospitality extended to us during our stay here. It has been a pleasure to be with you and Tammi over the past several years traveling all over the jurisdictions throughout the United States and getting to know you and your elected officers that much better."

"What a great day to be a Freemason. All over our several jurisdictions so many young men are knocking on our door wanting to gain admittance. We haven't seen this type of resurgence in our fraternity since probably the early 1960's. We all know what happened shortly after that though, our membership started to drop because we took a lot of men in but never made them feel like a brother. In New Jersey we are trying to combat that now with a good mentoring program and we are seeing some fantastic results. The typical lodge when bringing in a member had a retention rate of about 20%. Lodges that are now using the mentoring program are seeing 80% retention rates. That is phenomenal, brothers, that is what will secure our future. When a person joins a lodge and becomes a member and you mentor him properly so he feels like a brother, that's when he becomes a Master Mason.

In New Jersey we are doing a couple of things to also remember our older brethren. Yesterday at the airport your Grand Chaplain picked me up, and I truly appreciate that, not realizing that he was THE Grand Chaplain of the state of Wisconsin. In New Jersey I have 19 Grand Chaplains. In New Jersey a Grand Chaplain is typically a brother who has done a lot for the fraternity in the past and it is our way of thanking him and congratulating him for his service. This year I am doing something a little different with my Grand Chaplains. Each of them has been charged with a duty to do the work of a chaplain. Each and every one of them are going around and visiting brethren who are hospitalized or home-bound because of illness and age. I went into office just over two months ago and in the first month the Grand Chaplains averaged 2-3 visits to brothers in the hospital. That's 50-60 Masons in New Jersey who were in distress that received a visit from a brother Master Mason, who otherwise may not have.

"I would like to read you a short letter that I received yesterday just prior to going to the airport from a secretary of one of my lodges, which tells me that this program is going in the right direction. 'Most Worshipful Sir, last Thursday a group from Adoniram Lodge No. 80, accompanied by R.W. Kyle, Grand Chaplain from District 4, went to visit Worshipful Brother Henry Sunvick in a rehab nursing facility. Henry had severe diabetes and was doing poorly. He had no family and was taken care of by some of the brothers of the lodge. When we entered the room it took him

awhile to recognize us, but after awhile he did. R.W. Kyle walked up to Henry and introduced himself as the Grand Chaplain. The look on Henry's face could never be described. He was in such awe that a R.W. Grand Chaplain came to visit him, he sat up in the bed and wrapped both of his hands around Kyle's and smiled from ear to ear. Unfortunately, we lost W. Brother Henry today. One of the most recent memories was seeing the thrill on Henry's face when he received a visit from a Grand Chaplain. I thank you for the efforts in having the Grand Chaplain visits. You made a very old and sickly man have a beautiful ending to his life. God Bless you and Freemasonry.' Brethren, that's what it is all about. That's what we are all about. That's what this fraternity is all about, helping each other and being there for them in their time of need."

"This is an exciting time in New Jersey. 2012 marks the 225th anniversary of our Grand Lodge. M.W. Grand Master, would you please join me here? On behalf of our friendship, I would like to present this to you at this time and open it. (GM White opens gift) In celebration of our 225th anniversary, I had this stein commissioned by Kingward Steins of Germany and it is my honor and pleasure, in token of our friendship, to pass it on to you."

"R.W. Deputy Grand Master, like I said, I was installed just under two months ago, so I know what is going through your heart and the adrenalin that is pumping through you at this time, but it is a true attribute to this fraternity that we have seamless transition of power year, after year, after year and there is nowhere else in society that can say that. I look forward to your company and good luck with your travels."

"Grand Master, on behalf of your visiting guests, we hope you have a productive communication and wish you God's speed in all your future endeavors."

Later, the distinguished guests were all asked to rise and given the Grand Honors.

REMARKS ON BEHALF OF PRINCE HALL GRAND LODGE OF WI AND EDUCATIONAL TALK OF PRINCE HALL GRAND LODGE IN WI

R.W. Deputy Grand Master Charles E. Currie:

"M.W. Grand Master White, Deputy Grand Master and all assembled, good morning. I was asked to bring greetings from the Prince Hall Grand Lodge where Earl N. Thomas is the Grand Master. Several days ago he gave me several sheets of paper, but unfortunately my dog ate it, so I had to replace it and I will get right to it. But before I do this, I would like to mention that a good friend of mine who wrote in the Journal that we talked about, he wrote The History of Prince Hall and I am here to maybe put a seal on it for you."

"The first Prince Hall Lodge in Wisconsin was William H. Brown Lodge #25, F. & A.M. It was chartered by the Illinois Jurisdiction and was located in the city of Milwaukee on October 10, 1878, which is now known as Widow's Son Lodge #1. The second lodge was Triangular Lodge #53 located in West Superior, WI chartered by Illinois. There was also a Prince Hall Lodge located in Fond du Lac, WI by the name of Crest Lodge No. 75 chartered in 1906, however, these last two lodges are unknown to us at this time. The Grand Master of Illinois was J.J. Miles and C.H. Dickerson was the Grand Secretary in 1878, so maybe you can do a little research and see what you can come up with. Master Masons expressed their desire to have a Grand Lodge to the Grand Master Samuel of Illinois, with the four lodges in Wisconsin at that

time William H. Brown #25, Capitol City #72, W.B. Kennedy #106 and H.L. Palmer Lodge #115. On June 29, 1925, District Deputy L.B. Shepherd of Wisconsin brought the four lodges of Wisconsin together and voted to have a Grand Lodge. An Illinois Grand Master known as C. Johnson Willis examined the records and proceeded with an election. They Elected L. B. Shepherd as Grand Master, George Buckner as Deputy Grand Master, Harry O. Owens, Senior Grand Warden, P.J. Gordon, Junior Grand Warden and A.C. Matthews as Grand Treasurer. The Grand Lodge then changed the lodge names to Widow's Son #1, Capitol City #2, and W. B. Kennedy #3. H.L. Palmer Lodge was changed to Blazing Star #4.

“Now I hope that there were no recorders in here because I do have to go back to the Prince Hall Grand Lodge since I straightened that out. In eleven days sir, I expect to receive the same title as you and I thank you for your time.”

NOMINATION COMMITTEE REPORT

Report Accepted

BALLOT DECLARED OPEN

Grand Master Davey L. White, Jr. asked all to cast their vote by using the ballots in their packets. The tellers then proceeded to collect the ballots for counting.

PAST GRAND MASTERS NOT ATTENDING

Deputy Grand Master Dennis Siewert asked all present to keep the Past Grand Masters of Wisconsin not attending the Annual Communication this year in their thoughts and prayers. The following Past Grand Masters did not attend: Denman Kraemer (1971), Russell Selbo (1980, Kenneth Shannon (1983), Darrell Aderman (1984), George Wallinger (1986), Kingman Loomis (1987), Bruce Christianson (1988), Dean Massey (1990), Jim Zimmerman (1992), Beecher Daniels (1995), J.B. Van Hollen (2007).

BALLOT DECLARED CLOSED

Grand Master White asked if all had voted who were entitled to vote. Hearing no response, he declared the ballot closed.

RESOLUTIONS COMMITTEE REPORT

To the Grand Lodge, Free and Accepted Masons of Wisconsin:

Five (5) resolutions were received by the Grand Lodge prior to the submission deadline and forwarded to the Resolutions Committee. The Wisconsin Masonic Code requires the submission of resolutions 1-2012, 2-2012 and 3-2012.

Resolution 1-2012 provides for the adoption of the budget in the amount of \$837,550; proposed by the Expenditures Committee. This requires a majority vote.

Resolution 2-2012 provides for a Per Capita tax of \$37.00 upon each member of record of a chartered lodge; proposed by the Expenditures Committee. This requires a majority vote.

Resolution 3-2012 provides for the Annual Communication in June of 2014 be held in the city of Madison, Wisconsin and is submitted by the Executive Committee. This requires a majority vote.

Resolution 4-2012 is submitted by Brother Peter Rambolt, Past Master, Morning Star Lodge No. 10, Beloit, WI., and would amend the current Masonic Code so that at a stated communication a lodge must open on the Master Mason degree, the Master, at his discretion, may close the Lodge of M.M. and open a Lodge of a lower degree for the purpose of examination, degree work and/or the transaction of business, with EA's and FC's being allowed to enter the lodge at this time and witness lodge business proceedings but will not be allowed to vote, with a majority vote of members present.. The Lodge would then be closed in due form pursuant to the last degree. This requires a 75% vote.

Resolution 5-2012 is submitted by Brother Leland Schams, PM, Secretary, West Allis Lodge # 291, West Allis, WI, and would amend the current Masonic Code so that if the Committee on Discipline determines that the lodge has jurisdiction and that the charges being considered are not frivolous or vexatious, that the Statute of

Limitations has not expired, and that there are substantial grounds for the charges being considered, then the Committee on Discipline shall report its findings to the lodge at the stated communication and shall issue charges on behalf of the lodge. Further the resolution would amend the current Masonic Code so that a statute of limitation would be set as to when the alleged un-Masonic conduct originated, and once this date is established, and it is found that the alleged un-Masonic conduct took place twelve (12) months or more prior to the issuance of charges, said charges shall be dismissed, and if found that the alleged un-Masonic conduct took place within twelve (12) months of the issuance of charges, the proceedings shall continue. This requires a 75% vote.

Resolution 6-2011, was laid over from the 2011 Annual Communication, and is a series of proposals submitted by Brother Dan E Walters of Durand-Pepin Lodge #149, which would make several changes to the esoteric work dealing with the activities of the Chaplain and a one word change in the obligation in all three degrees. He suggests that during the opening and closing of a lodge the Chaplain of the lodge face to the north whenever the Senior Deacon faces south, rather than standing by his chair facing west as is now the procedure. Brother Walters further proposed that during the opening and closing of a lodge the Chaplain would give the opening and closing prayer kneeling at the altar. Brother Walters also proposed that during the EA degree, the Chaplain accompany the WM to the place near the altar and give the opening prayer which is now given by the WM, and to allow the Chaplain's speech during circumambulation to be given either while standing by his chair, or walking behind the candidate. He has also proposed that during the opening and closing of a lodge is to have the Chaplain of the lodge face to the north whenever the Senior Deacon faces south, rather than standing by his chair facing west as is now the procedure. He further proposed that during the closing of a lodge when forming the square, change the positions of the chaplain and the secretary so that the Chaplain forms the southeast Corner, facing west and the Secretary moves to the Southeast corner facing north, completing the square. And Brother Walters also proposed a grammar change to one word used in all three degrees as part of the obligation, from whatever to what so ever. These proposals for change to the esoteric work must first be considered by the Esoteric Committee, and are therefore not appropriate for consideration before the Grand Lodge in session. As such they will not be passed on to the Jurisprudence Committee for action, but instead will be sent for review and recommendation by the Esoteric Committee. This requires a 75% vote.

Respectfully submitted,

James H. Olson, PGM, Chairman
George A. Wallinger PGM
Kenneth C. Gorgen
David R. Ritchie

Chairman and PGM James Olson reviewed Resolutions 1 through 5 for 2012 and explained that they were approved by the Resolutions committee and presented true to form. However Ken Gorgen, Chairman of the Esoteric Committee explained that Resolutions 6-2011, which was held over for review by the Esoteric committee, was a series of several changes to the cipher, some acceptable and some not and needed to be broken up into several proposals.

Therefore, it was the recommendation of the Resolutions and Jurisprudence Committees that this resolution be again referred to the Esoteric Committee with the request that they present an appropriate resolution or resolutions for the next annual communication.

With those changes, James Olson moved for the adoption of the Resolutions Committee Report as amended. It was seconded.

Report accepted as amended.

JURISPRUDENCE COMMITTEE REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

In conformity with the duty placed upon the Committee on Masonic Jurisprudence by Section 29.03 of the Masonic Code of Wisconsin to report to the Grand Lodge on the proposed resolutions to be brought before the Annual Communication, as well as all decisions, edicts, opinions, and dispensations of the Grand Master and By-Laws changes of the constituent Lodges, the Committee reports as follows:

RESOLUTIONS

Resolution No. 5 would create a statute of limitations with respect to the commencement of proceedings against a brother under the code. It is our considered recommendation that such an activity or such a constraint on the Grand Master's powers is beyond the scope of our authority and it is not in the best interest of the Craft. There are many circumstances where we discover a problem 4-6 years after it occurred, but it is still a problem that resulted with an expulsion. We cannot honestly recommend Resolution 5-2012.

The other resolutions, per the comments of PGM Olson, we concur with his report and his recommendations.

CHANGES IN BY-LAWS OF CONSTITUENT LODGES

Twenty-nine (29) Lodges requested By-Laws Changes (changes in dues, meeting dates/places/times). The Committee reviewed them in detail for legality and conformity with the Code.

DISPENSATIONS OF THE GRAND MASTER

During the term of his office, Grand Master Davey L. White, Jr. issued eighty-nine (89) Dispensations #3918 – 4006 (June 4, 2011 – June 2, 2012):

Permission to Serve Wine or Beer at a Table Lodge.....	48
Permission to Confer Multiple Degrees on More than One	
Candidate at a Time Simultaneously	4
Permission to Hold a Special Meeting	3
Permission to Waive the Required Time Between Degrees	2
Permission to Hold a Special Election of Officers Outside of	
Regular Required Time Period.....	4
Permission to Hold an Open Installation with Other Lodges	
in the Area.....	1
Permission to Change Location of Lodge to New Location	4
Permission to Hold a Pancake Breakfast on a Sunday	1
Permission to Temporarily Change the Meeting Time and Place ...	10

Permission to Waive the Required Residency for a Candidate	1
Permission to Hold Several Entered Apprentice Degrees at Another Lodge Due to Scheduling Conflicts.....	1
Permission Confer Degrees in Another Lodge of a Sister Jurisdiction	6
Permission to Have a Candidate Complete His Degrees in Another Lodge After Reinstated in the Lodge He Began His Degrees	1
Permission to Hold an Open Installation of Officers With Other Lodges in the Area	3
Permission to host a lodge from another jurisdiction.....	1
Total	90

The Committee is of the opinion that all the dispensations were properly issued pursuant to the Masonic Code.

EDICTS

The Grand Master issued two Edicts this year as follows:

In connection with the filing of an Annual Financial Statement, in addition to the Annual Financial Report submitted to the Grand Secretary by February 15th of each year, each lodge will include a report by the Lodge Trustees as well as the report of the Financial Committee. Reports are to be signed and dated by each committee member.

In connection with the Grand Lodge F&AM of WI being designated by the Internal Revenue Service as a 501(c)(10) organization, no lodge shall seek a tax status (including but not limited to 501(c)(3) statues) that places tax limits (under tax law) on the ability of such lodge to exercise all of its Masonic purposes; and no lodge shall seek a tax status (including but not limited to 501(c)(3) status) that places limits (under tax law) on the ability of such lodge to support and maintain the Grand Lodge Similarly, no lodge may seek a tax status that places limits (under tax law) on the property transferred to the Grand Lodge upon the surrender or forfeiture of the charter of such lodge; and no lodge shall mortgage, pledge, sublease, assign, encumber, transfer, distribute, donate, place a lien on, gift, contribute, sell, grant any easement or other contractual rights in or to or otherwise transfer and/or encumber in any manner real property leased or owned by such lodge, unless or until approved by the Grand Master pursuant to the Wisconsin Masonic Code.

It is the opinion of the Committee that these Edicts were lawfully issued. They are effective until the close of the 2011 Annual Communication.

OTHER MATTERS

The Jurisprudence Committee has also given advice to the Grand Master during the year.

Robert W. Roth, Chairman
Jurisprudence Committee

JUNIOR GRAND WARDEN'S REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin;

It has been my distinct pleasure to serve our Fraternity as Junior Grand Warden for the 2011-2012 Masonic year. As Junior Grand Warden, I attended the Midwest Conference of Grand Lodges, Rocky Mountain Masonic Conference, North American Conference of Grand Masters and the Grand Lodge of Minnesota. Last fall, I attended the Fraternal Relations Dinner with Prince Hall and the annual Joint Table Lodge this spring. December and January were busy months as I attended and participated in many lodge installations. Throughout the course of the year, I participated in many Degree conferrals and gave presentations at several District and Stated meetings. It is very encouraging to see that more lodges are including Masonic Education as a part of their Stated Communications.

I also had the privilege to serve on the following Grand Lodge boards and committees: Wisconsin Masonic Foundation, Wisconsin Masonic Home, Finance & Audit Committee, Wisconsin Masonic Benevolent Activities, Youth Funding (chairman), Executive, Nominations, Expenditures, Education, Fraternal Relations with Prince Hall and the United Masonic Board for DeMolay. It was a pleasure and a great learning experience to have served on these committees and thanks to all the members for your dedication and support of Grand Lodge and its various programs.

One of the responsibilities of the Junior Grand Warden is to serve as the liaison for our Youth Groups state-wide. This past year has been a great year for the Youth Groups. Wisconsin DeMolay membership increased from 202 to 224, a 10.8% gain in 2011, Wisconsin Grand Assembly of Rainbow Girls is number one in growth for 2011 and Job's Daughters has installations of new Jobies almost every month. I was able to attend the DeMolay Conclave, Jobie Jamboree, Sweetheart Weekend,

Grand Bethel Exemplification & Quiz Bowl, DeMolay Legion of Honor and many activities and events across the state. I wish to thank the adult leaders for their commitment and leadership in guiding and serving as mentors to our youth groups – without your leadership, their success would not be possible.

As we know, part of the Junior Warden's duties is to provide timely reports on the activities of the youth groups in their lodge. The following lodges submitted reports regarding youth activities: Oshkosh Lodge #27, Burlington Lodge #28, Oconomowoc Lodge #42, Kenosha Lodge #47, Waverley Lodge #51, Reedsburg Lodge #79, Eau Claire Lodge #112, Wisconsin Rapids Lodge #128, Sun Prairie Lodge #143, La Crosse Masonic Lodge #190, Rhinelander Lodge #242, Lafayette Lodge No. 265, Oconto Falls Lodge No. 293, Victory Lodge #320, Acacia-Itasca Lodge #329, Freemasons Lodge #363, and Doric Lodge #365. I applaud those lodges for providing support to our youth groups whether it is building space, monetary support, attending youth functions, or serving on youth committees.

Thank you for the opportunities to serve the Craft, and the courtesies and friendship shown to me as I traveled around the state.

Faternally Submitted,

William Beetcher
Junior Grand Warden

SENIOR GRAND WARDEN'S REPORT

To The Grand Lodge of Free & Accepted Masons of Wisconsin;

It has indeed been an honor and pleasure to serve the Brethren this past year as your Senior Grand Warden. The Senior Grand Warden serves on the following boards and committees: Wisconsin Masonic Benevolent Activities Board, Wisconsin Masonic Foundation, Wisconsin Masonic Home, Inc., Annual Communication Committee, Education, Executive, Expenditures, Fraternal Relations with Prince Hall, Lodge Charters and Consolidations, Nominations, and Progressive Line Officers committees, additionally, I served as Chair of the Temple Plans and Finance committee this past year. It was a pleasure to represent the State of Wisconsin at the Grand Lodge of Indiana as well as part of the team at the Prince Hall of Wisconsin Inc. Annual Communication and the conference of Grand Master of North America this past masonic year.

The real highlight has been and always will be sitting in Lodge with my Brothers. I had the distinct pleasure to participate in several Lodge installations as installing master or marshal. Table Lodges, degrees, picnics, ladies/widows recognition dinners, past masters dinners, funerals/memorial services, York Rite, Scottish Rite, Shrine, OES, and youth group events are some of the activities I attended this past year as well as visits to Lodges.

It is my observation that Lodges continue to take pride in their degree work as they strive to be able to do the work without assistance from other Lodges. The quality of the work continues to improve. One concern is that with the influx of new, younger members, some lodges are rushing these Brothers to the East and not taking the

time to teach them what it means to be a Mason or how to be a Mason. The qualities exist in these Brothers but we must take the time to develop their skills. How can we expect them to be leaders when we have not taken the time to be leaders and mentors ourselves by teaching them the great lessons found throughout our craft?

The strength of our craft comes not from the number of members but by the amount of Brotherly Love, Relief, and Truth that we have for one another. I am glad to say that these virtues are as strong as ever in our great craft as witnessed in every Masonic event attended this year.

I again thank the Brethren for allowing me to serve as the Senior Grand Warden and will continue to serve at their will and pleasure to the best of my ability.

Fraternally submitted,

Daniel L. Slavik
Senior Grand Warden

DEPUTY GRAND MASTER'S REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin

Most Worshipful Grand Master, Davey L. White Jr., Past Grand Masters, Grand Lodge Officers and Brothers All;

I found having been elected the Right Worshipful Deputy Grand Master to be a great learning experience. I want to thank all the Grand Lodge Officers for their support during this past Grand Lodge Year. As in life, every day, there is something to learn or improve upon. Our system of a progressive line of Grand Officers affords an individual an opportunity to learn the complex workings in the representation of the Masonic Fraternity in the State of Wisconsin. If you go on line and look at the Grand Lodge Roster you will note that there are seven (7) boards and nineteen (19) committees used in its governing and management.

It has been a pleasure representing you and the Grand Master, Davey L White Jr., at various functions. The Deputy Grand Master serves you on the following Committees;

- Progressive Line Officers – Chairman
 - Even though this is not a recognized committee of the Grand Lodge in the Wisconsin Masonic Code it offers;
 - Improved officer communications
 - Programing continuity,
 - Calendaring of Events and Officer participation
 - Planning for the future
- WMBAB – Vice Pres. –Voting
- Nominating committee – Chairman
- Personnel Committee
- Liaison to the Grand Lodge Planning Committee
- Annual Communication Committee Ex-Officio
- Fraternal Relations with Prince Hall Committee
- Grand Lodge Executive Committee

- Grand Lodge Expenditures Committee
- Grand Lodge Nominating Committee
- Wisconsin Benevolent Activities Board – Voting Member
- Masonic Home Board – GL Liaison – Voting
- Member of certain committees of the Wisconsin Masonic Home, Inc.
- Fraternal Relations with Prince Hall
- Lodges Charters and Consolidations

I had the opportunity to attend the Conference of Grand Masters and Grand Secretaries in Atlanta Georgia. It was a very worthwhile learning experience as well as talking and sharing ideas with Officers of other jurisdictions. It also has been a pleasure to attend many Lodge functions throughout the State.

On a sad note many of the situations that had to be dealt with during this past year involved personality issues. We must all remember our Obligations and the Tenants of our Craft. We need to learn to play better with each other. We all must show respect to our Lodge Officers through the proper proto-call, I always think of the story, of President and Brother Harry Truman, having to wait for General and Brother Douglas McArthur and telling him that, “You can keep Harry Truman, the man, waiting but you will not keep the President of The United States waiting.” Now that’s an example of proto-call. Our Fraternity will not be destroyed from outside interests, it’s internal conflicts that will be our demise.

My Brothers please use the Grand Lodge website, the answer to many of your questions are available. The Wisconsin Masonic Handbook has been updated and the current Wisconsin Masonic Code is on line. The tool box is there, it’s full, and you need to open it, to use it.

This past year we also focused on the retention of our membership. In the future, our membership could have a positive gain even with the deaths of our some Brothers. We need to focus on the needs of all members by providing a perceived value in belonging to our great fraternity. If only half as many brothers would be suspended for nonpayment of dues and only half as many would resign, there would be that positive gain.

One the Grand Lodge Officers goals this year and future years to is make the Grand Lodge of Wisconsin Annual Communication an event that Brothers want to attend. The goal is to provide information, education and celebration.

I have tried to maintain a log of the events that I attended during this Grand Lodge year and it will be attached to this report in the final Proceedings. Thank you for your continued support and the opportunity to serve our gentle craft. If called I will continue to do so to the best of my ability.

Respectfully submitted,

Dennis V. Siewert
Right Worshipful Deputy Grand Master 2011-2012

WISCONSIN MASONIC HOME EDUCATIONAL PRESENTATION

Worshipful Brother Frank Struble, Senior Grand Deacon and President of the WI Masonic Home Board & Worshipful Brother Paul Tourville, WI Masonic Home Board Member

Frank Struble began by saying that the Masonic Home was their legacy and the greatest Masonic charity in the state of Wisconsin. A Power Point demonstration was given and summarized by Brother Struble. He covered the following topics: who we are, what we're not, what makes us special and some ways to participate in the III Pillars Senior Living Community.

III Pillars is a charity-care, a business, an organization that works on a not-for-profit basis with a business model that involves losing money because charity begins at home but doesn't end there. They are proud to be the type of organization that provides the kind of care that follows the Masonic tenets. It provides independent living at apartments and duplexes, both at Dousman and at Mason Woods. III Pillars provides assisted living, community based residential work, a memory care unit, nursing care and a short term rehabilitation facility and fitness center.

III Pillars is for Masons and non-Masons alike, you don't have to be rich or very sick or have a particular religious affiliation to live there. Once you are in the system at III Pillars, they do their best to keep you in the system. The goal is not to provide just for the needs of our Seniors, but to provide a lifestyle that agrees with the Masonic principles.

Paul Tourville continued the presentation by explaining that they rely on donors to make III Pillars what it is and what it can be. He went on to explain that III Pillars is a place that all Masons should be proud of. His purpose in this part of the presentation was to give an education on giving. There are many different ways to give and the hope is that other Masons will want to pass on this information. He explained that cash or checks are not the only way to give but also through bequests from wills and trusts, which can be handled by one of the many attorneys in the fraternity. Matching employer contributions is another way to give to III Pillars or any other Masonic charity as well as IRAs, land and life insurance. Another tool

that the Wisconsin Masonic Foundation is setting up is a donor advised fund where they create a pool of funds and you can decide at a later date where you want to give those funds. A charitable remainder trust is another creative way to give to your favorite charity.

Further interest in this program and additional questions can be directed to Erika Miller in the Charities and Development department at the Grand Lodge office.

GRAND MASTER'S REPORT

To our Past Grand Masters, Distinguished guests, Grand Lodge Officers and Brothers all:

I thank you for the opportunity to have served this Grand Jurisdiction as your Grand Master for the last twelve months. It truly has been an honorable and educational experience for me. I cannot begin to tell you what a humbling experience it is to serve as a Grand Master and represent some of the finest men and Masons that I have ever had the pleasure to meet in my forty-nine years on this earth. I can only hope that you are as proud of me as I am of all of you. Your leadership and guidance, whether at the local Lodge level, a committee level, or a Grand Lodge level, has been an inspiration and a driving force for me throughout the years leading to my election as your Grand Master. Without the wisdom and guidance of each and every Mason I have had the pleasure to meet, none of this would have been possible. Thank you all.

At the start of my term, I wanted to continue to build on the team concept that Our Most Worshipful Past Grand Master Joe Harker started during his term in office. I knew from the start that I had big shoes to fill, but I knew that with the help of all of the Grand Lodge officers, it was an attainable goal. Your Grand Lodge officers should be commended for all their efforts. Please join me in giving them all a round of applause. We have worked as a team all year and I am proud to say that they have risen to the challenges and tasks put before them. They take the charges of their respective offices very seriously and I believe they have represented you and this Grand Jurisdiction of Wisconsin with honor and integrity as they performed all the various aspects of their respective offices. I could never have had such a successful year without the dedication of all of you.

I would like to at this time thank my lovely wife Tammi for supporting me and understanding how much this fraternity and all my friendships mean to me. Without your help and involvement this journey would have been a much rougher path to travel and wouldn't have been as fulfilling as it has become. To my family and friends I thank you all for your understanding when I wasn't able to attend birthday parties, weddings, anniversaries, baseball games, reunions, etc. over the last 17 years, more especially the last four years as an elected officer. To my father Davey L. White Sr. and my mother Donna White for providing a great example for me to follow and for always supporting me during the good times and the bad. I know that I had to learn everything the hard way and probably should have listened to your advice and council more often, but putting that petition in front of me when I turned 19 years old certainly had a big impact on my life. It truly has been one of the greatest moments in my life and has changed it for the better. To MWPGM Joe Harker, your friendship and guidance the last several years is something I will always cherish. Your willingness to share your experiences and help prepare me for this year will always be remembered. I only hope that I can someday repay you

for practicing what Masonry is all about. To RWDGM, Dennis Valentine Siewert, your support this year is greatly appreciated. I always knew that you were there to assist me in any way possible and I pledge the same support for you during the upcoming year. To all the elected and appointed officers I pledge the same support for you in the upcoming years. I am only a phone call away. To the MWPGMs, your leadership throughout the years is to be commended. The Grand Lodge Officers realize how much work you all still do for the Fraternity and I am sure that will not change any time soon. Making yourselves available for the presiding Grand Master is something we all appreciate. Your collective wisdom and institutional memories is a real blessing when we call upon you. I must also thank the office staff, Jan, Alicia, Cheryl, and Erika. They have been a great help all year long. I have traveled to the Grand Lodge Office just about every week this year and their dedication to the Fraternity is phenomenal. Each and every question or task was taken care of immediately. You Brethren do not realize how fortunate you are to have these ladies working on your behalf. The office staff is also comprised of MWPGM Michael A. DeWolf our Grand Secretary and RW Grand Treasurer John Benedict. We as a Jurisdiction are very fortunate to have these two Brothers looking out for our Fraternity. They are always busy taking care of the day to day operations of Freemasonry in Wisconsin. Take a moment to thank them for the reduction in your insurance premiums and all the other concerns they take care of for us. No Grand Master can have a successful year without the help and knowledge of these two offices and I think we have two of the best.

This year I had the pleasure to represent the Jurisdiction of Wisconsin at several Annual Communications in other jurisdictions. My wife and I traveled to the Grand Lodge of New Jersey, The Grand Lodge of Minnesota and The Grand Lodge of New York. It is very interesting observing how business is transacted in other jurisdictions. As a Grand Master it provides you with new ideas and opportunities that you can bring back and utilize in our jurisdiction. It also provides us an opportunity to foster new friendships and connections so we can work together in the upcoming years. Together we can all grow stronger and move this Fraternity in a positive direction.

I along with several Grand Lodge Line officers attended the Most Worshipful Prince Hall Grand Lodge of Wisconsin Inc. Over the years we have developed some great friendships with these Brothers. MWGM Earl Thomas, III and his officer's meet with us annually to discuss fraternal relations and discuss how we can better work together for the Fraternity we all hold so dear to our hearts. I believe we have made great progress over the years and I look forward to working together with their upcoming Grand masters. We also enjoyed a wonderful evening at the combined Table Lodge in March hosted by our Prince Hall Brothers. This event is something I recommend all Masons to attend. It is one of the most memorable events that you will ever have the privilege to attend.

I, along with the RWDGM, RWSGW, RWJGW, MWPGM & GS, WSGD and our Ladies attended the North American Conference of Grand Masters and Grand Secretaries held in Atlanta Georgia this past February. This is a time to connect with your counterparts in other jurisdiction and discuss what is working and what's not. They also hold a variety of educational breakout sessions that we attend and gather information on new programs. They hold several breakouts at one time so we divide ourselves up so we can attend as many as possible. In the two years I've attended we've come back with a lot of ideas we hope to implement in the future.

This is one of the most important conferences we attend every year.

The Grand Lodge Officers both past and present spent the months of November, December and January traveling to Lodge installations all over the State. I believe I had the pleasure to participate in over 30 Lodge installations. This is one of the most enjoyable duties your Grand Lodge Officers get to participate in during the course of the year. We thank all the officers for allowing us the privilege to participate in these events and for adjusting your schedules to accommodate our busy schedules. The kindness shown and the hospitality given to us is greatly appreciated. We also were honored to attend and participate in several anniversary celebrations and cornerstones for new Lodge Buildings and a church. The Anniversaries show our longevity in our communities and the new Lodge buildings show the start of a new chapter in the history of these Lodges. I'm proud to say that I believe Masonry in Wisconsin is solid and on the verge of having a positive increase in the next few years.

The Grand Lodge Officers implemented a new program this year that I first learned about in New Jersey. It's called the "Gold Collar Degree". It's used when the Grand Lodge Officers confer a degree on a member of one of the Grand Lodge Officers immediate Family. I'm proud to report that the first recipient of this degree was the son of our WJGS Scott Pedley, Brother David Pedley. It was held at the Olive Branch Lodge #6 in New Diggings. Congratulations to Brother David on receiving this honor. I look forward to more of these degrees in the future.

The Grand Lodge Executive Committee approved several programs this year that we all should be proud of. We implemented a program asking for and receiving full support for the E.S.G.R program. The employee support for the Guards and Reserves program is designed to support our Service Men who provide the opportunity for us to enjoy our lives as we know them.

We also implemented the Grand Lodge Birthday card program honoring our Brothers for their years of service on the day they were raised. A special Thank You goes out to the Wisconsin Masonic Foundation for helping and supporting this program. I have received a lot of positive feedback from the Brothers in our jurisdiction and our Brothers in Florida and Arizona.

I had the pleasure to appoint a special committee chaired by our MWPGM Keith D. Chamberlain to develop and implement plans for a new Masonic Museum in Dodgeville. He along with the members of the committee and members of the Dodgeville Lodge have put a considerable amount of time, energy, and money into this project. I am sure that this will be a shining light for Masonry in Wisconsin when it is completed. The present date for a dedication is July 4th, 2012. I am honored to be asked to preside over the dedication ceremony. I thank the MWGM Dennis V. Siewert for granting me this honor. I also had the pleasure of naming the museum. It will be called the Wisconsin Masonic Heritage Museum in Dodgeville. Special thanks to Tom Mueller for all his hard work and dedication on this project.

I also had several requests over the years for a memorial service for our Ladies. I charged the Grand Chaplain with developing a service dedicated to our Ladies. He put a great memorial service together and it is available for all Lodges to use if they wish.

The Three Pillars campus continues to be a shining light in our Masonic heritage. The Board of directors led by the first and last President of the Board Frank

Struble and guidance of the Chairman of the board MWPGM Al Iding has had a very productive year. They have finalized the bylaws of Three Pillars and have restored the CEO title to Mark Strautman. They removed the President of the Board title and went back to Chairman of the Board and Vice Chair. They also changed their calendar year to more closely resemble the Grand Lodge Year. I thank Brothers Frank and Al, The members of the WMBAB along with the home board members for their diligent work.

Our youth groups, DeMolay, Rainbow and Job's Daughters are moving in the right direction. I think we all realize the importance of our youth. They are definitely the future of our Fraternity. I would especially like to thank our MWPGM Al Iding who took over as the Executive Officer for DeMolay. With his guidance our Wisconsin DeMolay has opened new chapters within the State and ranked third in the world in positive growth for the year. Congratulations on a job well done.

I have approved many dispensations and By-Law changes over the course of the year. I thank the Lodge for submitting these dispensation requests in a timely manner and for including the sections of the code to which it pertains. This makes our job a lot easier. Most of the By-Law changes pertained to Lodges wishing to stay open all year. I commend these Lodges for having the insight to recognize the need to be active and noticed all year long. No one ever said Freemasonry was a part time commitment. It is a way of life. If you haven't reviewed your By-Laws recently, please go through them and update them. Consider changing them to have at least one meeting per month all year.

Congratulations to the District 9 degree team for winning the Degree competition this year. They had members from several Lodges and came together to do a great job. Both teams participating put on a degree that would be an honor for anyone to receive. Thanks to our WGL Ken Gorgen and the Esoteric committee for putting this all together. I commend you for your hard work, especially the judging aspect of it. You all did a great job.

The Progressive Line officers continued to meet once a month to continue planning for the future of Freemasonry in Wisconsin. They held most meetings by teleconference or Skype to keep costs down to a minimum. These meetings are essential to keeping the cohesiveness of our Grand Lodge Officers in tact. We need to continue to work together year after year, picking up where the previous Grand Master left off instead of reinventing the wheel every year. The Executive Committee also met by teleconference or Skype when needed to discuss any pertinent business that may have come before it. When we all work together, we become stronger. We need to continue to communicate if we are to move this Fraternity in the right direction.

We had one request for consolidation, which is still being worked on at this time.

We need to continue to be concerned about membership, not so much about the numbers but about the quality of our members and the retention of the members we bring in to it. Remember we take good men and make them better, not take bad men and make them good. If you look at the report, we are bringing in about as many Masons as are passing away. Where we are having the most trouble is with Suspension for nonpayment of dues and resignations. We need to do a better job of giving our Brothers something to do and giving them what they are looking for when they join the Fraternity. I was recently at a Grand Lodge annual communication where they had a break down by age of the number of SNPD. The facts were

alarming! I couldn't believe the number of Masons being suspended over the age of 75 years. We need to do a better job of making personal contacts with our Brothers and finding out what is really going on in their lives. We cannot let the almighty dollar altar what our principals teach us. It is our duty to take care of Brothers in need period. There is no room for compromise.

I have a few recommendations that I would like to present to you for your consideration and adoption.

1. I issued an edict this year requiring every Lodge to submit a report from the Lodge Trustees and the financial committees to be included with the Lodges annual financial report that is to be submitted to the Grand Secretary by February 15th of each year. These reports should be signed and dated by each committee member.
2. I would like to require that all newly raised Master Masons be required to pass their Master Mason posting and have a card stating the same before being allowed to petition another appendant body.

I have dedicated this past year to the principles of Masonry; Brotherly Love, Relief and Truth. I believe everyone knows the meaning behind these simple tenants. If we continue to practice these tenants in our lives, communities and Lodges I believe our membership worries will take care of themselves.

I would like to leave you with a quote from Carl H. Claudy, FPS "Take from Freemasonry its reputation and make it an organization striving for notice, competing for publicity, members, attention, with all the hundred and one distractions of modern life, and it becomes just "one of the crowd". And then it dies! Let it be silent, secret, reserved, dignified; Keep it what it has always been, a mystery, a secret force for good in the world, an order which men cannot join save they be worthy – and it's power increases".

Respectfully and fraternally submitted,

Davey L. White Jr.
Grand Master

Report Adopted

APPEALS AND GRIEVANCES COMMITTEE REPORT

James H. Olson, PGM on behalf of Steve Willett, PGM, Chairman:

"Most Worshipful Grand Master, distinguished guests and brethren all, I appear before you on behalf of the Appeals and Grievances committee of the Grand Lodge. The chairman, PGM Steve Willett asked me to give the report. As you know, Brother Willett is a distinguished trial attorney and a long time chairman of the Appeals and Grievances Committee. It is a pleasure for me to represent him today."

"Chapter 29.16 of the Masonic Code sets out the duties of the Appeals and Grievances Committee and basically that is to review the proceedings regarding Masonic trials and decisions made by the Grand Master; to report the same at the Annual Communication as to what action should be taken on review and, if appropriate, to consider the petitions for restoration. I would like to make a brief report regarding those matters and as is tradition, the names of the persons involved are not specified but are merely referred to by initials for reference."

“Regarding two suspensions MKK and WGW, the Grand Master issued the suspensions. Those suspensions were then lifted so that the brethren are now fully restored. It was lifted in both cases on September 7, 2011. The committee recommends approval of the Grand Master’s action.”

“The Grand Master issued edicts. He referred to one a few moments ago regarding the reports by the Grand Lodge Trustees and Finance Committee that was dated August 20, 2011. He issued an edict on the August 22, 2011 regarding that no lodge shall seek tax status or mortgage or lease etc. for their lodge nor organize supporting organizations with a tax status without prior permission of the Grand Master. He issued a decision on July 6, 2011 regarding an organization referred to as the Grand Priory of the Reformed and Rectified Right of the United States, a decision that that organization is irregular and no member of the jurisdiction of Wisconsin shall have any interaction with this irregular body. That is also in conformity with the Conference of Grand Masters who are taking that action. The Appeals and Grievances Committee found all of these edicts and decisions are approved.”

“On October 27, 2011 the Grand Master issued a decree of expulsion for PWS who was convicted of a felony and the committee on Appeals and Grievances has thoroughly reviewed the record and recommends approval of the expulsion of PWS.”

“Likewise, regarding the decree of expulsion of KAK, issued by the Grand Master on February 10, 2012, the committee has reviewed the extensive report from the State of Wisconsin, various letters and so on. This is a felony conviction for child abuse, reckless harm and the Grand Master has issued a decree of expulsion. The committee recommends approval. In addition to that, with regard to this matter, I direct your attention to Chapters 108 and 109 of the Masonic Code, Review of Discipline in Chapter 108 and Restoration of Membership in Chapter 109. This person then sent a short letter asking the Appeals and Grievances Committee to consider an appeal, at least there is a letter that we interpreted to ask that. The committee reviewed this extensively and has determined that we shall not grant or recommend any appeal restoration at this time and we fully support the Grand Master’s decision.” I would point out to the Brethren, that under section 109.04 in reviewing a petition for restoration, the Appeals and Grievances Committee shall recommend and the Grand Lodge shall determine to grant the petition for restoration in circumstances such as we have here only if it is in the best interest of the craft that the petitioner’s membership be restored. There was no evidence presented to the committee to establish that it is in the best interest of the craft and therefore the appeal is fully denied.”

“I recommend and move for approval of this report.”

Stephen D. Willett, PGM, Chairman

GRAND MASTER’S MERITORIOUS SERVICE AWARD

Grand Master Davey L. White, Jr. asked that his father, Davey L. White, Sr. be escorted to the east. He described his father as doing things because he cares not because he has to. He is a Mason of over 40 years and has worked tirelessly his whole life and in the Masonic lodge, where he would always stop by to help if help was needed. His physical disability never stopped him.

After reading the inscription on his father's plaque, he presented him with the Grand Master's Meritorious Service Award and was given a very hearty round of applause and the Grand Honors.

TELLERS' REPORT

Grand Secretary Michael DeWolf reported that the brethren had elected the following:

- R.W. Junior Grand Warden, Franklin J. Struble
- R.W. Grand Treasurer, John A. Benedict
- R.W. Grand Secretary, Michael A. DeWolf, PGM
- Grand Trustee, John P. Marra, – 5-year term
- Benevolent Activities Board, Guy K. Gooding – 3-year term
- Benevolent Activities Board, John C. Tilley - 3-year term
- Benevolent Activities Board, Davey L. White, Jr., PGM, – 3-year term
- Masonic Journal Board, Stephen P. Ehle – 1-year term
- Masonic Journal Board, John A. Donaldson – 3-year term
- Masonic Journal Board, Milton Helmer – 3-year term

All humbly accepted their offices with thanks and noted that it was an honor and privilege to serve.

- 1 copy to George Washington Masonic National Memorial Association
- 1 copy to Milwaukee Public Library
- 1 copy to the Cedar Rapids Masonic Library in Iowa
- 1 copy to State Historical Society

A copy of our proceedings was placed on the Grand Lodge of WI web site. I contacted all Sister Jurisdictions in the U.S and Canada by email to let them know that should they desire a copy of our proceeding it was available via download from our web site.

Fifty Year Certificates

As of April 30, 2012, fifty-six 25 year certificates and one hundred thirty-eight 50-year certificates were prepared by the Grand Secretary's staff for presentation to deserving Brethren. These certificates were signed by Grand Master Davey L. White, Jr. and the Grand Secretary. The names of the 50-year recipients will be printed in the Proceedings.

Unfinished Business and Proposed Legislation

On April 12, 2012 a complete account of all unfinished business and a copy of all proposed legislation, including the Grand Lodge budget for the 2012-2013 fiscal year, was sent to each constituent lodge Secretary, for the Master and Wardens, complying with the terms of Section 25.07 and 29.05(c) of the Masonic Code.

Financial Reports

The accounting firm of CliftonLarsonAllen will conduct the annual audit of the financial affairs of the Grand Lodge F. & A.M. of Wisconsin, the Wisconsin Masonic Journal, the Wisconsin Masonic Foundations, for the fiscal year ending April 30, 2012. These reports will be printed in the Proceedings.

Lodge Consolidations, Charter Surrenders & New Dispensations

There were no lodge consolidations this year.

Tax Reports

The Group 990 Income Tax Report for the 183 constituent lodges in the year 2011 was filed with the Exempt Organization Division of the Internal Revenue Service complying with the authorization given the Grand Lodge F. & A.M. of Wisconsin under regulation 1.6022-2(A)(d)(d) Group Returns. This group return is filed under I.D. No. 23-7145169. There have been a number of changes in the 990 processes, specifically as it pertains to lodges under \$25,000 in income.

990N Electronic Reports, several years ago the IRS changed the reporting format for those lodges who have less than \$25,000 in income. Your Grand Lodge office informed all lodges as to the proper process to follow and how to comply with the new electronic format. Unfortunately for a number of reasons all lodges did not follow the process. In February of this year the IRS started sending out notices of loss of tax exemption. This has prompted the Grand Lodge to change the 990N process. We will be applying for a one-time blanket exemption for all lodges in the state. There is a section of the IRS Code that allows for this to happen. Going forward the Grand Lodge office will file the Group 990 as well as 990N electronic forms.

Grand Lodge Master Insurance Policy

The Grand Lodge Master Insurance Policy was scheduled for renewal on 1 May 2012. This Master Policy covers property, boiler, employee dishonesty, general liability, non-owned auto liability, fine arts, paraphernalia and other enhancements specifically designed to cover our fraternal exposure. Additionally, we carry a \$10,000,000.00 Umbrella Policy, which covers all lodges in the Master Program. Annual insurance costs make up a large portion of lodge budgets and is of critical concern to all of us. We have managed to control premiums since 2005. The Spectrum Insurance Group has handled our insurance needs since May 1, 2010 and our policy is underwritten by NSI a division of West Bend Insurance. NSI specializes in customers such as the Grand Lodge of WI.

In addition to the Property & Casualty coverage, NSI also provides our D&O coverage. We have worked out a voluntary program where lodges can participate and have coverage for a flat fee of \$150. To date we have over 60 lodges participating. In today's litigious society I would ask that you encourage your lodge to participate, I can assure you that you will never be able to match coverage or price on this program.

Thank you to our representative from Spectrum Insurance Mr. Jesse Furrer and his entire staff. Jesse has traveled to many of the District Meetings and is willing to present the program wherever needed.

Wisconsin Masonic Code

The Wisconsin Masonic Code is the controlling document with which we govern our Craft. The Code is available on our Web site at <http://www.wisc-freemasonry.org> and is available to download as a Word Document or in PDF form. Since the Code has been converted to an electronic format one of the key features is the ability to do key word searches. We will continue to work to make this document as friendly to use as possible. Updates resulting from this session will be published by the end of June 2012.

Email

The Grand Lodge Officers and the Grand Lodge, along with many lodges continue to use this effective tool to communicate and it is becoming one of the most common tools we use today. You can email directly to any one in the office: Jan Gorgen our Office Manager is jan@wisc-freemasonry.org, Alicia Darr our Bookkeeper is alica@wisc-freemasonry.org, Cheryl Martin our Receptionist is cheryl@wisc-freemasonry.org, and I can be reached at grandsecretary@wisc-freemasonry.org.

We encourage you to use this tool for the majority of your requests or processes. I want to remind each of the members and lodges that there are protocols that should still be followed for communicating within other grand jurisdictions. All correspondence should still be sent through the Grand Secretary and I will then forward it on to the respective recipient's Grand Lodge. As our technology grows, we still have to maintain certain courtesies that are considered important to many Masons and Grand Jurisdictions.

Grand Lodge Phone System

Our phone system has allowed us to streamline our business and increase communication with the membership. During Office hours the phone will continue to be answered by a 'real' person, after hours your call is routed to the proper voice mail.

MORI: The Masonic Online Registry Interface

MORI is the standard when it comes to managing membership and we continue to add updates to the system. In May of 2010 we implemented Kase Manager. Kase Manager is a help desk software program that allows us to manage various day-to-day issues whether it be software or member related. Trouble Tickets are issued and tracked and resolution is easier to manage. We also use Kase Manager to track the electronic membership leads we receive. Kase manager continues to be available to the Grand Lodge of WI on a no cost basis since we have helped in the prototype phase of the software.

District Secretary Meeting

Again this year I have continued to attend District meetings. As we move forward we continue to have new Brethren taking leadership positions as Lodge Secretaries, I want to make sure they have the tools necessary to do their job.

Statewide Secretary Training

In January of 2012 we held our first Statewide Secretary training session. This two-day event was well attended and well received by the Brethren. Over 100 lodges attended the event. Some of the highlights were a presentation by Past Grand Master James D. Cole of the Grand Lodge of Virginia who spoke on tax issues facing lodges, the 990 process, W-2s and the Sarbanes-Oxley Act. Cheryl Martin of the Grand Lodge office spoke on service awards and petitions, Brother Jesse Furrer explained our insurance coverage and our responsibilities in establishing property values as well as D&O insurance. Erika Miller of the development office discussed the process regarding scholarships, gift annuity plans, endowments and matching grants available from the Masonic Medical Fund. Brother Robert Gorsuch covered the responsibilities of lodge trustees. PGM Keith Chamberlain, Chairman of Service & Assistance spoke on the Service & Assistance application process and the Lodge Excellence Award. Alicia Darr our Grand Lodge Bookkeeper updated the brethren on Annual Reports and our PMP program. Brother Pat Cholka did a MORI review. Our 2013 Session will again be held at the Madison Masonic Center on January 19th & 20th, 2013. Watch the Wisconsin Masonic Journal for more details.

990N

Several years ago your Grand Lodge office was in contact with the lodges regarding the change in IRS regulation's that now require a 990N electronic form to be filed for those organizations' who have under \$25,000 (now \$50,000) in receipts. In February of 2012 the IRS started rescinding the Tax Exempt status of those organizations who did not file for the proceeding 3 years. Unfortunately, the Grand Lodge of WI had a number of lodges that received a notice of loss of tax exemption. I sent a notice to all lodges that they should not panic but keep us informed if they received a notice. The Grand Lodge has received a Master filing code from the IRS and effective immediately we will process all 990N's as well as the group 990. In August of this year will file for a dispensation to restore all lost exemptions as provided for in the IRS Code.

The Conference of Grand Masters and Grand Secretaries

This last February I was very pleased to be nominated and elected Executive Secretary/Treasurer of the Conference of Grand Secretaries of North America. This conference meets on a yearly basis and I am pleased to represent this great state.

Grand Masonic Center

This year in October at the direction of Grand Master White, and with the support of the Grand Lodge Trustees, I began the process of a renovation of the Grand Masonic Center. The last time any work was done on the center was in the early 90's, the building has become very tired. Our first phase included scraping, painting and replacing where necessary any outside wood. The doors were replaced and electronic entrance locks were added. Roof damage was repaired, and the outside of the building was tuck-pointed. The entrance ramp was replaced and the railings were refurbished to meet ADA requirements. On the inside we have replaced all the carpeting on the first floor and the second floor conference room. Wall paper was removed, the walls were skip troweled and repainted. All blinds were replaced. The conference room is now set-up for electronic meetings to enable us to reduce the face-to-face time required by some board meeting. We have also done cabinetry work to update what was in disrepair.

Office Staff

A special thanks to Jan Gorgen, Alicia Darr, Cheryl Martin and Erika Miller. Wisconsin is fortunate to have this exceptional group of ladies handling our office activities on a daily basis. They all have Masonic ties and I believe it is more than just a job to them. They believe in what we as Freemasons do. All four of them are here this weekend and I would ask that you take a minute to meet them and thank them for all they do for our fraternity.

Conclusion

We again come to the close of another Masonic year. For me it has been a year of positive change as the Grand Lodge continues to move forward. However, it was darkened at the beginning as Marilyn my Wife of 27 years passed away after a long battle with cancer. She was a gracious lady whose confidence, pride and encouragement were the inspiration for the many years of my Masonic service. My personal sorrow has been lightened by the fraternal affection of my brethren, demonstrated so constantly throughout the year. I would like to thank all the lodges and Brethren who sent cards and flowers through her illness and helped to support her library memorial fund. Your kindness and support was and is greatly appreciated. The day prior to her passing she asked me to make sure I let all of you know how much she enjoyed being with you at these occasions, additionally, she wanted you to know that what we do as Freemasons does make a difference in the world.

I have always been very humbled to represent Wisconsin, as your Grand Secretary. It is a position I take very seriously. As we close out this year let us invoke the ancient benediction we hear at every communication of our lodges. *"May the blessing of heaven rest upon us and all regular Masons. May brotherly love prevail and every moral and social virtue unite and cement us."* I express my grateful appreciation to you for allowing me to give something back to our fraternity.

Respectfully Submitted,

Michael A. DeWolf, P.G.M.

EXPENDITURES COMMITTEE REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

In compliance with Section 29.05 of the Wisconsin Masonic Code, we are pleased to submit the Expenditures Committee report and the proposed budget for the fiscal year 2012-2013.

On April 12, 2012 copies of the proposed budget for the Grand Lodge Free and Accepted Masons of Wisconsin were mailed to each constituent Lodge and to the officers and permanent members of the Grand Lodge. Resolution No. 2-2012 addresses the adoption of this budget with the adoption recommended by the Expenditures Committee.

The Expenditures Committee met a number of times during 2011-2012 to develop the budget of anticipated revenue and expenditures for fiscal year 2012-2013. With the direction of the Deputy Grand Master we understood the importance to continue to provide the quality and expected services that are needed by the Lodges and the Brothers that we serve while holding our overall expenses at a reasonable level.

The budget format continues as it was shown last year and includes actual fiscal year end results for 2009, 2010 and 2011 as well as the year-end projection for 2011-2012. It does not include the revenue from the Farm and Duplex or any Interest and Principal Payments received. It also does not include the expenses from the Farm and Duplex. As was done in the past, the Farm and Duplex will have a separate budget.

The proposed budget for 2012-2013 has total expenditures of \$837,550. This is down about 2% when compared to our projected expenses for the current year when the expenses for New London and the Farm / Duplex are removed. This is a result of the following:

1. An increase in the Annual Communication budget based on a review of actual expenses over the past few years.
2. Continue the employee benefit package with the higher employee shared contribution and higher deductible. Include a 2.6% allocation of the total package

- for salary adjustments to be handled by the personnel committee while keeping the total package to \$250,000, which is down slightly from last year's budget.
3. Increase the contribution to the Wisconsin Masonic Journal to \$141,600 to continue the 16-page format and the quality of paper that is used.
 4. Reduce some of the Service to the Craft expenses with the completion of the needed office computer upgrades and other budget items based on expected needs.
 5. With the loss of some revenues because of the budget change, the transfer from investments will be increased.

Our M.W. Grand Secretary continues his work on the overall costs for Grand Lodge insurance program and the excellent insurance package he has worked to put together for all of the Lodges in our state. We were pleased to see that 62 Lodges have taken the Directors and Offices Liability protection for the personal protection of their Lodge officers and trustees. We are pleased with the web page he has continued to develop. It not only gives our Brothers the information they need but gives to anyone who looks at it a better understand of Freemasonry in Wisconsin.

The Expenditures Committee recommends that the per capita remain at \$37.00 per year, upon each member of record of a chartered lodge on December 31, 2012. Resolution 2-2012 has been submitted covering our recommendation.

The continued goal of the Expenditures Committee will be to handle the business side of our fraternity in the most cost efficient manner possible.

GRAND TREASURER'S REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin

Complying with Section 24.02 and 34.02 of the Wisconsin Masonic Code, Laws of the Grand Lodge, it is a privilege to submit the Grand Treasurer's Annual Report.

As of June 1, 2012 all lodges with the exception of Pewaukee Lodge have submitted their Annual Financial Reports. Also, Pewaukee Lodge has not yet paid their per capita tax. This lodge has been sent written notices and have been contacted by the Grand Master as to their delinquencies.

There are currently 3,165 Perpetual Membership Plan participants of whom 2,002 are living and active. The total PMP per capita funds received by the Grand Lodge was \$42,698. Checks totaling \$72,109 were mailed to 173 Lodges this year.

The Auditors' report will verify all receipts and disbursements and will give an annual accounting of the existing condition of the funds of the Grand Lodge as of

April 30, 2012. This complies with the terms of Section 24.02 and 34.02 and are not duplicated here. The audit report, in full detail, will be on file in the Grand Lodge office for review by any member of the Craft. Also, the report will be printed in the official proceedings of this Annual Communication of the Grand Lodge Free and Accepted Masons of Wisconsin.

The proposed budget format includes actual fiscal year end results for 2009, 2010 and 2011 which gives a clear summary of our Grand Lodge financial results for these three years. The projection for 2011-2012 is based on our actual results through February, 2012 and estimates of income and expenses for the last two months of this fiscal year. Revenue for this year was down because of the drop in per capita received and the loss of New London rental income when the property was sold. The money from the sale of the New London property is outside the Grand Lodge budget and goes to the investments handled by our Trustees. On the expense side, there was an increase over budget for the costs of the Annual Communication, Officer's travel and Staff meetings. Overall, projected expenditures will be only 1% over budget.

While these funds are from outside the Grand Lodge budget, it is good to report that the Service & Assistance Fund will have disbursed an estimated \$75,000 to help our Brothers and those at Veterans Facilities this year. Over \$25,000 was disbursed by the Youth Fund and the Foundation's Youth Fund to support the Masonic Youth Groups in 2011-2012. The Trustees have directed about \$71,000 from the "Land Fund" for improvements and betterments that have been done at the Grand Lodge building in Dousman.

The Grand Lodge of Wisconsin has two main sources of income for the operating budget - investment income allocation and per capita tax. The Trustees will report on their investment activities for the year and the Grand Lodge needed \$209,726 in an investment income allocation to cover our expenditures and for a balanced budget.

In compliance with Section 24.01 of the Wisconsin Masonic Code, I have made arrangements to sign all mileage and per diem checks for the representatives attending the 168th Annual Communication of the Grand Lodge Free and Accepted Masons of Wisconsin. The distribution of these checks will be made on Saturday, June 2nd, 2012, in conformity with Section 30.06 of the Wisconsin Masonic Code.

I want to thank you for the privilege of allowing me to continue to serve as your Grand Treasurer. The continued support of our Grand Lodge office staff and our M.W. Grand Secretary has been of great assistance in helping me do my work. To our M.W. Grand Master Davey L. White, Jr. and all of the Grand Lodge Officers, thank you for allowing me to be a part of the Grand Lodge team and to be of service to our great Fraternity.

Respectfully Submitted:

John A. Benedict, Grand Treasurer

GRAND LODGE DECLARED INFORMAL

PRESENTATION OF LODGE SECRETARY OF THE YEAR AWARD

The Grand Master called the Grand Lodge informal and asked the Grand Marshal, Senior Grand Deacon and Junior Grand Deacon to escort the ladies of the Grand Lodge office into the lodge room. Office manager Jan Gorgen, bookkeeper Alicia Darr and receptionist Cheryl Martin were brought to the east where they were introduced by the Grand Secretary and given a round of applause. They then presented the Secretary of the Year award to Randy Thorman, secretary of Neosho-Horicon-Mayville Lodge No. 108 in Neosho, WI. Brother Thorman, a member for over 30 years, has been the lodge secretary for more than 10 years, and has best emulated what the ladies deemed the highest qualities of a lodge secretary by performing his duties with promptness, accuracy, fidelity and a gentlemanly manor to the office staff. As Brother Randy was not present to receive the award the Grand Master promised to make the presentation at a later time.

GRAND LODGE CALLED FROM LABOR TO REFRESHMENT

GRAND LODGE CALLED FROM REFRESHMENT TO LABOR

PRESENTATION OF 55 and 50-YEAR AWARDS

Deputy Grand Master, Dennis V. Siewert asked the Junior Grand Deacon and Senior Grand Deacon to escort brothers Keith Turner (55 years) and PGM Brother Roger Magoon (50 years) to the east where Grand Master Davey L. White presented them with certificates and a pin. They were given a hearty round of applause.

WISCONSIN MASONIC BENEVOLENT ACTIVITIES BOARD REPORT

The Wisconsin Masonic Benevolent Activities Board (WMBAB) is charged with overseeing and helping to coordinate our Masonic Charities. WMBAB reviews plans, budgets, investments and programs for each of our boards. These charities include

the Masonic Foundation, the Masonic Home, and the Board of Masonic Service and Assistance. As an oversight board it is WMBAB's job to look at the "big picture".

Past Grand Master Keith Chamberlain is chairing Service and Assistance, Brother Gary Beier chairs the Masonic Foundation and Brother Frank Struble has been serving as President of the Masonic Home Board. After a change in the Home Board's bylaws we will be returning to an elected Chair rather than President. This will eliminate some confusion, as our Masonic Home CEO, Mark Strautman also holds the title of President. The President/CEO works for the board. We sincerely appreciate the efforts of these fine Masonic leaders!

We offer sincere thanks to all who have served on WMBAB, and also to those who have served on the charitable boards and various committees. These positions require a great deal of time outside of meetings studying and understanding the multitude of issues that our charities face.

I also deeply appreciate the cooperation that has been shown between the Grand Lodge Trustees, the Grand Master and the charities. Many issues overlap and without clear communication and strong leadership things can become difficult. Your Masonic leaders have worked hard to ensure success in these endeavors

Fraternally,

Donald W. Hensiak

FRATERNAL RELATIONS WITH PRINCE HALL COMMITTEE REPORT

Fraternal relations between the Grand Lodge of Wisconsin and the Most Worshipful Prince Hall Grand Lodge continue to grow. The two Grand Lodges worked together again this year to meet in fellowship and brotherly love.

In November we held a planning dinner for Grand Lodge officers from both jurisdictions and their ladies. This year's dinner was sponsored by our Prince Hall and held at the Milwaukee Double Tree Hotel. A brainstorming meeting followed a very enjoyable social hour and dinner. A wide-ranging discussion took place. There was a strong interest in investigating the possibility of plural membership between the jurisdictions in the future.

The annual jewel of our continued growth in fraternal relations is the Combined Table Lodge. This year marked the 9th Annual event. The event held in Milwaukee at the Prince Hall facility and was attended by over 200 brethren. The camaraderie was lively and the brethren enjoyed the seven traditional toasts followed by comments from both Grand Masters.

It is a pleasure to observe that in addition to the formal gatherings between our jurisdictions, several lodges and individual brothers have developed friendships and are sharing events. Contacts are being made across jurisdictional lines and the hand of Masonic friendship is being extended in many new ways.

GRAND LODGE PLANNING COMMITTEE REPORT

The Grand Lodge Planning Committee has met this past year at the periodic Grand Lodge Staff meetings. There are three main initiatives that the committee is working on. These initiatives will be carried over to the ensuing Masonic year.

Creating a more meaningful experience for attendees of the Annual Communication is being worked on. Plans are being made to provide a series of short and interesting presentations for the next A/C. It is hoped that the schedule of the Communication can be streamlined to add topics that the brethren find of great interest. The goal is to make the A/C a real “must see” event!

Another challenge we face is the fast evolving use of technology. It is our goal to better use display screens and new technology to enhance the A/C. Another challenge of the new communication methods is membership. The Grand Secretary has reported that the increase in Internet “leads” from potential members has created challenges. Following up on prospective members includes creating new protocol for investigating men who come to us with no Masonic sponsors.

Finally, the committee has worked on establishing a three-year rotation for review and update of the Wisconsin Masonic Handbook (formerly the Green Book). The handbook was updated in 2011 but there is a need for a more systematic review to avoid having the information become so outdated again.

CERTIFICATE OF APPRECIATION PRESENTATIONS

Grand Master White asked the Senior Grand Deacon to escort Brother Tomas Tourville to the East where he honored his friend and brother for outstanding work in the jurisdiction of Wisconsin, not only in the Masonic lodge, but for his work years ago in DeMolay. He has received many awards but this award was for him to remember this particular year and their friendship. He was presented with a Grand Master’s Certificate of Appreciation, which he humbly accepted. He was given a hearty round of applause.

Grand Master Davey White also presented a Certificate of Appreciation to two Area Administrators who stepped up to the plate and did a phenomenal job in District No. 9 by making over 100 visits in their district and others, without charging the Grand Lodge. Brothers Dwight Redders Jr. and Robert Barnett, Jr. came forward to accept their awards and received a hearty round of applause.

WISCONSIN MASONIC HOME THREE PILLARS SENIOR LIVING BOARD REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

The Board of Directors of Three Pillars Senior Living Communities is pleased to report that the state of your Masonic Charity is stronger than ever. We continue to provide the care and exceptional service to others as is dictated by our gentle Craft. We continue to reaffirm our commitment to the concept that although Charity begins at home, it does not end there. Your Board and all employees of the Home speak with a single voice supporting the same set of intentions, values, methodology and strategic objectives. A new program to provide long-range training to the staff of the Home on Masonry, our history, teachings and values is being led by Past Grand Master Bill Day and the Home CEO. All objectives of the Charity are based on providing compassionate care true to our Masonic values.

This year has seen some turnover in our management team and we are pleased to report that we have been able to recruit new strong capable managers to continue into our future. This is particularly important in today's environment as external factors continue to challenge everyone. Government bodies continue to confuse. The federal healthcare programs, services for our seniors, and future policies/procedures/regulations remain vague and nebulous. Your Home must continue to adapt to those changes as they occur.

In the face of a much more difficult climate for fund raising, The Home Board has established a new Development Committee headed by Brother Paul Tourville to work closely with WMBAB's Development Office on fund raising strategies and projects. This committee and the Outreach Committee are also jointly working on reaching out to the Brothers throughout the State and making all Brothers understand this is your Home. The Home Board has also proposed by-law changes, which are being enacted through WMBAB to eliminate some officer positions making the Board more nimble by cutting out a layer.

The Board has recommended a solution to the Van Brunt building issue to Grand Lodge and the Trustees. This would result in razing the building at the Home's expense. A committee has been formed to deal with this proposal and ensure no Masonic heritage is lost.

We feel that your Home is positioned well due to our commitment to Masonic values, our community reputation, strong balance sheet and updated products to move into the uncertain future. This board is honored by your trust and we take this responsibility seriously.

GRAND MASTER'S MERITORIOUS SERVICE AWARD

Grand Master Davey L. White, Jr. asked that Jerome J. Holz be escorted to the podium. He described him as a Mason who has done many things for the Masons in the Milwaukee area, for the Wisconsin Masonic Home, the Scottish Rite and Masons in general. He described him as a solid pillar for Freemasonry and said that he deserved to be honored for his accomplishments.

After reading the inscription on Jerry's plaque, he present him with the award and was given a very hearty round of applause and the Grand Honors.

WISCONSIN MASONIC BOARD OF SERVICE AND ASSISTANCE

To the Grand Lodge Free and Accepted Masons of Wisconsin;

The Board of Masonic Service and Assistance has had an active year. The ongoing economic struggle has brought several requests for assistance before the board and I am pleased to report that the majority of these requests have had a positive outcome.

As of this writing, twelve requests for assistance have been submitted, with eleven files having been acted upon and one still under deliberation. It is important to note that in each case, the self-imposed board guideline for receiving, deliberating and acting upon a request within thirty working days has been met. This feat reflects in no small way the degree of dedication displayed by each board member.

While the board strives to handle each request in a timely fashion, forces beyond it's control such as the return of required paperwork needed for initial consideration often slow the process. In an effort to clarify the criteria for assistance, as well as what is needed to move a request forward for consideration, MWGM White requested at the beginning of his tenure that all District Deputies include a presentation by the Service and Assistance Board president on their Spring or Fall District Meeting agendas. As of this writing, and with the exception of District One, no other requests have been received.

My Brothers, the realization that the "relief of poor, distressed, worthy Brother Master Masons, their widows and orphans" remains one of this great fraternity's most important founding virtues, carries with it a responsibility which encompasses not only the Lodge and all who enter it, but also those whom we interact with everyday.

It has been a singular pleasure to work with the men who comprise the Board Of Service And Assistance this past year. Each of them ascribe to the realization mentioned above, while striving to assist those among us in a timely and compassionate manner. They are deserving of your respect for their unselfish efforts on behalf of you and Wisconsin Freemasonry.

Respectfully submitted on behalf of the Wisconsin Board of Masonic Service and Assistance,

Keith D. Chamberlain, PGM, President

WISCONSIN MASONIC JOURNAL BOARD REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin;

I am pleased to report that the past year has been productive as well as educational for your Masonic Journal and as a result, beneficial for our great fraternity.

Under the guidance of MWGM Davey L. White, his Grand Lodge Officers and your direction, the journal was able to maintain the quality of newsprint and page count necessary to make your publication the quality product Wisconsin's Freemasons have come to expect.

Also to be commended for their efforts in achieving this high level of worth are Editor Rich Rygh, whose editorial and photographic efforts have gained many positive comments and Advertising Manager Diane Igl, who continues to build on a strong foundation of active accounts.

With a relatively small number of individuals requesting the journal in "on-line" form, our website presence continues to grow, although slowly. However, the trend is moving inexorably in that direction and over time will most likely gain in popularity.

Several months ago, the board approved the launch of a readership survey intended to more clearly define our potential with regards to marketing, as well as gaining a degree of insight into our reader's opinions of the journal. Guided by Br. Milton Helmer, I am pleased to report that this effort resulted in the development of a series of marketing tools, which have proven extremely valuable to our Advertising Manager in terms of new business. For the foreseeable future, the board will continue to utilize and expand on these findings.

On a more somber note, the board recently accepted the resignation of Br. Keith Harmon, who has served on the Wisconsin Masonic Journal Board since 2001. Br. Harmon's background and insight proved to be valuable assets during his tenure on the board. As a result of his input and the actions of the board, decisions were made and direction taken for the betterment of the craft.

In summation, your Masonic Journal continues its improvement in specific areas designed to deliver maximum value for our readers as well as providing a strong voice for Freemasonry in Wisconsin and beyond. We are proud to serve and thank each of you for the opportunity to do so.

Respectfully submitted on behalf of the Wisconsin Masonic Journal Board,

Keith D. Chamberlain, PGM, President
Keith H. Harmon

APPROVAL OF BOARD AND COMMITTEE REPORTS

Grand Master Davey L. White asked for approval of the reports as printed in the Pre-Proceedings for the following boards and committees: Grand Lodge Trustees, Wisconsin Masonic Foundation, Education, Esoteric, Foreign Relations, Lodge Charters and Consolidations, Temple Plans and Finances and Youth Group Funding. A motion was made and seconded to approve them as printed. All reports were approved.

GRAND TRUSTEE'S REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin;

Most Worshipful Grand Master of Masons in Wisconsin, Davey L. White, Jr., and delegates to the 168th Annual Communication of the Grand Lodge Free and Accepted Masons of Wisconsin.

Chapter 28 of the Masonic Code of Wisconsin requires the Grand Trustees to submit to the Grand Lodge at each Annual Communication a report on their official acts. This is our report for the fiscal year ending April 30, 2012.

The Wisconsin Statutes and the Wisconsin Masonic Code, with Annotations, delineate the number and qualifications of Grand Trustees, their election and tenure, vacancies, custody of securities, annual report, and supervision of property requirements. There are five Grand Trustees of the Grand Lodge, elected to five-year terms, with one elected at each Annual Communication, who shall not be eligible for reelection to such office for a successive term. A Grand Lodge Trustee is a statutory, not a Masonic officer.

Chapter 188 of the Wisconsin Statutes, as it relates to Masonry, vests title in the Grand Trustees of all real and personal property that shall have been conveyed by devise, gift, grant, purchase or otherwise to the society (fraternity).

Pursuant to Chapter 188 of the Wisconsin Statutes and Chapter 28, and other references of the Wisconsin Masonic Code, the Grand Trustees have legal custody of all bonds, obligations and securities, and legal title to all real estate. The Grand Trustees exercise a general supervision over the property, both real and personal, including trust funds of the Grand Lodge, unless otherwise provided by regulation of the Grand Lodge. The Grand Trustees are governed by the "prudent man" rule for the investment of funds of the Grand Lodge.

During the 2011 – 2012 Masonic year, the Grand Trustees met numerous times, in person, by telephone conference call, and by e-mail. The Grand Trustees govern by three sub-committees: real estate, finance and general operations. We generally determine policy, goals and objectives by reaching a consensus.

Investments

Our fiscal year is May 1 to April 30. M&I Trust Company N.A. is our depository.

Grand Lodge Investments in Marketable Securities. The Grand Trustees oversee the investments of the Grand Lodge. The investment policy adopted by the Trustees provides for a target for marketable securities of 70% equities and 30% fixed income asset allocation. The equity portion is further allocated 35% large capitalization, 7.50% mid-cap, 7.50% small cap and 20% international.

The Grand Trustees retain Alpha Investment Consulting Group to provide advice on investment and investment managers. The Grand Trustees have one fixed income manager, J. B. Investment Management, and five equity managers: Daruma Asset Management (small cap), Vanguard (mid cap) (large cap index), American Funds – Growth Fund of America (large cap – growth), DFA – International (small cap international) and Masters’ Select Funds (large cap international).

At the beginning of the fiscal year, May 1, 2011, the Grand Lodge marketable securities investments were \$9,946,996. On March 31, 2012, the assets had a value of \$ 9,636,443. The market value of the investments as of the end of our fiscal year, April 30, 2012 will be reported to the Grand Lodge at the Annual Communication and included in the final report for the Official Proceedings. Net cash withdrawals of \$352,345 were made from the Grand Trustees during the first eleven months to the Grand Lodge checking account for operations.

As required by the Masonic Code, we are to report annually on the financial activity in the PMP account. At May 1, 2011 the balance in the account was \$1,399,186.07. The balance as of April 30, 2012 is \$1,286,747.07.

Mortgage Loans

As allowed by Chapter 33, Wisconsin Masonic Code, the Grand Trustees hold promissory notes and real estate mortgages securing the loans, on three constituent lodge properties. The balances on these loans as of March 31 of 2011 and 2012 are:

	2011	2012
Blue Hills Lodge #234	\$ 107,011.20	\$ 52,197.37
Island City Lodge #330	88,358.43	54,470.46
Evergreen Lodge #93	180,000.00	180,000.00
Total	\$ 375,369.63	\$ 286,667.83

Due to an unfortunate chain of events, two properties owned by Evergreen Lodge in Stevens Point are now under the control of the Grand Trustees who were the mortgage holder for the properties. We continue to work with Evergreen Lodge with the hope that it can remain solvent and continue as a viable part of our fraternity. The Grand Trustees have listed the properties for sale, but until they are sold, Evergreen Lodge #93 will have full use of its current facility.

Real Estate

Duplex. We continue to rent the two family duplex on the Dousman Campus. The annual rentals bring in a cash flow of about \$23,400.

New London Apartments. The Grand Trustees sold the 12 unit apartment building it owned in New London, Wisconsin. The building was sold for \$126,593 to Brother Art Pfitzinger and his wife, Carol who had been managing the property for the Grand Trustees, on September 30, 2011. The real estate market in New London had been very weak and the cost of maintaining the apartment building was increasing, so the decision was made by the Grand Trustees to sell the property due to its diminished economic performance.

Farm. We continue to own a 187 acre farm near our Grand Masonic Center. 140 of the 187 acres are irrigated. The farm lease for the property will expire at the end of 2013. There was an increase of 3% in rent between 2011 and 2012, but no increase is scheduled to occur between 2012 and the end of 2013. The farmer leasing

the property paid \$22,475 for the use of the farm in 2011 (\$120.19 per acre). The annual payments will be \$23,149 for 2012 and 2013 (\$123.79 per acre).

The farm should appreciate in value over time due to growth to the north of the Village of Dousman. The farm is a valuable asset of the Grand Lodge. The Master Plan for the Village of Dousman indicates that the land should be developed as a mix of business park and residential-type development. Due to the downturn in the real estate market, it is not anticipated that the farm will be developed during the short term. The Grand Lodge Trustees will continue to analyze any and all options that present themselves for the farmland.

Wisconsin Masonic Homes, Inc. The Wisconsin Masonic Home board is responsible for operating our Three Pillars Senior Living Communities located on our campus at Dousman. Some years ago, the Grand Trustees began leasing approximately 62 acres to the Home.

Grand Masonic Center. We maintain the Grand Masonic Center office building on our campus in Dousman. Our Grand Lodge offices are located in this building, including the Grand Master's and Grand Secretary's offices, and our office staff.

We also rent space to several appendant bodies. This past year, The Order of the Eastern Star paid rent of \$9,406 and the York Rite bodies paid \$6,740. We also receive \$550 per year from the DeMolay.

We have Officers' and Directors' Liability insurance coverage of \$1 million to protect the Grand Trustees, Grand Lodge Executive Committee members and other Grand Lodge officers.

We are continuing to work with the Grand Master and Grand Secretary to provide for upgrading of our Grand Masonic Center.

Van Brunt Hall. The Grand Trustees' 2008 and 2009 Annual Communication reports contained detail reports, with the 2010 and 2011 reports simply referring to them. Van Brunt Hall, as many of you know, was the original Masonic Home, and is now unoccupied. We continue to believe the building should either be demolished or used for some other purpose. An ad hoc committee made up of two Grand Trustees, two Grand Lodge Officers and two representatives from Three Pillars has been formed and will be developing a plan for the future use of this property.

Olive Branch Lodge #6, formerly Benton Lodge #268. The Grand Lodge owns the building and land in New Diggings, Wisconsin in which Olive Branch Lodge #6 meets. On this property is also the New Diggings Masonic Historical Cemetery. Under the leadership of Brother Scott Pedley, this property has undergone significant refurbishing, including a new roof, new windows and siding, as well as new ceiling and new lighting on the interior. This building is believed to be the oldest Masonic structure currently in use in Wisconsin. Olive Branch Lodge was chartered in 1845. The grounds contain approximately 5.4 beautiful wooded and grassy acres.

General Operations. General operations went smoothly. We recognize with gratitude the cooperation and assistance provided to us by Grand Secretary, Michael DeWolf, PGM, and his staff for their outstanding contributions.

We also recognize the assistance provided by the maintenance staff of the Wisconsin Masonic Home for maintenance of the duplex and Grand Masonic Center.

By agreement, our Grand Secretary has the day-to-day responsibilities for the duplex and Center.

Recommendations

We continue our present investment policy.

We continue to strongly urge that Grand Lodge officers and the Development office pursue an aggressive plan for the proper solicitation of bequests and gifts for our Grand Lodge general operating fund.

Conclusion

On a personal note, I want to thank my fellow Grand Trustees for their hard work and time commitments. The expertise that each of them bring to the table is invaluable.

Fraternally and sincerely,

GRAND TRUSTEE'S REPORT SUPPLEMENT

Most Worshipful Grand Master White and delegates to the 168th Annual Communication of the Grand Lodge Free and Accepted Masons of Wisconsin, the Grand Trustee's report has been made available to you. I just want to take a few minutes to summarize it and any changes since that report was prepared.

The past year has been a busy year for your Grand Trustees. We spent a good part of the year on real estate matters. As you know, the Grand Trustees are responsible for the management of all real estate owned by the Grand Lodge. We do coordinate our decisions regarding the real estate with the Grand Lodge Executive Committee.

During the past year we disposed of the property commonly referred to as the New London Apartments. It was a property in a weak real estate rental market and one that was showing negative cash flow, especially when taking into consideration the cost to maintain in the future.

We are also in the process of trying to sell the properties heretofore owned by Evergreen Lodge in Stevens Point. It is definitely our intent to assist the brothers in that lodge to survive but the financial commitment they had with two properties was more than their current membership could afford. The Grand Master has been adamant that we work hard to assist the lodge as they go forward.

The Van Brunt Hall on the Three Pillars Campus in Dousman and its future use are now agenda items for the Grand Trustees, the Masonic Home and the Grand Lodge. An ad hoc committee, being chaired by Past Grand Master Joe Harker, is studying the best use for the property after it is razed. This is ongoing and you will hear more about it in the future.

In the report you have already received you were given investment figures as of March 31, 2012. As of April 30, 2012, the end of our fiscal year, the market value

of our investments was \$9,542,959. This is after cash disbursements of \$376,438. Our May 1, 2011 beginning market value of our total investments was \$9,946,996. So this past 12 months was pretty much a break even year.

It has been my pleasure to serve as your Grand Trustee for the past five years. I especially want to thank fellow trustees, Guy Gooding, Steve Ritt, Bruce Lasko and PGM Larry Myers for all their hard work and time given during the past year. They are truly committed to our fraternity.

Grand Master, I move that this supplement to the written report already provided, and that report be approved and adopted.

Faternally,

Robert C. Gorsuch, Chairman

Independent Auditor's Report

Executive Committee and Trustees
Grand Lodge Free and Accepted
Masons of Wisconsin
Dousman, Wisconsin

We have audited the accompanying statements of financial position of Grand Lodge Free and Accepted Masons of Wisconsin as of April 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Grand Lodge's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Grand Lodge Free and Accepted Masons of Wisconsin as of April 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge) is a nonprofit fraternal organization founded in Wisconsin on December 18, 1843. The Grand Lodge serves as the organizing body of Freemasonry in the State of Wisconsin, in which 183 separate lodges are affiliated. The Grand Lodge's revenues are derived primarily from investment income, per capita tax, and contributions. The fiscal year ends on April 30. Significant accounting policies followed by the Grand Lodge are presented below.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Accounts and Notes Receivable

Accounts receivable are uncollateralized obligations and are stated at the invoice amount. Notes receivable are stated at the principal amount and secured with the debtor's property. Payments of accounts receivable are applied to the specific accounts. Payments of notes receivable are allocated first to unpaid interest with the remainder to the outstanding principal balance.

The carrying amount of accounts and notes receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectibility of specific accounts and the aging of the accounts receivable. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts.

Inventory of Supplies

Inventory of supplies is stated at lower of cost or market, with cost determined on the first-in, first-out (FIFO) basis.

Investments

Investments are reported at fair value and are held by a trustee bank. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The bank executes investment transactions at the direction of independent investment managers.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments (continued)

Unrealized appreciation and/or depreciation is recognized in the statements of activities. The determination of realized gains or losses on sales of securities is based on cost and is determined using the specific identification method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments are pooled for investment management purposes. Under the pooling arrangement, investment income and gains and losses on investment transactions are allocated to the individual funds based on their relative market values to the entire pool at the beginning of the monthly measurement period.

Property and Equipment

Property and equipment are recorded at cost. Donated property and equipment are recorded at fair value at the date of donation, which is then treated as cost. The assets are depreciated on the straight-line basis over their estimated useful lives, ranging from five to forty years.

Impairment of Long-Lived Assets

The Grand Lodge reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

Revenue Recognition

Per capita tax revenues are recognized in the fiscal year in which the member receives the privileges that membership offers.

Security Deposits

Security deposits represent refundable lease deposits made by tenants in the New London apartments.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets

Net assets are classified into one of three classes of net assets based on the existence or absence of donor-imposed restrictions. The following is a description of each class.

Unrestricted

Unrestricted net assets include all net assets which are neither temporarily nor permanently restricted. Unrestricted net assets of the Grand Lodge consist of the following:

General - This represents the portion of unrestricted funds available for the general operating purposes of the Grand Lodge.

Investment in property and equipment - This represents the net book value of Grand Lodge property and equipment.

Buildings and equipment - This represents the portion of unrestricted funds designated for replacement and improvements of Grand Lodge buildings and equipment. This reserve was established in a prior year by the Board of Trustees. This reserve is funded to the extent of annual depreciation and disposals, and decreased for actual acquisitions of property and equipment.

Service and assistance - This portion of the unrestricted fund represents funds designated, by the expenditures committee, for the provision of relief assistance to certain lodge members or their surviving spouses. These activities are administered by the Service and Assistance Board.

Masonic Youth Fund - This represents funds designated for the funding and assistance of Masonic Youth activities. These activities are administered by the Youth Funding Policy Committee.

Perpetual Membership Plan - This represents the portion of unrestricted funds designated to support the Grand Lodge's Perpetual Membership program.

Temporarily Restricted

Temporarily restricted net assets include contributed net assets for which donor-imposed time and/or purpose restrictions have not been met and the ultimate purpose of the contribution is not permanently restricted. Temporarily restricted net assets of the Grand Lodge consist of the expendable portion of the Van Brunt Fund, the annual income of which is distributed to the Wisconsin Masonic Home, an affiliated entity, in accordance with the restrictions of the donor.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets (continued)

Permanently Restricted

Permanently restricted net assets includes contributed net assets which require, by donor restriction, that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions. Permanently restricted net assets of the Grand Lodge consist only of the unexpendable principal of the Van Brunt Fund.

The Board of the Grand Lodge has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. Consequently, the Grand Lodge classifies permanently restricted net assets as:

- The original value of gifts donated to the permanent endowment, and
- The original value of subsequent gifts to the permanent endowment.

The remaining portion of the donor-restricted endowment fund not classified as permanently restricted is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Grand Lodge's Board. In accordance with UPMIFA, the Grand Lodge considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Grand Lodge and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Grand Lodge
- The investment policies of the Grand Lodge

The Grand Lodge has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the program supported by the endowment. The endowment assets are invested in a manner that is intended to produce investment growth comparable to the Consumer Price Index, while assuming a moderate level of investment risk.

The Grand Lodge relies on a total return strategy in which investment returns are achieved through capital appreciation and current yield (interest and dividends). The Grand Lodge targets a diversified asset allocation that emphasizes equity and fixed income securities to achieve its long-term objectives within prudent risk constraints.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets (continued)

Permanently Restricted (continued)

The Grand Lodge has a policy of appropriating the endowment funds' annual earnings for distribution. In establishing this policy, the Grand Lodge considered the long-term expected returns on its endowment investments. Accordingly, over the long-term, the Grand Lodge expects the current spending policy will allow its endowment to retain the original fair value of the gift.

Contributions

Donated property is recorded at fair value at the date of donation, which is then treated as cost. Contributions represented by bequests are recorded when the Grand Lodge receives notice from the donor's estate that it is a beneficiary to the estate.

Program Expenses

Perpetual Membership Plan

Contributions to this plan, plus the earnings thereon, are used to pay the lodge dues and per capita taxes of the plan participants. Under this plan, a Grand Lodge member pays a one-time fee to the plan, as defined. The plan then pays the member's annual lodge dues to his lodge and annual per capita tax to the Grand Lodge, in perpetuity. According to the Masonic Code of Wisconsin, a dividend is to be paid to the respective lodges at least every five years to the extent that the plan has produced income in excess of amounts reasonably necessary to meet projected plan obligations. No such dividends were paid during 2012 and 2011.

Charitable Activities

Consists primarily of expenditures for the provision of relief assistance to certain lodge members or their surviving spouses. Other expenditures for charitable activities represent support provided for various other Masonic related activities.

Grand Lodge Officers and Committees

Expenditures necessary for the operation and support of Grand Lodge committees and officers in the dispensation of their required duties.

Annual Communication

Expenses incurred directly related to the planning and execution of the Annual Communication of the Grand Lodge of Wisconsin.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Program Expenses (continued)

Wisconsin Masonic Journal

Expenses incurred in the publishing and distribution of the Wisconsin Masonic Journal, a monthly Masonic newsletter.

Farm

Represents expenses incurred for the maintenance of the farm land, buildings and equipment which are leased to an outside party.

New London Apartments

Represents expenses incurred for maintenance and repairs of an apartment building in New London, Wisconsin, which leases apartments to outside parties.

Income Taxes

The Internal Revenue Service (IRS) has issued a determination letter granting the Grand Lodge an exemption from federal income tax under IRS Code Section 501(c)(10). However, income received from certain activities is subject to income tax as unrelated business income. No income tax expense has been recorded in the financial statements as cumulative unrelated business net operating loss carryforwards would offset any current tax liability. In addition, a 100% valuation allowance has been provided against the deferred tax asset resulting from the net operating loss carryforwards. Management is not aware of any items that could cause revocation of the tax-exempt status.

The 2009, 2010, and 2011 federal and state income tax returns of the Grand Lodge are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.

NOTE 3 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Grand Lodge has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Grand Lodge at year-end.

Common stocks are valued at the closing price reported in the active market in which the individual security is traded.

Corporate bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

U.S. government bonds are valued at the most recent price of the equivalent quoted yield for such securities, or those of comparable maturity, quality, and type.

Money market funds represent ownership of units of participation rather than ownership of specific assets. The value of a unit of participation is the total value of the fund divided by the number of units outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Grand Lodge believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - RETIREMENT PLAN

The Grand Lodge has a supplemental savings and retirement plan qualified under Section 401(k) of the Internal Revenue Code. The plan is available to substantially all employees. Eligible employees may contribute up to 15% of their eligible salary. The Grand Lodge may make matching contributions equal to a percentage of each participant's salary reduction contribution, plus additional amounts determined at the discretion of the Executive Committee. For the years ended April 30, 2012 and 2011, the Grand Lodge has contributed to participants' accounts 4.5% of their compensation under the plan. The Grand Lodge's expense under the plan for the years ended April 30, 2012 and 2011 was \$10,183 and \$7,350, respectively.

NOTE 7 - LEASED PROPERTY

The Wisconsin Masonic Home, Inc., Masonic Village on the Square, Inc., and Masonic Health Care Center, Inc. (collectively, the Three Pillars), affiliated Masonic entities, lease a portion of land owned by the Grand Lodge under 99-year leases at \$1 per year each. The lease agreements provide that land improvements, building additions, and equipment purchased by the Three Pillars shall become the property of the Grand Lodge if certain conditions are not met. The Masonic Village on the Square, Inc. has used its property as collateral under a mortgage obligation.

Net land, land improvements, buildings, building improvements, furniture and equipment	<u>\$ 31,963,108</u>	<u>\$ 26,495,202</u>

The Wisconsin Masonic Home, Inc. also leases another portion of land owned by the Grand Lodge for its Compass Point facility. The lease began in 2005 and continues for a period of 30 years. The Wisconsin Masonic Home, Inc. is to pay \$35,000 per year in rent to the Grand Lodge.

The Three Pillars entered into a lease agreement in January 2010 with the Grand Lodge in connection with the Masonic Center for Health and Rehab, Inc. SNF/Rehab project. Under this lease, the members of the Three Pillars agreed to pay the following annual amounts to the Grand Lodge each year. The payments are due as follows on February 1: \$65,000 in 2013, \$85,000 in 2014, and \$120,000 thereafter through 2035.

The Grand Lodge also leases land for use in farming activities. The lease extends through December 2013 with annual rental payments of \$23,150. The Grand Lodge has a right to terminate all or part of the lease upon 30-day written notice.

Future minimum lease payments to be received under these leases are as follows:

2013	\$ 123,153

NOTE 8 - ASSETS HELD FOR SALE

The Grand Lodge assumed two properties previously owned by one of their member lodges in Stevens Point, Wisconsin in lieu of payment on a note receivable. The property held for sale consists of two parcels of land, with one building on each parcel. Upon the transfer of the properties, the Grand Lodge recorded a gain in the amount of \$70,000 to adjust the recorded amount to fair value. This gain is included in other support and revenues on the statement of activities.

At April 30, 2012, the Grand Lodge is leasing the buildings while in the process of looking for a buyer for the properties.

NOTE 9 - RELATED PARTY TRANSACTIONS

The Grand Lodge is affiliated with the Wisconsin Masonic Foundation and the Wisconsin Masonic Home, Inc. through representation on the Board of Directors. The Grand Lodge provides facilities as well as administrative and clerical services to the Wisconsin Masonic Foundation. The Wisconsin Masonic Foundation paid administrative charges to the Grand Lodge of \$6,012 during the years ended April 30, 2012 and 2011. The Grand Lodge also incurs fundraising costs on behalf of the Wisconsin Masonic Foundation, as well as the Wisconsin Masonic Home, Inc. Total fundraising expenses charged and reimbursed by related parties in 2012 and 2011 were \$196,114 and \$204,172, respectively. Total amounts receivable from related parties for administrative, clerical, and fundraising services were \$10,706 and \$15,219 at April 30, 2012 and 2011, respectively.

NOTE 10 - CONCENTRATIONS OF CREDIT RISK

The Grand Lodge maintains the majority of its cash and investments in one commercial bank. Balances on deposit are insured by the Federal Deposit Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC), respectively, up to specified limits. Balances in excess of these limits are uninsured.

WISCONSIN MASONIC FOUNDATION BOARD REPORT

To the Grand Lodge of Free & Accepted Masons of Wisconsin;

Most Worshipful Grand Master of Masons in Wisconsin, Davey L. White, Jr.; Right Worshipful Deputy Grandmaster, Dennis V. Siewert; Grand Lodge Elected and Appointed Officers, Honorable Past Grand Masters, and Brother Masons All:

The Directors of your Wisconsin Masonic Foundation continued to exercise their prudent approach to the fiscal management of the foundation's assets. Principal balances of all the endowed and special-named funds of the Foundation have appreciated slightly over the past fiscal year, showing a modest growth of between 1% and 2%.

Likewise, our grants program continues with its 5% annual distribution of the net assets of the Foundation as established in the disbursement policy.

Unaudited grants and disbursement totals for the fiscal year ending April 30, 2011 are as follows:

Wisconsin Masonic Home Endowment - \$708,992.50 to assist in overall services to
Three Pillars residents
Masonic Foundation Matching Scholarships - \$260,500.00 to 276 graduates
Donor Designated Scholarships - \$76,371.00 to recipients
Medical Fund matching grants - \$30,952.35 to 22 communities across the state
Special-named fund grants - \$47,597.00 to 7 Masonic and community charities

Thanks to the work of our development staff, two new gift annuitants were added and one new donor-advised fund was obtained this year. The Wisconsin Masonic Journal fund has increased its holdings and we were also able to support the new Masonic Anniversary card program.

This past year, the Foundation secured membership in the Donors Forum of Wisconsin. This will be an excellent vehicle for our development team's external contact program as it will bring them into close association with many of the top charitable organizations throughout Wisconsin.

Our heartfelt thanks go out to you and all of our Masonic family members. Your continued generosity makes everything that we do possible.

Fraternally submitted,

Independent Auditor's Report

Board of Directors
Wisconsin Masonic Foundation
Dousman, Wisconsin

We have audited the accompanying statements of financial position of Wisconsin Masonic Foundation as of April 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Masonic Foundation as of April 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

WISCONSIN MASONIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
April 30, 2012 and 2011

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Wisconsin Masonic Foundation (the Foundation) was organized on July 9, 1925. The Foundation provides ongoing support to the Wisconsin Masonic Home, Inc., matching scholarships to local area high schools of member lodges, support to hospitals and health care facilities in Wisconsin, and makes restricted charitable contributions to others in accordance with the wishes of the donor. The Foundation's revenues are derived primarily from contributions and investment earnings. The fiscal year ends on April 30. Significant accounting policies followed by the Foundation are as follows.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Investments

Investments are reported at fair value and are held by a trustee. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The trustee executes investment transactions at the direction of investment managers.

Unrealized appreciation and/or depreciation is recognized in the statements of activities. The determination of realized gains or losses on sales of securities is based on cost and is determined using the specific identification method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

The Foundation maintains various investments, including mutual funds and common stocks, which are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

WISCONSIN MASONIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
April 30, 2012 and 2011

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Gift Annuities

The Foundation administers split-interest agreements, which are primarily charitable gift annuity plans. Assets are invested and payments are made to donors and/or other beneficiaries in accordance with the respective agreements. Revenue from charitable gift annuities is recognized at the date the agreement is established, net of the liability recorded for the present value of the estimated future payments to be made to the respective donors and/or other beneficiaries. The present value of payments to beneficiaries of charitable gift annuities is calculated using discount rates, which represent the risk-free rates in existence at the date of the gift. Gains or losses resulting from changes in assumptions and accretions of the discount are recorded as increases or decreases in net assets in the statements of activities.

Net Assets

Net assets are classified into one of three classes of net assets based on the existence or absence of donor-imposed restrictions. The following is a description of each class:

Unrestricted

Unrestricted net assets include all net assets which are neither temporarily or permanently restricted.

Temporarily Restricted

Temporarily restricted net assets include contributed net assets for which donor-imposed time and/or purpose restrictions have not been met and the ultimate purpose of the contribution is not permanently restricted.

Permanently Restricted

Permanently restricted net assets include contributed net assets which require, by donor restriction, that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

The Board of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. Consequently, the Foundation classifies permanently restricted net assets as:

- The original value of gifts donated to the permanent endowment, and
- The original value of subsequent gifts to the permanent endowment.

WISCONSIN MASONIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
April 30, 2012 and 2011

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets (continued)

Permanently Restricted (continued)

The remaining portion of the donor-restricted endowment fund not classified as permanently restricted is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation's Board. In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Foundation and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs supported by the endowments. The endowment assets are invested in a manner that is intended to produce results similar to a blended rate of return on the S&P 500 index and Lehman Intermediate Bond Index, while assuming a moderate level of investment risk.

The Foundation relies on a total return strategy in which investment returns are achieved through capital appreciation and current yield (interest and dividends). The Foundation targets a diversified asset allocation that emphasizes equity and fixed income securities to achieve its long-term objectives within prudent risk constraints.

The Foundation has a policy of appropriating 5% of the endowment funds' average balance over the prior four years for distribution on an annual basis. In establishing this policy, the Foundation considered the long-term expected returns on its endowment investments. Accordingly, over the long-term, the Foundation expects the current spending policy will allow its endowment to retain the original fair value of the gift.

Contributions

Donated property is recorded at fair value at date of donation, which is then treated as cost. Contributions represented by bequests are recorded when the Foundation receives notice from the donor's estate that it is a beneficiary to the estate.

If necessary, the carrying amount of contributions receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance is based on management's assessment of the collectibility of specific contributions. All contributions or portions thereof deemed to be uncollectible are written off to the allowance for doubtful accounts.

WISCONSIN MASONIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
April 30, 2012 and 2011

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Program Expenses

Wisconsin Masonic Home, Inc.

The Foundation administers the Wisconsin Masonic Home Endowment Fund (the Endowment Fund). Contributions to this fund are invested in perpetuity and are not expendable. The net investment income of this fund is restricted for use in the general operations of the Wisconsin Masonic Home, Inc. (the Home), an affiliated organization. The amount to be disbursed annually to the Home is computed as five percent of the average net assets of the Endowment Fund, based on a four-year rolling average.

High School Scholarship Programs

The Foundation administers two high school scholarship programs. Under these programs, the Foundation disburses matching or fully funded scholarships to Wisconsin area high schools as designated by member Masonic lodges or Masonic fraternity members. These scholarships are paid from the general unrestricted operating funds of the Foundation.

Special Funds

This represents various endowment contributions received, in which the Foundation administers the funds in accordance with the donor's specific instructions. These funds are restricted primarily for scholarships and for distributions to other Masonic organizations. The amounts to be disbursed annually from these funds are computed as five percent of the average net assets of the funds, based on a four-year rolling average.

Wisconsin Masonic Journal - Widows' Subscriptions

The Foundation pays annual subscription fees to the Wisconsin Masonic Journal on behalf of widowed spouses of Masonic fraternity members.

Symbolic Lodge Health Care Matching Program

Under this program, the Foundation's Medical fund will match funds submitted by Wisconsin Masonic Lodges toward contributions to local community hospitals or health care centers.

Soccer Program

This program hosts annual all-star soccer games for Wisconsin's graduating scholar athletes. The proceeds from the games provide funding for an annual youth soccer camp that teaches soccer fundamentals and sportsmanship to underprivileged youth.

Income Taxes

A provision for income taxes has not been made, nor is required, in the financial statements as the Foundation is exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The federal and state income tax returns of the Foundation for 2009, 2010, and 2011 are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.

NOTE 3 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used at April 30, 2012 and 2011, for assets measured at fair value.

Common and preferred stocks are valued at the closing price reported in the active market in which the individual security is traded.

Mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Foundation at year-end.

Money market funds are valued at their net asset value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Foundation's assets at fair value as of April 30, 2012:

NOTE 4 - HIGH SCHOOL SCHOLARSHIP PROGRAMS

The Foundation sponsors a general high school scholarship program whereby the Foundation matches funds, submitted by the Wisconsin Masonic Lodges, toward scholarships for college bound high school students. Amounts submitted by various lodges for matching by the Foundation were \$55,050 and \$50,725 in 2012 and 2011, respectively. This program distributed matching scholarship funds of \$55,025 and \$50,700 during the years ended April 30, 2012 and 2011, respectively.

WISCONSIN MASONIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
April 30, 2012 and 2011

NOTE 4 - HIGH SCHOOL SCHOLARSHIP PROGRAMS (continued)

The Foundation also sponsors a special high school scholarship program. Under this program, the Wisconsin Masonic Lodges or individuals can make a one-time contribution of an amount between \$5,000 and \$25,000 and the Foundation will grant a perpetual scholarship between the amounts of \$400 and \$2,000, proportional to the amount of the contribution made, as defined in the program. The Foundation has received \$1,201,875 in contributions since the inception of the program. These funds are included in the unrestricted net assets general operations. The income generated from these funds is used for general purposes, including funding these scholarships. Contributions received related to this program totaled \$0 in 2012 and 2011. This program resulted in scholarship distributions of \$100,800 and \$98,650 in 2012 and 2011, respectively.

NOTE 5 - SYMBOLIC LODGE HEALTH CARE MATCHING PROGRAM

The Foundation sponsors the Symbolic Lodge Health Care Matching Program whereby the Foundation will match funds submitted by Wisconsin Masonic Lodges, pursuant to certain guidelines as specified by the Foundation's Board of Directors, toward contributions to local community hospitals or health care centers. Amounts submitted by various lodges for matching by the Foundation were \$34,078 and \$25,377 in 2012 and 2011, respectively. Matching distributions paid by the Foundation under this program were \$30,092 and \$25,377 in 2012 and 2011, respectively.

NOTE 6 - GIFT ANNUITIES

At April 30, 2012 and 2011, assets amounting to \$386,860 and \$402,013, respectively, relate to gift annuity plans. As required by the state of Wisconsin, these funds are held in a separate account. Included in gift annuities payable shown in the statements of financial position is the present value of the estimated future payments to be made to beneficiaries. The discount rate used in the present value calculations is 4.50% for the years ended April 30, 2012 and 2011. Amounts received under the gift annuity plans were approximately \$30,000 and \$55,000 for the years ended April 30, 2012 and 2011, respectively.

NOTE 7 - RELATED PARTY TRANSACTIONS

The Foundation is affiliated with the Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge) through their representation on the Board of Directors. Facilities costs as well as certain general administrative, clerical, and fundraising services are generally provided by the Grand Lodge. The Foundation expensed \$106,349 and \$111,001 in 2012 and 2011, respectively, for such costs. Accounts payable to the Grand Lodge for these costs were \$9,816 and \$8,512 at April 30, 2012 and 2011, respectively. The Foundation also has a payable to the Home of \$56,701 and \$49,395 for earnings on the Endowment Fund.

EDUCATION COMMITTEE REPORT

To The Grand Lodge Of Free & Accepted Of Wisconsin;

The Grand Lodge Education Committee continues to serve the craft offering programing and educational tools to local Lodges and all members of the craft.

This past year a rotation has begun to keep the chapters of the Grand Lodge Handbook updated by members of the Grand Lodge Planning Committee. The monthly columns written by the Grand Chaplain and the Grand Lecturer have received great reviews for their information, interpretation and practical applications regarding our ritual and other questions asked by the Membership.

The office of Grand Orator is becoming a more viable and visible position. This year a description of the position of Grand Orator has been added to the Grand Lodge Officers Handbook. They include:

- makes introductions at various Masonic gatherings and makes initial remarks at dinners, meetings, special events etc. as needed or requested.
- manages and directs a Speakers Bureau of qualified individuals capable of speaking knowledgeably on specifically requested topics of discussion.
- sits on the Grand Lodge Education Committee.
- confers with the Annual Communication Committee with input regarding educational programing at the Annual Communication.
- is required to attend as many assigned meetings and functions as possible without interfering with his religion, family and vocation. He should be in constant communication with the Grand Master.
- should be able to help all Grand Officers with programing at different functions.

We hope the Three Minute Mason sent to the Lodges by the Masonic Service Association is being used for educational purposes. The Lodge Excellence Award is also designed for the purpose of providing Masonic Education to the Lodge Membership. The Grand Lodge Education Committee is working with the Annual Communications Committee and the Planning Committee to enhance our Annual Communication in becoming a premier event.

We would like to acknowledge the Most Worshipful Grand Secretary, Michael A. DeWolf, and the Grand Lodge Office Staff for their help this past year. They have maintained the Grand Lodge website, sent out awards and educational materials on a timely basis. Please note the amount of educational and reference materials that are available on the Grand Lodge website including all past and current issues of the Wisconsin Masonic Journal. There are also educational links available on the website.

Please contact any member of the Grand Lodge Education Committee for any special programing for your special lodge, area or district events.

Sincerely & Fraternally,

ESOTERIC COMMITTEE REPORT

To the Grand Lodge of Free and Accepted Masons of Wisconsin:

The Esoteric Committee met two times this year; immediately after the Grand Lodge Annual Communication on June 11, 2011 in Madison, and on March 3, 2012 in Wausau, Wisconsin at Forest #130 Lodge.

Current District Lecturers and Esoteric Committee members:

District #1	Scott Larson	District #2	Harold Christiansen
District #3	Tony Budaj	District #4	Moses Adams
District #5	Michael Barreyro	District #6	Roger Magoon
District #7	Harold Carpenter	District #8	Kevin Germaine
District #9	Henry Pynakker	District #10	J. Patrick Storrs
District #11	Shane Beecraft	District #12	Frank Mayer

The following report is submitted for consideration for the year of 2011 – 2012.

All lodges were scheduled for schools of instruction during the year, and School of Instruction schedules were published for all twelve districts. Schools were given either by Area, or if the lecturer preferred, they were handled on an individual lodge basis. This is also done to accommodate scheduling for the lodges. There are 127 proficiency men in the state along with 64 ritualists. These brothers are spread across the districts, which is a nice base of knowledge to help lodges that are weak in the ritual.

The lecturers continue to promote teaching ritual in the lodges rather than leaving it strictly to demonstration. The teaching method is well received by newer members who were appointed to officer's positions without having the benefit of observing degrees and the ritual work before taking on a position of responsibility. This was the first year of the three-year teaching plan. By the end of three years most of the ritual work will have been covered in the schools.

On March 31st, the Esoteric Committee held a degree competition. Only two lodges competed. The competition was based on the second section of the Master mason degree. The two lodges competing performed well and the work demonstrated was second to none.

This committee also reviewed resolution 6-2011 and listed below is its recommendations to Most Worshipful Grand Master, Brother Davey White.

Proposed Change: During the opening and closing of a lodge, the Chaplain of the lodge would face to the north whenever the Senior Deacon faces south rather than facing west.

Recommendation: This would be a good change. Currently the Chaplain has his back to the Master. There appears to be no good reason not to have him turn and face the Senior Deacon when standing. Doing this allows him to keep his attention on the Master, especially when giving the signs. The Esoteric committee recommends this cosmetic change.

Proposed Change: *During the opening and closing of a lodge, the Chaplain would give the opening and closing prayer while kneeling at the altar.*

Recommendation: There is no requirement in the cipher for the Chaplain to remain at his chair during the opening and closing prayer. Even though this change would display a more solemn and humble attitude of prayer, it should be considered that some Chaplains might not be able to physically kneel at the Altar. The Esoteric committee does not recommend this change in its current form. It would be better if it was stated as being an option.

Proposed Change: *During the EA degree, the Chaplain accompanies the WM to a place near the altar and gives the opening prayer, which is now given by the WM.*

Recommendation: This is not the opening prayer. This is one-on-one time between the candidate and the Master to talk to his creator before proceeding on his important journey. It would stop the flow of the Master, and the committee feels there is no advantage to the candidate or lodge members by adding this extra confusion. The Esoteric committee does not recommend this change.

Proposed Change: *During the degrees, allow the Chaplain's speech [Bible verses] during the circumambulation to be given either while standing by his chair or walking behind the candidate.*

Recommendation: The purpose behind this change would be to allow the candidate to clearly hear the Bible verse while circumambulating the Lodge room. This action would focus everyone's attention toward the candidate. The Esoteric committee does not recommend this change in its current form. It should be optional.

Proposed Change: *During the closing of a lodge, when forming a square, change the positions of the Chaplain and Secretary so that the Chaplain forms the southeast corner facing west and the Secretary moves to the southeast corner facing north, completing the square.*

Recommendation: The Esoteric committee discussed this in depth, and finds no reason to make this change. Not recommended.

Proposed Change: *For a proposed grammar change to one word used in all three degrees as part of the obligation from "whatever" to "whatsoever".*

Recommendation: Both words are synonyms and have the same meanings. There is no good reason to make this change other than “whatsoever” is usually used by Masters when obligating. It is the Esoteric committee’s recommendation that the cipher should not be change to accommodate a common mistake. Learn the correct wording and use it. Not recommended.

In conclusion, the degree work is what makes our fraternity special. These lessons are important in making men into Masons. It is a huge job to keep the level of proficiency where it is and strive to make gains each year. We have been successful in making these gains through the unselfish dedication of the District Lecturers who also double as members of the Esoteric Committee. Much appreciation goes out to our District Lecturers and their efforts along with the sharing of their time and talents.

Respectfully submitted,

Kenneth C. Gorgen

FOREIGN RELATIONS COMMITTEE REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

List of Recognized Grand Lodges

The Grand Secretary has provided a list of the Grand Lodges recognized by the Grand Lodge of Wisconsin on the Grand Lodge website. You may consult <http://www.wisc-freemasonry.org/publications/recognition/>. Jurisdictions with websites are hot-linked. This will be of help to the brethren and we commend the Grand Secretary for providing the list.

Tahiti

The Grand Lodge of Tahiti was constituted on December 21, 2011, from three lodges previously chartered by the Grande Loge Nationale Francaise. This new Grand Lodge practices regular Masonry and is a sovereign territory. The Commission on Information for Recognition of the Conference of Grand Masters of North America has found that Tahiti meets the standards for recognition. The Grand Lodge of Tahiti has requested recognition by the Grand Lodge of Wisconsin. The Committee recommends that recognition be granted to Tahiti.

Grande Loge Nationale Francaise

Problems have developed within the National Grand Lodge of France. The Commission on Information for Recognition reported that some 28 regular Grand Lodges, including six in the United States and one in Canada, have now suspended fraternal relations with the National Grand Lodge of France. The Committee does not recommend that any action be taken by the Grand Lodge of Wisconsin at this time, but the Committee will continue to monitor the situation.

I move adoption of this report.

Faternally,

Allan E. Iding, P.G.M., Chairman
Michael A. DeWolf, P.G.M., Grand Secretary

LODGE CHARTERS & CONSOLIDATIONS COMMITTEE REPORT

To The Grand Lodge of Free & Accepted Masons of Wisconsin;

Our report is based on the following from the Wisconsin Masonic Code;29.04 Committee on Lodge Charters and Consolidations. It shall be the duty of the Committee on Lodge Charters and Consolidations:

- To assist in the granting, consolidating or surrendering of charters.
- To examine the records of proceedings and of work done, and the by-laws of each lodge under dispensation.
- To make a report on the regularity of the work and proceedings; the correctness of the records and by-laws of lodges under dispensation; and if a charter

is recommended, the name and number of the lodge, the locality in which it is established, and the names of the three principal officers.

- To report all consolidations and charters surrendered

During this Grand Lodge year one (1) charter has been surrendered and one (1) new Charter granted. On August 21, 2012 Benton Lodge #268 surrendered its charter and received a new Charter as Olive Branch #6. Benton Lodge was meeting in the original building of Olive Branch Lodge, which is located in New Diggings at the site of the Masonic Cemetery. The New Diggings site is owned by the Grand Lodge of Wisconsin. Benton Lodge had been meeting there but the historical building had fallen into disrepair. Benton Lodge with some help from the Grand Trustees has resurrected the building. Benton Lodge thought it only fitting to change their name to Olive Branch Lodge #6. Details and pictures of the event can be found in the September 2011 Wisconsin Masonic Journal.

The By-Laws of Nine Rivers Lodge have been reviewed and passed to the Jurisprudence Committee for approval. With their approval a Charter should be granted at the 168th Annual Communication.

On July 25, 2011 the charter of Arcadia Lodge was suspended by Grand Master, Davey L. White Jr. This action was taken so that Arcadia could restructure its leadership, evaluate their facilities and develop goals for the future.

Respectfully submitted,

TEMPLE PLANS AND FINANCE COMMITTEE REPORT

To the Grand Lodge Free and Accepted Masons of Wisconsin:

29.12 Committee on Temple Plans and Financing. It shall be the duty of the Committee on Temple Plans and Financing to prepare and maintain a book of plans, specifications and appropriate costs of Masonic Temples, to counsel lodges on costs, plans, requirements for building and financing and to make recommendations for approval or disapproval of such plans to the Grand Master.

The committee has been assisting several Lodges this year with the remodeling of existing building into Masonic Lodges. In addition, the committee is consulting with other Lodges on possible alternatives with their existing buildings. The committee is also working on updating the existing *Book of Plans* as well as developing building life cycle maintenance guidelines. This work will continue on with the committee next year.

Lodges receiving assistance this year:

- **Neosho-Mayville-Horicon 108:** The Lodge acquired a vacant church in Hustisford and has remodeled it for use as a Lodge. The cornerstone ceremony was performed on May 12, 2012.

- **Dodge County 72:** The Lodge acquired a vacant commercial building in Beaver Dam and has remodeled it for use as a Lodge. The cornerstone ceremony was performed on May 27, 2012.
- **Hurley 237:** The Lodge acquired a vacant medical clinic building and is in the process of remodeling the building. The date of the cornerstone ceremony is to be determined.
- **West Allis 291:** The Lodge remodeled the kitchen in their building. The committee verified that the proper procedures were followed with respect to local ordinances.
- **Oconomowoc-Hartland 42:** The committee is working with the Lodge on the proper procedures for the sale of their existing building and then on the acquisition of an existing building that can be remodeled or land for the building of a new building.
- **Wisconsin Rapids 128:** The committee is working with the Lodge on possible alternatives to their existing building and concerns about its present condition.

The committee is ready and willing to assist any Lodge considering remodeling or selling existing Lodge buildings, or purchasing an existing building or land to build. Members of the committee possess great knowledge and experience in the construction and project management fields.

It has been a pleasure for members of the committee to serve the craft this year and look forward to serving the craft in the years to come.

YOUTH FUNDING COMMITTEE REPORT

The purpose of the Youth Group Funding Committee is to direct and allocate funds to meaningful projects beneficial to the total membership of the Masonic Youth Groups of DeMolay, Rainbow for Girls and Job's Daughters.

The following criteria are established, and no funds will be distributed until the guidelines are met.

- Each organization must submit a current operating budget to the JGW.
- Each organization must have their tax-exempt status on file at the Grand Lodge Office.
- A letterhead memo with the number of members as of January 1, 2011 submitted to the JGW.

Criteria for Special Grants to the Youth Organization.

- A Grant Request must be submitted to the proper youth group governing body for its approval.
- The Approved Grant will then be forwarded to the Youth Funding Committee for consideration.

The committee met on September 21, 2011 at the Grand Lodge Office in Dousman and approved the following allocations for the Grand Lodge Year.

ITEM	IODM	IO-JD	IOR
<i>Membership as of 1/1/2011</i>	200	234	33
<i>Base Amount</i>	\$3,000.00	\$3,000.00	\$3,000.00
<i>\$35 per Member</i>	\$7,000.00	\$8,190.00	\$1,155.00
<i>Special Grants (to be used by March 1, 2012)</i>	\$ 500.00		\$ 700.00
<i>Total</i>	\$10,000.00	\$11,690.00	\$4,855.00

Total Funds Allocated for 2010-2011 = \$26,545.00

Special Grant expenditures:

- The International Order of Job's Daughters expended \$421.84 out of the \$500 grant.
- The International Order of Rainbow did not request allocated grant monies by March 1, 2012.

EDUCATIONAL PRESENTATION MASONIC SERVICE ASSOCIATION

MW George O. Braatz, Executive Director:

"Most Worshipful Grand Master, Right Worshipful Deputy Grand Master and Brethren, good afternoon. This is not my first visit to the Grand Lodge of Wisconsin. I have been here a couple times in years past and had a good opportunity many years ago when I was visiting this state for business to stop in and visit a lodge in Stevens Point. Wisconsin Masonry is very close to me and I appreciate the warm welcome this year as I am in my new position with the Masonic Service Association."

"I am reminded of a little story that happened many years ago. I was shaving one morning in the bathroom and my 3-year old son Michael came up and kneeled on the countertop and we were looking in the mirror together as I was shaving and he said, 'Dad, did God make you?' and I said, yes Mike, God made me and he said, 'Did God make me?' I said yes, God made you too. He looked at our two faces in the mirror and said, 'He's been doing a lot better job lately.' Now I am confident that the Grand Lodge of Wisconsin, as I feel that all of Masonry, is doing a little bit better job lately. That is something that we can all be thankful for and celebrate."

"The Masonic Service Association in North America has four areas of service; education and publications (probably the most prominent is our Short Talk Bulletins), our hospital visitation area, our Masonic Information Center, which provides accurate information to the public, and our disaster relief area. Disaster relief last

year, for example, distributed more than \$400,000 in aid after some natural disasters. I would like to mention a little more detail on the hospital visitation program in which we have 183 certified coordinators and representatives, which regularly visit the 197 veterans hospitals around the country. I am very pleased to see your banner up there because what it speaks of is what we stand for and what our hospitals do every day. This program is really what launched the Masonic Service Association back in 1919. MSA is only one of 57 organizations that are nationally certified by the VA to perform these visitation services in their hospitals. We surely want to thank the Grand Lodge of Wisconsin's MSA coordinator, MW Bro. Beecher Daniels, who unfortunately is not here because of a loss that he has suffered, but also four of our hospital representatives: Brothers Laverne Storkson, Charles Wallens, Harry Smith, and Thomas Dowman for all the work they do to assist our veterans in their hospitals, and to the many other volunteers that give of their time. In recognition for what you have done and what your leadership has done, I would like to read this plaque; 'Certificate of presentation to Davey L. White, Jr., Grand Master of Wisconsin, in sincere appreciation for your abiding interest in and strong support of the Masonic Service Associations program. You have given time to our national hospital visitation program and you have encouraged the MSA representatives, deputies and volunteers of Wisconsin. With this certificate go our best wishes for continued success and service to our gentle craft.'

"Thank you very much for what you have done and for what all your Grand Lodge has done for the MSA."

RESOLUTION NUMBER 4-2012

Submitted By: Morning Star Lodge No. 10

Section(s) Affected: 65.04 and 71.15

Vote Required for Adoption: 75%

Purpose: To allow an Entered Apprentice or Fellowcraft to attend various meetings and to clarify voting rites.

Resolved, that Section 65.04 be amended as follows: At a stated communication a lodge must open and close on the Master Mason degree, ~~on which degree all of the business of the lodge shall be transacted; it may call down to a lower degree for examination or work.~~ "The Master, at his discretion, may close the Lodge of M.M. and open a Lodge of a lower degree for the purpose of examination, and/or degree work. and/or the transaction of business. EA's and/or FC's shall be allowed to enter the lodge at this time and whiteness lodge business proceedings but will not be allowed to vote. The Lodge shall then be closed in due form pursuant to the last degree."

71.15 Majority Vote. A majority vote of ~~those~~ members present shall govern in all cases unless otherwise provided.

169th ANNUAL COMMUNICATION

The 169th Annual Communication of the Grand Lodge of Wisconsin will be held in the city of Madison, Wisconsin commencing on the First Friday, being the Seventh day of June, 2013 at 8:30 a.m.

REPRESENTATIVE BANQUET

The reception and a dinner of beef tenderloin followed the installation of officers. The dinner was attended by approximately 450 persons in the Ballroom of the Madison Masonic Center on the lower level. Music and fellowship were enjoyed by all.

GRAND LODGE CALLED FROM REFRESHMENT TO LABOR

GRAND LODGE DECLARED INFORMAL

REMARKS BY MEMBERS OF THE ORDER OF EASTERN STAR

The Grand Master called the Grand Lodge informal and asked the Grand Marshal and the Junior Grand Deacon to escort the ladies of Eastern Star into the lodge room to make a few quick remarks regarding the desire to increase membership with Masons who qualify. They thanked the Grand Master for the courtesies extended to them and wished them a good year.

GRAND LODGE DECLARED FORMAL

EDUCATIONAL PRESENTATION SERVICE AND ASSISTANCE

MW Past Grand Master Keith D. Chamberlain:

“About a year ago the MW Grand Master asked me to put together a presentation for service and assistance to explain some of the fundamentals of the board so that the Brothers could get some understanding to what we are about and how things are handled during the course of a request for service and assistance. I am going try and bring you up to date and give you some information so you have some understanding of how this works and how it fits into your lodge’s routine.”

“The Board of Service and Assistance was founded over 168 years ago. At that time it went under various names over the years. It was designed to assist pretty much the same group of people that it is designed to assist today. It operates under the auspices of and in conjunction with the Wisconsin Masonic Activities Board. It also operates under the parameters of Chapter 63, Section 63.01 & 63.04 of the Wisconsin Masonic Code of Wisconsin. The board offers varying degrees and types of assistance to members of the craft and their family in times of tribulation.”

“The Service and Assistance Board is made up of eight members. The Code says seven, but the Grand Master, by virtue of his position is also a member of that committee, as he is of all committee, the Grand Secretary, the Senior Grand Deacon and the Junior Grand Deacon, who are liaisons to this particular board and four appointed individuals who have staggered terms.”

“Service and Assistance does not service business adventures, we do not loan money, we do not assist individuals outside the jurisdiction of Wisconsin with one or two exceptions. If a member in good standing in Wisconsin happens to belong to another jurisdiction then he does fall under that blanket where we can help him out and we have done so in previous times. We don’t aid in the purchase of non-essential items such as vacation homes or yachts.”

“When beginning the process of consideration, which gets very involved with a lot of people getting involved that don’t necessarily need to get involved, we work on a chain of command. The initial request is made to the individual’s home lodge by direct contact with the Worshipful Master, through the District Deputies or Area Administrators or directly from the applicant. The request is taken-up by the lodge

Charity Committee. How many of you know that every lodge in this state is supposed to have a Lodge Charity Committee? Are you all aware of that? It is in the Masonic Code. Masonic Relief is a primary obligation of each constituent lodge. The committee is made up of the Worshipful Master and the two Wardens. If the request is deemed worthy by the Charity Committee, some form of assistance is strongly encouraged from the lodge prior to consideration by Service and Assistance. Our responsibility then takes over. We contact the Worshipful Master or principal officer of an applicant's lodge and the primary question that I am going to be asking is 'What have you done for your brother?' Charity starts in the lodge. We are not concerned if you take up a collection and give the man enough to retire on or if you pay his dues for a year, we just want to know that you have done something for him. Following that primary question, the WM and the principal lodge officer will then supply the board the applicants contact information for initial processing. Our responsibility continues, I will contact the applicant and the parameters are explained in detail. The required paperwork needed for consideration is then reviewed and I will forward him the application for return back to me. At that time I will contact the board members. Once these fellows receive the information, and this is something that I was driven to do, final dispensation of these requests are done within 30 days of receipt of the initial paperwork. Anybody that is in need can't wait for 3 or 4 months to receive any kind of help. We are very committed to that. The DDs and AAs have a little responsibility after this begins and that is to report the request for assistance to the Worshipful Master, following a reasonable length of time. Please follow-up with the Worshipful Master or to whomever you turn that paperwork in to see if any action has been taken. We do not wish to have any of this languish for lack of action."

"Also, if you don't take away anything from this presentation, please take away this; do not profess to offer a positive outcome. Do not give the individual you are talking to a 'don't worry about a thing' response. These individual requests are deliberated on and then a decision is made. There are a lot of variables that go into those decisions, so please don't do that. Do not offer your opinion or answer any questions unless you know what you are talking about. Simply take the paperwork and move it forward. The Worshipful Master and his principal officers are responsible to convene a meeting of their Charity Committee immediately upon receipt of that request and if the need is genuine, take action to provide some form of short-term assistance. That can be in the form of a gift card, a cash donation, groceries, payment of a light bill or whatever the situation is, try and help and then contact the Service and Assistance Board president. Finally, brothers, privacy and respect are the issues for all concerned. Please do not discuss any brother's need, personal situation or request outcome with anyone other than the brother requesting assistance, his lodge Worshipful Master, the lodge Charity Committee or Service and Assistance board member."

"This board works for you and those among us, who at one time or another may be in need. I can tell you personally that there is no greater reward than to help a brother or his family in need. We have seen letters from those that we have helped. The debt is nothing compared to the gratitude expressed from these individuals. We look forward to serving you, the lodge, and those among you who are in need of assistance."

NECROLOGY REPORT

Grand Chaplain, David R. Ritchie:

“Most Worshipful Grand Master, honored guests and brothers, the rolls have been called and some do not answer. As these men once answered the Master’s call they come not. These men have been called by the Supreme Architect to the Lodge Eternal and there rest from their labors. We are reminded that as each man starts in the dawn of youth that twilight and sunset must soon follow. The steps from the cradle to the grave are few and short. No man is truly the master of his days.”

“Each of our lodges has felt the loss of a brother. A charter draped in black and a white apron laid over a coffin where a brother once stood, men who were friends, teachers, and companions but most especially brothers, are absent and sorely missed. These were men like Jerry Gant and Jim Childs. Their passing has left a hole in both our lodges and our lives and we commend their souls unto God who gave them and ask his comfort upon our grief.”

“Let not our loss rob us of our labors, instead let it call us to duty. It is not to us alone that these brothers made a solemn and binding obligation. They made one to their wives and children, an obligation our brother can no longer carry out. Therefore, it devolves upon us to carry out that obligation and care for the widow and his orphan. Let us do that which we swore to do and carry on our brother’s work. Let us not forget the labor or brother put into our craft; he and others like him have labored long in the building of our fraternity. Let us pick up his tools and continue that work, so that in generations yet to come, the lessons of our craft may not be forgotten. As we have inherited, let us strive to leave an inheritance.”

“Brothers, our lodges have felt loss in another form, the passing of a brother’s lady. Through long hours they have labored with us. Through many years they have supported us and through their lives they made our brother’s labors easier. Although not members of our gentle craft our hearts are grieved at their loss. We shall miss women like Doris Daniels, Cheryl Rae Budwick, Patricia Massey and Marilyn DeWolf. May we do what we can to comfort our brothers.”

“Appended to this report will be hundreds of names, a mere list upon sheets of paper, but in our hearts we shall remember the brother to whom each name belonged. We shall remember labors shared, lessons learned, and the laughter and joy of brotherhood. We have been taught the symbolism behind the spade, setting maul, and coffin. Let us not now forget the symbol of the acacia. Whether we see death as the grim tyrant that cuts short life and robs us of those we love, or whether we see death as the merciful angel that relieves us and those we hold dear of all worldly pain let us remember the acacia and that immortal part of man that never, no never dies.”

“As you are able, please rise, and stand in a moment of silent prayer and remembrance. Supreme Architect of the Universe, comfort and bless those who mourn. May your healing hand strengthen and guide them. Let us never forget the needs of the widow and the orphan. Bless the memory of these men who have served this gentle craft. Bless also the memories of the ladies who have stood beside us. Help us always to remember who it is that tempers the wind to the new shorn lamb and the promise of the acacia. Amen.”

PRESENTATION OF DEGREE COMPETITION AWARDS

Grand Lecturer Ken Gorgen expressed disappointment in the fact that only two lodges participated in the degree competition this year due to the difficulty of gathering enough members to take all of the required parts. It was held at the McKinley Masonic Center in Brookfield, WI on Saturday, March 31, 2012. Although few in number, these two lodges did the best presentation of the second section of the Master Mason degree that he has ever seen. The winner of the competition was a team put together by District No. 9, second place was awarded to Washington Lodge No. 21. Both teams were given a plaque, congratulated and given a round of applause.

EDUCATIONAL PRESENTATION MASONIC CHARGES

Most Worshipful Past Grand Master Dr. John W. Wilke;

"MW Grand Master Davey L. White has charged me with reviewing the lodge officers' charges specifically today. I did a program when I was Grand Master; again out of necessity, because of the actions in lodges causing disruption, disharmony, bad feelings, so on and so forth. If you have been around this fraternity long enough you will find that we are not good at one of the charges given to us as an Entered Apprentice, and that is at subduing our passions. We steam-off at each other. From the general charge, which we don't hear anymore, a Freemason's lodge is a temple of peace, harmony, and brotherly-love. Nothing is allowed to enter which has the remotest tendency to disturb that quietude of its pursuits. I want you guys to keep

this in mind as I very quickly review some of the charges to the officers of the lodge. How many of you have heard the old charges read in your lodge? A dozen, that's unfortunate. Worshipful Masters, I charge you today to read the old charges at your next lodge meeting. You might say, 'Where do I find the old charges?' How many Masters in this lodge have read the part of the Masonic Code that covers you as a lodge? In that codebook are the old charges. How many of you have looked at the old Green Book or the Masonic Handbook? The charges are also included in there. And how many have the book of Anderson's Constitutions? When you install the officers of the lodge you have the book of constitutions, many lodges use the codebook. That's not the book of constitutions, Anderson's Constitutions is the book of constitutions and that also has the old charges in there along with some of the new charges."

"I am sure all of you have experienced, at one time or another, if you have been in Masonry long enough, disharmony, quarreling or even name-calling and bickering, worse yet, not face-to-face but behind somebody's back. And that is because we have forgotten that charge of subduing our passions. A charge is defined as responsibility to a regulation. The charges are given to the officers at their installation and I come up with some 233 different responsibilities, many of them overlapping, many of them having to do with brotherly-love and many more of them having to do with charity. All of them are as important as the least. The officer obligation that each of you took states that you will conform to and abide by the ancient landmarks, regulations and usages of the craft, obey the constitution edicts of the Grand Lodge and obey the by-laws of your lodge and perform the duties of your office. Now, I have to ask you this. How many of you have read your by-laws in your lodge? They are given to you at your installation and I hope that you have read them, because that's the rules and regulations on how you will conduct your lodge. That's why I ask how many have read the Masonic Code, because that's your rules and regulations on how you should conduct the business of your lodge. You have to have the ground rules before you can do a really good job."

"The Worshipful Master of the lodge has the most charges, of course because he holds the highest office and the most responsible office. I am the kind of person that believes if you are given the authority and the prestige, by God, take the responsibility. Do the work that you are supposed to do. There is nothing worse than going into a lodge where a Worshipful Master cannot open the lodge because he has not learned his part. He has been charged with that part. Every officer, down to the Stewards, has been charged with knowing their part. It's not that hard. It is part of what we do as Masons. It builds self-esteem, it builds self-confidence, it builds self-discipline. It takes us and makes us better men by building these characters that are qualities of good men. So why do we refrain from doing it? How many of you have gone through the cipher book and looked at what you are supposed to learn as an officer of your lodge in the degree work? How many Stewards know the charges of each of the degrees? How many Junior Deacons know the lecture for the EA degree? How many Senior Deacons know the lecture for the MM degree? Oh well, 'George has always done that.' Wouldn't it be nice if our lodges started today and 10 years from now every Master of every lodge was a Proficiency Man? If you follow what's in the cipher book, what you have been charged to do as officers, it will happen. The charges for lodge Master help him govern the lodge and that includes, but is not limited to, planning his year and moving his lodge in a positive direction, setting the budget to accomplish the goals, reading and becoming familiar with Masonic Code and by-laws of the lodge, learning the degree parts and seeing that his officers do the same. It is the Master's responsibility to see that his officers function in the parameters of their office and

keeping his lodge interesting and exciting, being flexible and open to others. The lodge business is a serious thing and needs to be done in an efficient manner, but it also needs to be done with an amount of human gentleness so your officers can take pride in themselves. You don't ridicule your officers when they make mistakes. You are there to nurture them, you are there to build them, not only as men, but as a future leader of your lodge."

"This is not something you change over-night. Masonry is a lifetime endeavor. Incorporate a tiny, little bit by trying to learn a little part of the ritual every year. In ten years, you will know ten more parts than you know now. When I made that challenge as Grand Master, Brother Craig Campbell said, 'well John, I know all the parts.' I talked to Craig this weekend, and he said, 'you know, I found a part that I learned.' There is always something we can learn about our craft."

"The Wardens assist the Master in the government of his lodge. This is going to be a review from here on out. I just put down the main charges, which are your duties, by the way; to learn your assigned ritual in the cipher and discharge your duties with fidelity. The Treasurer discharges his duties by the dispersed lodge monies, keeping good books and making regular reports to the lodge of their financial position. The Treasurer only keeps the books of the checkbook, the current money. The other monies should be in the report of the Trustees, because they have to deal with the building and the investments of the lodge. That shouldn't be part of the Treasurers report. The Deacons are supposed to be exceptionally proficient in a ritual part as charged to them because they are the first impression of the candidates into Freemasonry and we want to give a good first impression. They are also to help the Wardens and the Master do their duties any time they are asked and they are to introduce and accommodate visitors and candidates. The Chaplain is charged with prayer circumambulation and keeping harmony in the lodge and making peace amongst the brothers. He is also to comfort the family of departed brothers and do what our Grand Chaplain has just done. The Stewards' duties are primarily to observe so they can learn. They are in the first positions of officers in the lodge. They have no speaking parts, other than that they should learn those charges to relieve others."

"The charges to all of the officers at the end of installation is circumspect speech, temper behavior, just reasoning, soothing words, comforting assistance, honorable actions, equitable justice, fidelity, honor, honesty, humility. Improve on everything that is good, amiable and useful, keep your desires and passions within due bounds, become familiar with the duties of your office, which is found in the Masonic Handbook, learn the ritual of your office and aim to please each other in the grand design of being happy and spreading happiness. So, when your lodge officers follow all the charges that are given to them your lodge will become a place of peaceful tranquility, where they will work together in harmony toward teaching and learning how to become better men through the lessons taught in our gentle craft."

"Before I conclude, my brethren, I would like to portray the ideal officer, which Brother Keith, I have plagiarized. If you see a man who quietly and modestly moves in the sphere of his life, who without blemish, fulfills his duty as a man, an officer, a husband and a father, who aides his fellowman without self-interest, whose heart beats warm for friendship and who is open for licensed pleasures, who in vicissitude does not despair nor in fortune will be presumptuous, who will be resolute in the hour of danger, the man who is free of superstition and infidelity, who in nature sees the finger of the Grand Architect, who understands the higher destination of man to

whom faith, hope and charity are not mere words without any meaning, to whom the protection of the innocent and virtue is above all for the defense of the truth, the man who is his own critic, but who is tolerant of the debility of others around him, who endeavors to oppose errors without arrogance or condescension, who mentors rather than ridicules, who honors virtue though it be in the most humble garment and does not favor vice though he is clothed in purple and who administers justice to merit regardless of ones worldly wealth or honors, the man who is friendly to all, respected by his peers and revered by his subordinates, the man who never proclaims what he has done will do, can do, but where there is a need, will lay hold with dispassionate courage, circumspect courage, inexhaustible exertion and a rare power of mind and who will not cease until the task is complete, but who then without pretention will retire into the multitude because he did the good act, not for himself but for the cause of good. If you, my brothers, meet such a man, you will see the personification of brotherly love, relief and truth and you will have found the ideal of a Freemason and a perfect lodge officer.”

“Many years ago I learned a lesson in a self-building class that you should stand in front of a mirror and look into your eyes for two minutes. It sounds easy, but it is not. I could not look at my eyes for 30 seconds because the eyes are the windows of the soul and I found that this was an extremely difficult task, but with training I was able to do that. So now I challenge each of you, my brothers, as lodge officers to do the same. Think about the Mason I just described and see if that is a reflection that you see when you look in the mirror.”

PRESENTATION

Grand Master Davey White asked Randy Thorman, Secretary of Neosho-Mayville-Horicon Lodge No. 108 to come to the east where Grand Secretary Michael DeWolf presented him with the Wisconsin Lodge Secretary of the year award. The ladies of the Grand Lodge office give this award yearly. Brother Thorman was not in the auditorium on Friday when it was originally announced.

EDUCATIONAL PRESENTATION CONFLICT RESOLUTION

Worshipful Junior Grand Steward Scott E. Pedley;

“I have been tasked by the Grand Master with conflict resolution, as you can see on the screen. If you have been at the District 1 or District 11 spring meetings, you saw this already. My apologies. This topic, based on what PGM Wilke shared, as well as what is contained here, is something of importance to the Grand Lodge offices because as our RW Deputy Grand Master has indicated to us several times, some of our brethren are not playing well together in the sandbox. I am not here to scold, that is out of my pay-grade. I am here to remind you. I am not here to teach you anything, just to remind you of what our principles are and what our obligations are individually as Master Masons.”

“Throughout the body of this presentation, one of my heroes is the late, great Brother Will Rogers, probably the best known political sage anywhere in the world. About learning, Will had this to say, ‘There are three kinds of men, the ones that learn by reading, the few who learn by observation, and the rest of them that have to pee on the electric fence and find out for themselves.’ There is one other one that

I wanted to get in here very quickly and I can get away with it here, I think, and that is, 'There are two theories to arguing with a woman, neither of them works.' You heard the word harmony before. As the Deputy Grand Master has said, we're not playing well together in the sandbox sometimes, that's what this is all about. We need to remember our Masonic principles. Harmony, that's what we need in our lodges. Does it get any simpler than this, or is it that complex? I believe it's that simple with regard to conflict and resolution and our just and upright walk, friendship and brotherly-love is where it's at. Why do we have some of the back-stabbing that goes on in the lodges? When I go around giving these presentations, the number one answer of who is the most conflicted is the lodge secretaries. The number two choice is Past Masters. Why? I think and I firmly believe, because these are the most caring and loving in our craft. Our secretaries love the work, get wrapped up in it, and so do the Past Masters. Any time an organization has more than two people, there is conflict it seems. It may involve two individuals, or it may involve factions. One thing to ask yourself is, 'Am I the one? Am I the one who's causing the conflict in the lodge?' I've had that, I've asked that question of myself and I have tried to leave my ego at the lodge room door, because once we are in the lodge room we are all on the level. Do I take my problems at work out on the members? Do you do that to other members of your lodge? It will test our leadership abilities. Don't procrastinate if you are the Worshipful Master or if you are the Chaplain. The best way to resolve the conflict is to get the conversation rolling. It is each or our responsibility to resolve the conflict. It is not just the Worshipful Master's responsibility. Each of us as brothers, if we see someone getting picked on, bullied for whatever reason, talked about behind their back, we have an obligation to not participate and to end it."

"One of the skills of management is to find out if the conflict is worth addressing. You have to weigh that out as the leader. You have resources available to you. Brainstorm with your officer team. If you are the Master and you have conflict going on in your lodge, brainstorm with your team, use those folks. You have Area Administrators available to you, District Deputies and Past Grand Masters. PGM are in just about every area of our state, they have been there, they know about the conflicts. Use their wisdom as guidance for you in the governance of your lodge and in dealing with conflict resolution. Listen to each side independently. At my work, when somebody says their having a problem with so-and-so and they come to my door, I say, 'have you tried to resolve it with that individual?' They appreciate being approached with respect and dignity, treat those involved as you would like to be treated in return."

"You can go through all of these routines and if all else fails, intervene with a direct message that says, you know what guys, if you don't straighten this out, there are severe consequences for you Masonically. Do you know what that means? Do you hear the Grand Master knocking at the door? There are expulsions. If you were here yesterday, you heard a report on expulsions in Masonry. The Grand Master can expel Masons for un-Masonic conduct. We need to play well together in the sandbox. We all like to be right. None of us wants to have our personality changed, but sometimes we have to modify our personality to get along with others."

"The Worshipful Master is ultimately responsible for the governance of his lodge. Make it a team effort, give the WM assistance, if you see it happening in your own lodge. Attitude is everything. I have this list here and I was thinking about that list and the one that's most important for me and is most applicable here is, everyone you meet is fighting some kind of battle. Why are they conflicted, do they have an inner battle that they are dealing with? Is it a health issue? Does that make that

person an ornery person to deal with? Who knows but we need to be aware of that and we need to be thoughtful of that other person's situation. From our Christian holy writings, 'Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs that it may benefit those who listen.' Brother Will Rogers said this about good judgment, 'Good judgment comes from experience and a lot of that comes from bad judgment.' And then there is one for us that are in the position of Master or perhaps Grand Master, that is 'If you are riding ahead of the herd, take a look back now and then and make sure it's still there.' If you are out of touch with your lodge, and you are off in one direction and you are not bringing them along, better stop and look over your shoulder and make sure they are still there. 'All kinds of animals, birds reptiles and sea creatures are being tamed and have been tamed by mankind, but no human being can tame the tongue.' A tongue can be really vicious, if we are not careful. It leads to the conflict that we have, which needs to be resolved in our lodges."

"Every one of us has the responsibility to model good behavior. So let us endeavor to spread that cement, just as the message says. Don't forget our Masonic principles. From Brother Will, 'Never kick a cow chip on a hot day. If you find yourself in a hole, stop digging.'"

PRESENTATION OF CHARTER

Grand Master Davey White asked the members of Nine Rivers Lodge No. 369 to approach the east to receive their charter. He was pleased and proud to present this new charter for the lodge in District #2. All of the members are plural members who decided to form a new lodge.

PRESENTATION OF LODGE EXCELLENCE AWARDS

The Grand Secretary read the names of the degree-conferring lodges that participated in the 2011 Lodge Excellence Award program. This award is intended to encourage the development of positive programs, and to give recognition at all levels. Fewer awards were given this year because the rules of the program were strictly adhered to. All were congratulated for their hard work in the lodge and in the community.

Additionally, the three lodges that excelled above all the other lodges by achieving the highest points were awarded money for high school scholarships within the Wisconsin Masonic Foundation's scholarship program for use in 2013. The 3rd place award winner (\$200) was Reedsburg Lodge No. 79, the 2nd place award winner (\$300) was Twin Cities Lodge No. 61 and the first place award winner (\$500) was again Warren Lodge #4.

PRESENTATION TO RETIRING GRAND LODGE OFFICERS and TEAM MEMBERS

Grand Master Davey L. White, Jr. thanked the Grand Lodge officers and team members who were retiring their positions and gave certificates and pins to the following: Shane Beecraft, Robert Busalacchi, William Reed, Albert Jennerman, Joseph Barlow, Michael Belongia, Wade Parker, Shawn Matthes, Daniel Burkeland, Eric Fuher, Patrick Cholka, Frank Mayer, Curt Campagna, John Tilley, Travis Hand, Henry Pynakker, Paul Huber, Harold Carpenter, Robert Strader, James Jewel, Robert Ott, Michael Barreyro, and Dale Holmen.

EDUCATIONAL PRESENTATION

MW Past Grand Master of Iowa Jack Butler:

PGM Jack Butler began by asking everybody to stand up, take one step to the left, take one deep breath and then sit back down.

"In these last few days, you have heard a lot of speakers. I want you to know however, I am the only one that brought you to your feet, moved you and took your breath away. How many of you, when you were coming to this Grand Lodge annual session, were tuned to WIIFM? I am getting a few blank looks. When you talk about Freemasonry to your friends and acquaintances and workmates, how many of them tune to WIIFM? Again I got a couple of hands. WIIFM is not the Wisconsin Iowa radio station in Potosi. WIIFM is the most common question that we are asked when we talk about this grand fraternity and that question is "What's In It For Me?" I am sure you asked that question when someone talked to you about Freemasonry before you became a part of this great organization. What's in it for me? I am going to give you a simple answer to that, and the simple answer is, it's a way of life. A very, very

simple answer, but think about what that simple answer truly means. You are a Mason 24/7, 365 days a year, not when you just attend a meeting, not just when you are doing ritual and degree work, not just when you are working on a fund raiser or attending Grand Lodge. You are a Mason twenty-four hours a day, seven days a week, three hundred and sixty-five days a year. Everywhere you go, everything you say, everything you do reflects upon you as a Mason, reflects upon me as a Mason and reflects upon all of your brothers as Masons. Think about that, think about the terminology we use. We talk about that, about becoming a Mason. Now, some of you may be members of the feathered and furry lodges and with those you join, with those it is a part of what you are doing, but whether it's a feathered and furry lodge, and there are lots of good ones, they don't use the terminology of becoming an Eagle or becoming an Elk or becoming a Moose. We talk about becoming a Mason because it is a lifetime pursuit, it's something that needs to be done for every one of us and we need to work on it every single day of our lives."

"When you talk about Masonry to somebody and when you see them turning to that WIIFM, how do you respond? What kind of an answer do you give them? Well, based on experience, most people give what I call the trite and true answer, 'We take good men and make them better.' Boy, there is a charger. That's going to get me to want to become a Mason. Where do you go from there, what do you do beyond that saying, 'We take good men and make them better'? I recommend that you take the time to give them some of the secrets of Freemasonry. I am not kidding, I am not pulling your leg, I am not giving you anything that you don't already know. Have you ever heard of an elevator speech? You have about 7-11 seconds, you get on the elevator with somebody and they say, 'Oh, I see you are a Mason. How does that work?' You have 7-11 seconds, as the elevator doors close and you ride up the elevator to give an answer. Think. Think. 'Oh yah, we take good men and make them better.' And they look at you. I recommend that you give them the secrets of Freemasonry. Tell them you are going to pull the curtain aside, you are going to reveal several secrets right there, right now in that elevator. What you are going to tell them is, 'I am going to give you a little taste of Freemasonry and I am going to do it in six words, six short words.' And basically you have all used these words. As a matter of fact you have used these words not once but twice. You promised with these six words. You promised that you would regulate your life by these six words and you promised it twice. You were kneeling at the altar of Freemasonry, you were hood-winked, but you announced in a loud voice to everyone within earshot, just like all the rest of us did, with six words you were going to direct your life. The first three you told them what you were going to do, the second three you told them what you were not going to do. The first three words you said you were going to help, aid and assist, and you made it clear that you were going to help, aid and assist. If you think about that and take those three words, rearrange them and make them aid, help and assist and take the first letter in each one it's a-ha. It's kind of a revelation. If you remember our ancient brother Pythagoras discovering the answer to his forty-seventh problem he shrieked, 'Eureka!' Well, when you decide to aid help and assist, that's an a-ha moment for you. It should be an a-ha moment for anybody you are talking to. When you say, I promised and all the men who are Masons promised that they will aid, help and assist, that is a revelation, but you also want to tell them in that 7-11 seconds, we have also promised, he promised, the Grand Master promised the Past Grand Masters all promised, the visiting dignitaries, all the Masters of the lodges and the secretaries and everybody promised they would never cheat, wrong or defraud. Now think of those six words, 'I promised that I would help, aid and assist, I promised I would never cheat, wrong or defraud.' Think of the character that actually describes

in six short words. Who do you want to spend your time with? I want to spend my time with men who have adopted those words into their lives, who live their lives by those six words that they will help, aid and assist and they will not cheat, wrong or defraud. Not just each other, anybody. They will help, aid and assist anybody that needs it, they will never cheat, wrong or defraud anybody, no matter who they are or where they are at. I believe these are truly God's great men, the salt of the earth. These are the leaders of all that are wholesome and good and positive about life. At some point in time each of us will be faced with making some decisions and we will have to decide what is easy or what is right. Think back, six words promised not once but twice, I will help, aid and assist, I will not cheat, wrong or defraud. That decision becomes mentally easier because Masons don't choose to do it because it's easy. They choose to do it because it's right. Brothers, that's why we are here today. We are here together, reinforcing our commitments. We are continuing to remind ourselves, and each other, of our pledges and in so doing, we continue to become Masons. It's a life-long pursuit, it's a way of life. So, the next time you see someone tuning to WIIFM, you know the answer, you know the response and you can be proud to be a Mason."

FINAL REPORT OF THE CREDENTIALS COMMITTEE

Grand Secretary Michael DeWolf presented the final report of the Credentials Committee:

Of the 183 Wisconsin lodges, 172 were represented, 11 were absent.

Lodges not attending were: Manitowoc #65, Independence #80, Northern Light #81, La Belle #84, Juneau #103, Ashlar #193, Clear Lake, #230, Antigo #231, Blue Hills #234, Hurley #237 and Landmark #244.

NO UNFINISHED BUSINESS DECLARATION

Grand Master Davey L. White, Jr., Grand Secretary Michael DeWolf and Grand Treasurer John Benedict all declared that there was no unfinished business on their desks.

PRESENTATION OF GAVEL

Grand Master White presented the Grand Lodge gavel to Grand Master Dennis V. Siewert wishing him success in the coming year. He said that it was a pleasure and an honor to do so.

GRAND LODGE DECLARED INFORMAL

Grand Master Siewert declared the Grand Lodge informal while the 2012-2013 officers assumed their stations.

PRESENTATION

Grand Master Siewert asked Past Grand Master and Chairman of the Wisconsin Masonic Journal Board Keith D. Chamberlain to come forward where he presented Past Grand Master Davey L. White with a bound copy of the Wisconsin Masonic Journals printed during his year.

PROCLAMATION

Past Grand Master and Installing Grand Marshal Bruce S. Sim proclaimed the 2012-2013 elected and appointed Grand officers duly installed.

PRESENTATION OF PAST GRAND MASTER'S JEWEL

Past Grand Master Michael A. DeWolf presented the Past Grand Master's jewel to outgoing Grand Master Davey L. White, Jr. He was given a hearty round of applause.

PRESENTATION

Worshipful Master Christopher Young, and other members of Roosevelt Lodge No. 322 came to the east and wished Grand Master Dennis V. Siewert, a member of their lodge, God's speed and nothing but the best in the ensuing Masonic year. They offered their help wherever needed and presented him with a light-box of an enlarged replica of his Masonic pin as a gift.

REMARKS BY GRAND MASTER SIEWERT

Past Grand Master, Davey L. White Jr., Past Grand Masters, Brethren All;

Some Past Grand Masters have said being a Grand Master is somewhat like owning a boat. The two best days of ownership is when you buy it and when you sell it. However, the memories last a lifetime.

- *I stand here – humble and proud.*
- *I stand here – not wanting to ramble*
- *I stand here – wanting to help this Fraternity go forward*

- *I stand here – wanting to find quality men for membership*
- *I stand here – wanting to see us take care of each other.*
- *I stand here – sad seeing society dumbing everything down*
- *I stand here – wanting to see this great Fraternity raise its standards*
- *I stand here – wanting to make us that prestigious organization of leaders*
- *And personally I'm just happy to be standing here.*

This year, there are no new programs or the First Annual Whatever's. The Strategic Planning Committee, formerly the PLO (Progressive Line Officers) and your Executive Committee are committed to bring improved and continuing service to the Craft. One goal is to keep improving the Annual Communication to an event that every Lodge wants to attend, rather than has to attend.

During this Annual Communication we have tried some different things and we will evaluate them. I have heard many comments. My favorite is, "We've never done it that way before." Sound familiar.

Here are a few suggestions I have for our Lodges;

- ✓ *Celebrate Masonic anniversaries in the lodges (25, 50, 60 years, and up). Ask that District Deputy to make a special presentation, especially at some public event sponsored by your Lodge.*
- ✓ *Proper Protocol should be used at all times within the Lodge as in rising to speak, voting etc. It's all in the Cipher and if you need help call on your District Lecturer. Protocol says that if you have questions or problems they should be directed to the District Deputy. Questions for the Grand Master or members of the Executive Committee should go through the Grand Secretary AND THAT WOULD BE EXTENSION???* 807
- ✓ *Let's dress for success. Jeans, shorts, flip-flops, T-shirts, **come on, I don't think so!** Every Lodge member should at least wear a shirt and tie to Lodge. It would be my suggestion that tuxedos be worn for Degree Work. A used tux is often less expensive than a new sport coat. The type of wrapping on the outside of a box is a good indication of the value of what's in it. Proper attire makes a good impression on the candidate that we are an upscale organization. That reality of an elitist organization, I was going to say perception, but it is a reality, will also build the character of your new member.*
- ✓ *Celebrate our Diversity and being a multi-generational fraternity. It seems lately we hear more about adversity or conflict within a Lodge.*
- ✓ *Use the updated Wisconsin Masonic Handbook to build small event committees so more Brothers become involved in Lodge activities. The Handbook and many items are available, including a larger version of the Wisconsin Masonic Journal, on the Grand Lodge website. **Try it you'll like it.***
- ✓ *Our ritual makes us different from many other organizations. It tells the new member who and what we are. The Ritual is also part of the impression that the Candidate receives while taking the degrees of Freemasonry. Books should not be open during Lodge. All Degree Work should be done from memory never read. If a Lodge needs help with degree work consult with your District Lecturer.*

- ✓ *Encourage members to become proficient in our ritual and enter the Grand Lodge Degree Competition. Our Worshipful Grand Lecturer, Ken Gorgen, has informed me that the Degree Competition will be May 11, 2013 at a place to be determined based on the entries.*
- ✓ *Each Lodge should celebrate its Diversity. Harmony being the strength and support of all institutions more especially ours. Outside interests will never destroy this Fraternity. If it were to fall, it would be from internal strife among the Brothers. As Lodge Officers keep your Brothers ever mindful of their duties and obligations to each other.*
- ✓ *For the Lodge Officers: (The Lodge check list / audit)*
 - *Many government agencies are looking for new tax revenue. We don't want to see Lodges lose their tax-exempt status because of some oversight or filing a wrong form. It's happening right here in Wisconsin to some of our Lodges.*
 - *Lodge Sec. / Assist. Sec. need to upload Petition information into MORI once the Petition has been voted upon. Complete those member profiles.*
 - *Masonic Memorial Services and Installation of Officers are Special Communications and must have formal minutes.*
- ✓ *Lodges need to review and update their By-Laws. Back to those legal issues.*
- ✓ *Membership Retention, I have talked about it and will continue to do so. As Masons we are great builders of these Masonic Temples and we build moral edifices in our members. But you know what? We're not very good maintainers. Look at some of our buildings, and look at the number of resignations or suspensions for non-payment of dues. If there are Brethren in arrears on dues, diligence must be done by the Lodge Membership Committee, not the Secretary, with a face-to-face meeting or phone call to the brother to check on his well-being. Before any Brother is suspended for nonpayment of dues a report from the Lodge Membership Committee must be spread on the minutes of the Lodge. A report of the Membership Committee's findings should be sent to the District Deputy to sign off on and see that the suspension is recorded on MORI.*
- ✓ *I HAVE A CHALLENGE FOR WISCONSIN FREEMASONRY! Figures show that over the last five years, if we had learned to care for our Brothers and had half of the annual suspensions, resignations and the average number of new Master Masons, Wisconsin Freemasonry could have had five years of positive gains in membership. Remember no Brother should ever be suspended because he can't afford the dues.*
- ✓ *The Lodge Charity Committee, the Master and the Wardens, are the first point of contact and must be the first to provide help to a Brother. If further help is needed, the Grand Lodge Service & Assistance Fund can be contacted. They will determine if an individual qualifies for help after the proper application has been made and reviewed by the Committee. MWPGM Br. Keith Chamberlain is the key contact for the Service & Assistance Fund.*

The Grand Lodge pin this year consists of a top hat, a square and compasses, and the words Diversity – Freemasons – Wisconsin. This pin symbolizes that the Freemasons of Wisconsin are very diverse. In Freemasonry think about all the different

hats that are worn that signify Diversity. We all wear many hats throughout the day and during our lifetime. We should all celebrate and embrace that DIVERSITY.

Each Grand Master makes some edicts during his term in office. Many of which are standard. One that will be made this year is that "When the current Grand Lodge of Wisconsin lapel pin is worn, it will be the only pin worn." Why? I believe our lapel pins are not campaign ribbons. When many pins are worn people say, "What are those?" When one pin is worn people ask, "What does that pin mean or represent." A more definitive answer can be given. What are the consequences for not following the edict? Probably nothing, however protocol says that we should do it out of respect for the office of Grand Master. Think about it!

Thank you my Brothers for showing your confidence in me by electing me as your Grand Master, or in the business world, the C.E.O., of the Grand Lodge of Free & Accepted Masons of Wisconsin. The C.E.O. is elected to govern, set the craft at work and give them proper instruction. I will do that to the best of my ability, with the help of the Grand Lodge Officers and more especially with support from the local Lodges. Thank you and may the Grand Architect of The Universe bless each and every one of you.

CLOSING OF GRAND LODGE

The 2012-2013 Grand Lodge officers, lead by Deputy Grand Master Daniel L. Slavik, closed the 168th Annual Communication of the Grand Lodge of Free and Accepted Masons of Wisconsin.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Wisconsin Masonic Home, Inc.
Dousman, Wisconsin

We have audited the accompanying balance sheets of Wisconsin Masonic Home, Inc. as of June 30, 2011 and 2010, and the related statements of operations, changes in net assets, and cash flows for the years then ended. These financial statements are the responsibility of the Wisconsin Masonic Home, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Wisconsin Masonic Foundation, of which Wisconsin Masonic Home, Inc. includes an interest in net assets of \$14,430,682 and \$13,153,526 as of and for the years ended June 30, 2011 and 2010. That information was audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the interest in the net assets of Wisconsin Masonic Foundation, is based solely on the reports of the other auditors.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

We also have audited, in accordance with auditing standards generally accepted in the United States of America, the consolidated balance sheets of Wisconsin Masonic Home, Inc. and its subsidiaries as of June 30, 2011 and 2010, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended (none of which is presented herein), and we expressed an unqualified opinion on those financial statements. Such consolidated financial statements are the general-purpose financial statements of Wisconsin Masonic Home, Inc. and its subsidiaries, and the financial statements of parent company presented herein are not a valid substitute for those consolidated financial statements.

In our opinion, except for the issue described in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Masonic Home, Inc. as of June 30, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Wisconsin Masonic Home, Inc. (the Home) is a nonprofit corporation which provides housing and related services to senior residents through the following facilities:

- Compass Point, a 75-unit catered senior living independent apartment facility located in Dousman, Wisconsin.
- Riverside Lodge, a 20-bed memory care facility located in Dousman, Wisconsin.
- MasonWoods, a 36-unit independent living facility located in Cecil, Wisconsin.

The Home is the parent of Village on the Square, Inc. (the Village) and Masonic Center for Health and Rehab, Inc. (the Center). These financial statements do not include its subsidiaries, as described on Page 1. The Home is also affiliated with Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge), and the Wisconsin Masonic Benevolent Activities Board.

The Center is an 84-bed skilled nursing and rehabilitation facility located in Dousman, Wisconsin.

The Village, located in Dousman, Wisconsin, is a nonprofit corporation which provides housing and security to persons aged 55 and older, and consists of a 118 independent living units. The Village is designed as the "entry level" of a continuum of care operated in conjunction with the Home and the Center.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Net assets of the Home and changes therein are classified and reported as follows:

Unrestricted – Those resources over which the board of directors has discretionary control. Designated amounts represent those revenues that the board has set aside for a particular purpose.

Temporarily Restricted – Those resources subject to donor imposed restrictions which will be satisfied by actions of the Home or the passage of time.

Permanently Restricted – Those resources subject to a donor imposed restriction that they be maintained permanently by the Home. The donors of these resources permit the Home to use all or part of the income earned, including capital appreciation, or related investments for unrestricted or temporarily restricted purposes.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Basis of Presentation (Continued)

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is satisfied, net assets are released and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same reporting period as received are recorded as unrestricted contributions.

Cash and Cash Equivalents

The Home considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents, excluding amounts limited as to use.

The Home may at times have funds on deposit at one financial institution that exceeds the federally insured limits.

Investments and Investment Income

Investments consisting of marketable equity securities with readily determinable fair values and all investments in debt securities are measured at fair value on the balance sheets. Fair value represents the quoted market values of the underlying investments on the last business day of the fiscal year, including current investment income and expenses. All of the Home's investments are classified as available for sale.

Investment income (including realized gains and losses, interest, and dividends) is reported as operating revenue and is included in the excess of revenue over expenses unless the income is restricted by donor or law. Unrealized gains and losses on investments are excluded from the excess of revenue over expenses. Realized gains or losses are determined by specific identification.

Assets Limited as to Use

Assets limited as to use include assets set aside under terms of bond indentures. Assets limited as to use that are required for obligations classified as current liabilities are reported as current assets.

Resident Accounts Receivable, Net

The Home provides an allowance for uncollectible accounts using the reserve method, which is based on management's judgment considering historical information. Accounts receivable are unsecured. Any amounts not paid in accordance with the terms of the admission agreement are considered past due. When all collection efforts have been exhausted, the accounts are written off against the related allowance. The Home has recorded an allowance in the amount of \$37,000 and \$87,000 for the fiscal years ended June 30, 2011 and 2010, respectively.

Compliance

The Home is affected by the health care economy in the State of Wisconsin and is subject to local, state, and federal rules and regulations. Compliance with these laws and regulations, can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Violations of these regulations could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenue from residents' services. Management believes that the Home is in substantial compliance with current laws and regulations.

Unamortized Bond Issue Costs, Net

As of June 30, 2011 and 2010, \$375,739 of unamortized bond issue costs had been incurred in connection with the issuance of bonds are being amortized over the terms of the related financing using the effective interest method. Accumulated amortization related to these costs was \$153,204 and \$132,935 as of June 30, 2011 and 2010, respectively. Total amortization expense for 2011 and 2010 was \$20,269 and \$20,702, respectively.

Credit Risk

Financial instruments, which potentially subject the Home to concentration of credit risk, consist of cash and cash equivalents, receivables, and investments. These financial instruments are carried at their approximate fair value. The Home's policy is to limit credit exposure on financial instruments and place its cash with financial institutions deemed as being credit worthy.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements. Management assesses individual investment securities as to whether declines in market value are temporary or other than temporary. In assessing an issuer's financial condition, management evaluates various financial indicators. The length of time and extent to which the fair value of the investment is less than cost and the Home's ability and intent to retain the investment to allow for any anticipated recovery of the investment's fair value are key components as to whether management deems declines in fair value as temporary or other than temporary. If declines are determined to be other than temporary, the Home records a realized loss in investment income.

Property and Equipment

Property and Equipment acquisitions are recorded at cost. Depreciation is computed using the straight line method over the following estimated useful lives:

Land Improvements	5 - 40 Years
Buildings and Building Improvements	5 - 40 Years
Furniture and Equipment	3 - 20 Years
Vehicles	4 - 12 Years

Reservation Deposits

Reservation deposits consist of cash for deposits and prepaid fees.

Estate and Trust Receivable

The Home has an interest in two split interest gifts. A split interest gift is one in which a donor makes an initial gift to a trust or directly to the Home in which the Home has a beneficial interest, but is not the sole beneficiary. The Home has received two different types of split interest gifts: perpetual trusts held by a third party, and charitable remainder trusts held by a third party. Accounting policies for each of these types are as follows:

A perpetual trust held by a third party is an arrangement in which a donor establishes and funds a perpetual trust administered by an individual or organization other than the Home. Under the terms of the trust, the Home has the irrevocable right to receive the income earned on the trust assets in perpetuity, but never receives the assets held in trust. Under this arrangement, the present value of the estimated future cash receipts from the trust assets (generally equal to the fair value of the assets contributed to the trust) is recorded as permanently restricted contribution revenue in the year the trust is established. Annual distributions are reported as contribution income and classified according to any restrictions on distributions. Adjustments to the amount reported as an asset are based on an annual review using the same basis that was used to measure the asset initially and are recorded in the statements of changes in net assets under the caption "change in value of perpetual trust." The perpetual trust is adjusted annually to its fair market value.

A charitable remainder trust is an arrangement in which a donor establishes and funds a trust with specified distributions made to a designated beneficiary or beneficiaries over the trust's term. Upon termination of the trust, the Home receives the assets remaining in the trust. The use of those assets may be restricted or unrestricted by the donor. Distributions to the beneficiaries may be for a specified dollar amount, an arrangement termed charitable remainder annuity trust (CRAT) or for a specified percentage of the trust's fair market value as determined annually, termed a charitable remainder unitrust (CRUT). Charitable remainder trusts are adjusted annually to fair market value.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estate and Trust Receivable (Continued)

Under charitable remainder trusts where the Home is not the trustee, contribution revenue and a receivable, termed "Trust and Estates Receivable" on the balance sheets are recorded based on the present value of the estimated future benefits to be received when the trust assets are distributed. In subsequent periods, accretion of discounts, changes in assumptions and re-evaluations of the present value of estimated future benefits are recognized in the statements of changes in net assets under the caption "change in value of contributions receivable."

Refundable Residency Fees

At June 30, 2011, advance entry fees ranged from \$46,000 to \$102,000 and monthly maintenance fees ranged from \$425 to \$995 on MasonWoods apartments or duplexes, depending on the size of the unit occupied and the living agreement options selected by the resident. The agreement may be terminated by the resident or by the Home for just cause. The deposit is 100% refundable and is repayable 30-180 days after the resident vacates their unit.

Net Resident Service Revenue

Net resident service revenue is reported at the estimated net realizable amounts from residents, third-party payers, and others for services rendered including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and are adjusted in future periods as final settlements are determined.

Occupancy

The following table shows the occupancy percentage for each facility during the years ended June 30, 2011 and 2010:

	2011	2010
Compass Point	92.5%	92.4%
Riverside Lodge	85.0%	78.5%

Excess of Revenue Over Expenses

The statements of operations include Excess of Revenue Over Expenses, which is considered the performance indicator. Changes in unrestricted net assets, which are excluded from the performance indicator, consistent with industry standards, include unrealized gains and losses on investments, permanent transfers of assets to and from affiliates for other than goods and services, and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Advertising

The Home expenses advertising costs as incurred. Advertising expense was approximately \$34,300 and \$35,300 for the years ended June 30, 2011 and 2010, respectively. Advertising costs are included with Administration and Other Services on the statements of operations.

Retirement Plan

The Home sponsors a defined contribution retirement plan covering substantially all employees working in excess of an average of 20 hours per week. The Home matches fifty cents on the dollar of each participant's contribution up to a maximum of 3% of covered earnings. In addition, the Home may make discretionary contributions for the employees' benefit. Retirement plan expense was approximately \$87,800 and \$45,300 for the fiscal years ended June 30, 2011 and 2010, respectively.

Income Taxes

The Home is a nonprofit Corporation as described in Section 501(c)(3) of the Internal Revenue Code (IRC) and is exempt from federal and state income taxes on related income pursuant to Section 501(a) of the IRC.

The Home's income tax returns are subject to review and examination in the U.S. federal, state, and local authorities. The Home is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes or may jeopardize its tax-exempt status. The tax returns for the years 2008 to 2010 are open to examination by federal, local, and state authorities.

Real Estate Taxes

The majority of The Home's real estate has been exempted from ad valorem property taxes by the State of Wisconsin and its political subdivisions.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Home emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Home has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on the Home's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The Home also has the policy of valuing certain financial instruments at fair value. This accounting policy allows the Home the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Home has not elected to measure any existing financial instruments at fair value, however, the Home may elect to measure newly acquired financial instruments at fair value in the future.

Reclassifications

Certain reclassifications have been made to the 2010 financial statement presentation to conform to the current year presentation. These reclassifications do not affect the change in net assets as previously reported.

Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 25, 2011, the date the financial statements were available to be issued.

NOTE 4 INTEREST IN NET ASSETS OF WISCONSIN MASONIC FOUNDATION

Wisconsin Masonic Foundation (the Foundation) is a nonprofit corporation. The Home is affiliated with the Foundation, which maintains an endowment fund for the Home. The Home does not maintain control of the assets of the endowment fund. The amount to be disbursed annually to the Home is computed as 5% of the average net assets of the endowment fund, based on a four-year rolling average, and is used for general operations. During the fiscal years ended June 30, 2011 and 2010, the Home received distributions from the Foundation of \$774,853 and \$812,814, respectively.

The Foundation's fiscal year-end is April 30. The Home has elected to reflect valuation of the interest in net assets as of the Foundation's fiscal year-end.

Interest in net assets of the Foundation is as follows at June 30:

	2011	2010

NOTE 5 BONDS PAYABLE

Bonds Payable consisted of the following as of the June 30:

<u>Description</u>	<u>2011</u>	<u>2010</u>
Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2003 (Three Pillars Senior Living Communities), dated October 1, 2003. The bonds require annual principal payments through August 15, 2026; the bonds require semiannual interest payments at a rate ranging from 2.00% to 5.75%.	\$ 3,131,612	\$ 3,258,317
Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2004A (Three Pillars Senior Living Communities), dated December 29, 2004. The bonds require annual principal payments through August 15, 2034; the bonds require semiannual interest payments at a rate ranging from 4.0% to 5.5%.	4,650,000	4,750,000
Wisconsin Health and Educational Facilities Authority Health Facilities Adjustable Rate Put Option Revenue Bonds, Series 2004B (Three Pillars Senior Living Communities), dated December 29, 2004. The bonds require annual principal payments through August 15, 2034; the bonds require semiannual interest payments at a variable rate (0.18% at June 30, 2011).	4,251,016	4,398,350
Total Bonds Payable	<u>12,032,628</u>	<u>12,406,667</u>
Less: Original Issue Discount	36,754	39,378
Less: Current Maturities	389,628	374,038
Amount Due after One Year	<u>\$ 11,606,246</u>	<u>\$ 11,993,251</u>

In addition to the debt listed above, the Home is part of the Three Pillars Senior Living Communities Obligated Group (Obligated Group), which has total debt of \$25,554,230 and \$21,329,609 at June 30, 2011 and 2010, respectively. The Home's property, equipment, and revenues are all pledged as collateral on all of the Obligated Group's debt.

On October 1, 2003, Revenue Bonds, Series 2003 were issued to the Obligated Group in an aggregate principal amount of \$12,370,000 less an original issue discount of \$28,051. The portion of the debt and unamortized discount allocated to the Home was based on its portion of the proceeds. Proceeds from the sale of the bonds were used to redeem the outstanding 1996 bonds of the Home and develop a debt service reserve fund of approximately \$300,000.

NOTE 5 BONDS PAYABLE (CONTINUED)

On December 29, 2004, Revenue Bonds, Series 2004 were issued to the Obligated Group in an aggregate amount of \$12,625,000 less a discount of \$47,692, of which \$5,125,000 was fixed rate revenue bonds (Series 2004A) and \$7,500,000 was adjustable rate put option revenue bond (Series 2004B). The Home was allocated \$11,625,000 of the proceeds.

The Series 2004B variable bonds can be called on a weekly basis by the bondholder. The Home has a remarketing agreement with the underwriter that provides for a "best efforts" remarketing of the Series 2004B bonds. The Home anticipates that any bonds put back would be resold; however, there can be no guarantee that these bonds can or will be remarketed. The Series 2004B bonds are secured by a letter of credit in the amount of \$4,964,129, which expires in July 2013. If the letter of credit is drawn on to pay for the bonds that were not remarketed, the terms of the reimbursement agreement require repayment of the draws in quarterly payments over 12 months, but no payments are required in the same fiscal year as the draw on the LOC, with a maximum repayment period of 18 months after the draw. Accordingly, these obligations are not reported as current liabilities.

Trust funds created under the Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2004A, Series 2004B, and 2003, are held in the custody of the trustee for purposes provided in the indenture.

The Home has granted to the trustee a first-mortgage lien on certain real estate, pledged revenue, and a security interest in certain equipment of the Home, subject in each case to permitted encumbrances as defined in the master indenture for the fixed rate revenue bonds. The trust indenture includes certain restrictive covenants including a debt service coverage ratio requirement.

Management has assumed that the Series 2004B Bonds will be successfully remarketed until maturity. However, if the bonds were to not be successfully remarketed, the Series 2004B Bonds would be payable in fiscal year 2012. The following schedule shows management's expected maturities due and the contractual principal payments for the bond payable for the next five years as follows:

Interpretation of Relevant Law

The State of Wisconsin adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) during the fiscal year ended June 30, 2010. The Board of Directors of the Home has interpreted the Act as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, the Home classifies as permanently restricted net assets the original value of the gifts to the permanent endowment and the value of subsequent gifts to the permanent endowment. The remaining portion of donor-restricted endowment funds, if any, that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Home. In accordance with UPMIFA, the Home considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Home and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Home
- (7) The investment policies of the Home.

Return Objectives and Risk Parameters

The Home has adopted an investment policy for the permanent endowment to invest the assets in US treasury securities, in accordance with donor requirements. Endowment assets include those assets of donor-restricted funds that the Home must hold in perpetuity.

Spending Policy

The Home has a policy, based upon the intent of the donor-restricted endowed assets, to spend all earnings from the endowment fund for current operations to provide support for the Home in the year the income is earned.

NOTE 8 MALPRACTICE INSURANCE

The Home's professional liability insurance for claim losses of less than \$1,000,000 per claim and \$2,000,000 per year covers professional liability claims incurred during a policy year regardless of when the claim was filed. The Home also has occurrence basis umbrella coverage of \$5,000,000 for each occurrence and for all occurrences in any policy year. The professional liability insurance policy is renewable annually and has been renewed by the insurance carrier for the annual period extending through June 30, 2012.

NOTE 9 COMMITMENTS

The Home sponsors a self-funded health benefit plan covering substantially all employees working in excess of an average of 30 hours per week and their dependents. The Home's liability is limited through its arrangement with a commercial insurance carrier to indemnify it against losses in excess of prescribed specific and aggregate limits (stop-loss coverage). The health insurance expense is based upon actual claims paid, reinsurance premiums, administration fees, and provisions for unpaid and unasserted claims at year-end.

Health insurance expense for the fiscal years ended June 30, 2011 and 2010 was approximately \$275,800 and \$321,100, respectively. A liability for estimated claims outstanding at June 30, 2011 and 2010 has been recorded. Management believes this liability is sufficient to cover estimated claims including claims incurred but not yet reported.

NOTE 10 RELATED PARTY TRANSACTIONS

The Village and the Center share various administrative and general services with the Home for which intercompany payments are recorded.

The Home had a receivable from the Center of \$3,123,944 and \$1,816,367 as of June 30, 2011 and 2010, respectively. The Village owed the Home \$5,329,176 and \$5,238,145 as of June 30, 2011 and 2010, respectively.

A portion of the Grand Lodge membership (per capita tax) is designated for Home operations. This portion is determined annually by the Grand Lodge expenditure committee and approved by the general membership.

A receivable has been accrued from Wisconsin Masonic Home Endowment Fund for contributions relating to the fiscal years ended June 30, 2011 and 2010, in the amount of \$190,459 and \$196,968, respectively. These amounts are included in the accompanying balance sheets as accounts receivable - related parties.

The Home leases, under terms of two 99-year leases, two parcels of land from the Grand Lodge. The annual rental rate of the first lease is \$1 and the lease term expires in 2095, so long as the leased premises shall not be used for purposes other than for residential and health needs for the aged.

The second lease is for an initial term of 30 years. The Home has two options to extend the term for 30 years and 39 years, respectively. Rent is \$35,000 per year, subject to a reduced amount of \$23,000 per year if occupancy falls below 90% for Compass Point. The leased premises shall not be used for principal purposes other than for residential and health care needs for the aged.

The terms of the leases provide that any buildings, structures, or other improvements shall be leasehold improvements and shall belong to the Grand Lodge at the termination of the lease.

NOTE 10 RELATED PARTY TRANSACTIONS (CONTINUED)

The Grand Lodge transferred assets with a cost of approximately \$1,500,000 to the Home in 1972. Other property costs represent expenditures by the lessees. The transferred assets and the purchased assets are included in the financial statements as owned assets based on the responsibility of the Home to operate and maintain the facility since the length of the lease term exceeds the useful life of the assets.

The Home made an equity transfers to the Village in the amounts of \$16,865 and \$20,630 for the years ended June 30, 2011 and 2010. This amount has been recorded as transfers to affiliate.

Three Pillars Senior Living Communities has agreed to pay an annual fee beginning in February 2010 to the Grand Lodge as a result of their consent to certain amendments to the mortgage agreements. During the years ended June 30, 2011 and 2010, Three Pillars Senior Living Communities paid \$25,000 and \$65,000 related to this agreement, respectively. The payment is scheduled to be \$25,000, \$65,000, \$85,000 on February 1, 2012 through 2014, respectively, and \$120,000 February 1 until any and all outstanding amounts due and owing arising under and pursuant to the 2003 Master Trust Indenture entered into by Three Pillars Senior Living Communities, or any refinancing thereof, are satisfied and paid in full.

NOTE 11 FAIR VALUE OF FINANCIAL INSTRUMENTS

The Home uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Corporation measures fair value refer to Note 1 – Nature of Operations and Summary of Significant Accounting Policies.

The fair value of investment securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers. See Note 3 for additional information regarding the composition of investments and assets limited as to use.

The following table represents financial instruments to which the ending balances at June 30, 2011 and 2010 are not carried at fair value in their entirety on the balance sheet.

NOTE 11 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate fair value:

Bonds Payable – Bonds payable consists of revenue bonds of which fair value is based on current trade value.

All Other – The carrying amount approximates fair value because of the short maturity of these instruments.

The following tables present the balances of assets and liabilities measured at fair value on a recurring basis as of June 30, 2011 and 2010:

INDEPENDENT AUDITORS' REPORT

Board of Directors
Masonic Center for Health and Rehab, Inc.
Dousman, Wisconsin

We have audited the accompanying balance sheets of Masonic Center for Health and Rehab, Inc. as of June 30, 2011 and 2010, and the related statements of operations, changes in net assets (deficit), and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Masonic Center for Health and Rehab, Inc. as of June 30, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Masonic Center for Health and Rehab, Inc. (the Center), is a nonprofit corporation that operates an 84-bed skilled nursing and rehabilitation facility for residents of Waukesha County and the surrounding area.

The Center is affiliated with Wisconsin Mason Home, Inc. (the Home), its sole member, Village on the Square, Inc. (the Village), Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge), and the Wisconsin Masonic Benevolent Activities Board.

The Home provides housing and related services to senior residents through the following facilities:

- Compass Point, a 75-unit catered senior living independent apartment facility located in Dousman, Wisconsin.
- Riverside Lodge, a 20-bed memory care facility located in Dousman, Wisconsin.
- MasonWoods, a 36-unit independent living facility located in Cecil, Wisconsin.

The Village operates a 118-unit independent living facility for persons aged 55 and older which is located in Dousman, Wisconsin. The Village is designed as the "entry level" of a continuum of care operated in conjunction with the Home and the Center, collectively known as Three Pillars Senior Living Communities.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Net assets of the Center and changes therein are classified and reported as follows:

Unrestricted – Those resources over which the board of directors has discretionary control. Designated amounts represent those revenues that the board has set aside for a particular purpose.

Temporarily Restricted – Those resources subject to donor imposed restrictions which will be satisfied by actions of the Center or the passage of time.

Permanently Restricted – Those resources subject to a donor imposed restriction that they be maintained permanently by the Center. The donors of these resources permit the Center to use all or part of the income earned, including capital appreciation, or related investments for unrestricted or temporarily restricted purposes.

JUNE 30, 2011 AND 2010

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Basis of Presentation (Continued)

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is satisfied, net assets are released and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same reporting period as received are recorded as unrestricted contributions.

At June 30, 2011 and 2010, the Center did not have any permanently restricted net assets.

Cash and Cash Equivalents

The Center considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents, excluding amounts limited as to use.

The Center may at times have funds on deposit at one financial institution that exceeds the federally insured limits.

Resident Funds Held for Safekeeping

Resident funds held for safekeeping consist of amounts on deposit by the Center by residents. These amounts can be withdrawn at any time by the resident.

Assets Limited as to Use

Assets limited as to use include assets set aside under terms of bond indentures. Assets limited as to use that are required for obligations classified as current liabilities are reported as current assets.

Resident Accounts Receivable

The Center provides an allowance for uncollectible accounts using the reserve method, which is based on management's judgment considering historical information. Accounts receivable are unsecured. Any amounts not paid in accordance with the terms of the admission agreement are considered past due. When all collection efforts have been exhausted, the accounts are written off against the related allowance. The Center has provided an allowance in the amount of \$275,000 and \$568,000 for the years ended June 30, 2011 and 2010, respectively.

Pledges Receivable, Net

Unconditional promises to give that are expected to be collected in future years are recorded at the net present value of estimated future cash flows, net of an allowance for uncollectible amounts, if deemed necessary. The discount on pledges is computed using a risk-free interest rate. Amortization of the discount is included in contribution revenue. Management expects the pledges to be collected as follows:

Amounts Due in:	2011	2010
Less Than One Year	\$ 43,715	\$ 22,263
One to Five Years	101,518	54,605
Less: Discount and Allowance	(25,000)	(25,000)
Total	<u>\$ 120,233</u>	<u>\$ 51,868</u>

Compliance

The Center is affected by the health care economy in the State of Wisconsin and is subject to local, state, and federal rules and regulations. Compliance with these laws and regulations, particularly those relating to the Medicare and Medicaid programs, can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Violations of these regulations could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenue from residents' services. Management believes that the Center is in substantial compliance with current laws and regulations.

Unamortized Bond Issue Costs

As of June 30, 2011 and 2010, unamortized bond issue costs of \$187,686, which had been incurred in connection with the issuance of long-term debt, is deferred and is being amortized over the terms of the related financing using the effective interest method. Accumulated amortization was \$27,776 and \$17,406 as of June 30, 2011 and 2010, respectively. Total amortization expense for the years ended June 30, 2011 and 2010 was \$7,010 and \$2,305, respectively. Amortization of \$3,360 was capitalized during the year ended June 30, 2011 as part of construction in progress.

Credit Risk

Financial instruments, which potentially subject the Center to concentration of credit risk, consist of cash and cash equivalents, receivables, and investments. These financial instruments are carried at their approximate fair value. The Center's policy is to limit credit exposure on financial instruments and place its cash with financial institutions deemed as being credit worthy.

Concentration of credit risk with respect to receivables is limited due to the large resident base and the expectation that government programs will make timely payments.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is computed using the straight line method over the following estimated useful lives:

Land Improvements	2 - 15 Years
Buildings and Building Improvements	5 - 40 Years
Furniture and Equipment	3 - 20 Years
Vehicles	4 - 12 Years

Net Resident Service Revenue

Net resident service revenue is reported at the estimated net realizable amounts from residents, third-party payers, and others for services rendered including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and are adjusted in future periods as final settlements are determined.

Third Party Reimbursement Agreements

Medicaid

A significant portion of the Center's skilled nursing services are provided to nursing home residents who are beneficiaries of the Medicaid program administered by the State of Wisconsin. The Center bills the program using rates established by the State of Wisconsin, based on nursing home cost reports submitted by the Center. Such rates are subject to audit and adjustment by the State of Wisconsin for the preceding three years. Any adjustments made to rates are recorded in operations in the year of adjustment.

Medicare

The Medicare program is administered by the United States Centers for Medicare and Medicaid Services (CMS). The Medicare program pays on a Prospective Payment System (PPS), which is a per diem price based system. Cost reports must be filed annually; however, there are no cost settlement provisions. Effective October 1, 2011, skilled nursing facility Medicare PPS rates are scheduled to be reduced by what CMS projects to be approximately 11.1%.

Nursing facilities licensed to participate in the Medicare and Medicaid programs are subject to annual licensure renewal. If it is determined that a nursing facility is not in substantial compliance with the requirements of participation, CMS may impose sanctions and penalties during the period of noncompliance. Such a payment ban or penalties would have a negative impact on the revenue of the nursing facility.

Occupancy Percentages

During the years ended June 30, 2011 and 2010, the occupancy percentages of the Center and the percentages of residents covered under the Medicaid and Medicare programs were as follows:

	2011	2010
Total Occupancy	89.6 %	93.3 %
Medicare	11.7 %	8.8 %
Medicaid	54.7 %	50.4 %

Deficit of Revenue Over Expenses

The statements of operations include Deficit of Revenue Over Expenses, which is considered the performance indicator.

Advertising

The Center expenses advertising costs as incurred. For the years ended June 30, 2011 and 2010 the Center had advertising expenses of approximately \$18,600 and \$17,300, respectively. Advertising costs are included with Administrative and Other Services on the statements of operations.

Retirement Plan

The Center sponsors a defined contribution retirement plan covering substantially all employees working in excess of an average of 20 hours per week. The Center matches fifty cents on the dollar of each participant's contribution up to a maximum of 3% of covered earnings. In addition, the Center may make discretionary contributions for the employees' benefit. Retirement plan expense was approximately \$67,400 and \$29,900 for the fiscal years ended June 30, 2011 and 2010, respectively.

Income Taxes

The Center is a nonprofit Corporation as described in Section 501(c)(3) of the Internal Revenue Code (IRC) and is exempt from federal and state income taxes on related income pursuant to Section 501(a) of the IRC.

The Center's income tax returns are subject to review and examination in the U.S. federal, state, and local authorities. The Center is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes or may jeopardize its tax-exempt status. The tax returns for the years 2008 to 2010 are open to examination by federal, local, and state authorities.

Real Estate Taxes

The real estate of the Center has been exempted from ad valorem property taxes by the State of Wisconsin and its political subdivisions.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Center emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Center has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on the Center's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Center did not have any financial instruments as of June 30, 2011 and 2010 that are measured at fair value.

The Center has also adopted the policy of valuing certain financial instruments at fair value. This accounting policy allows the Village the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Center has not elected to measure any existing financial instruments at fair value; however, the Center may elect to measure newly acquired financial instruments at fair value in the future.

Reclassifications

Certain reclassifications have been made to the 2010 financial statement presentation to conform to the current year presentation. These reclassifications do not affect the change in net assets as previously reported.

NOTE 4 BONDS PAYABLE

Bonds Payable consisted of the following as of June 30:

<u>Description</u>	<u>2011</u>	<u>2010</u>
Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2003 (Three Pillars Senior Living Communities), dated October 1, 2003. The bonds require annual principal payments through August 15, 2026; the bonds require semiannual interest payments at a rate ranging from 4.20% to 5.75%.	\$ 1,326,826	\$ 1,380,509
Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2009 (Three Pillars Senior Living Communities), dated December 1, 2009. The bonds require monthly principal and interest payments through December 1, 2039 at 2.975%, subject to a reset date on February 1, 2013.	6,038,748	1,089,602
Total Bonds Payable	7,365,574	2,470,111
Less: Original Issue Discount	2,463	2,626
Less: Current Maturities	164,334	125,683
Amount Due After One Year	<u>\$ 7,198,777</u>	<u>\$ 2,341,802</u>

In addition to the debt listed above, the Center is part of the Three Pillars Senior Living Communities Obligated Group (Obligated Group), which has total debt of \$25,554,230 and \$21,329,609 at June 30, 2011 and 2010, respectively. The Center's property, equipment, and revenues are all pledged as collateral on all of the Obligated Group's debt.

On October 1, 2003, Revenue Bonds, Series 2003 were issued to the Obligated Group in an aggregate principal amount of \$12,370,000 less an original issue discount of \$28,051. The portion of the debt and unamortized discount allocated to the Center was based on its portion of the proceeds. Proceeds from the sale of the bonds were used to redeem the outstanding 1996 bonds of the Center and develop a debt service reserve fund of approximately \$130,000.

The Center has granted to the trustee a first-mortgage lien on certain real estate, pledged revenue, and a security interest in certain equipment of the Center, subject in each case to permitted encumbrances as defined in the master indenture for the fixed rate revenue bonds. The trust indenture includes certain restrictive covenants including a debt service coverage ratio requirement.

NOTE 5 BONDS PAYABLE (CONTINUED)

On December 1, 2009, Wisconsin Health and Educational Facilities Authority issued the \$6,300,000 Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2009 to the Obligated Group to finance the construction of a 14 unit expansion to the Center. The Series 2009 bonds were purchased by Town Bank of Delafield, Wisconsin. Amounts are drawn down on this Revenue Bond as needed to pay construction costs.

Monthly principal and interest payments on the Series 2009 Bonds are required until December 1, 2039 when the debt matures. At June 30, 2011 and 2010, the interest rate is 2.975%; however, the bonds are subject to an interest reset date every five years, with an initial reset date of February 1, 2013. At that date, the rate will be reset based on the LIBOR index, with a floor of 2.975%. On February 1, 2013 and on each subsequent put date, the Center has the option of converting the debt to a fixed rate. The debt is secured by a mortgage on the property, and rents due from the property.

Trust funds created under the Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2003 and 2009 are held in the custody of the trustee for purposes provided in the indenture.

During the years ended June 30, 2011 and 2010, interest payments of \$34,946 and \$6,828 were capitalized and included in construction in progress.

Required payments of principal on long-term debt as of June 30, 2011 are summarized as follows:

<u>Years Ending June 30,</u>	<u>Amount</u>
2012	\$ 164,334
2013	176,985
2014	180,310
2015	192,287
2016	198,938
Thereafter	6,452,720
Total Bonds Payable	<u>\$ 7,365,574</u>

NOTE 5 MALPRACTICE INSURANCE

The Center's professional liability insurance for claim losses of less than \$1,000,000 per claim and \$2,000,000 per year covers professional liability claims incurred during a policy year regardless of when the claim was filed. The Center also has occurrence basis umbrella coverage of \$5,000,000 for each occurrence and for all occurrences in any policy year. The professional liability insurance policy is renewable annually and has been renewed by the insurance carrier for the annual period extending through June 30, 2012.

MASONIC CENTER FOR HEALTH AND REHAB, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 6 COMMITMENTS

The Center sponsors a self-funded health benefit plan covering substantially all employees working in excess of an *average* of 30 hours per week and their dependents. The Center's liability is limited through its arrangement with a commercial insurance carrier to indemnify it against losses in excess of prescribed specific and aggregate limits (stop-loss coverage). The health insurance expense is based upon actual claims paid, reinsurance premiums, administration fees, and provisions for unpaid and unasserted claims at year-end.

Health insurance expense for the fiscal years ended June 30, 2011 and 2010 was \$284,911 and \$421,354, respectively. A liability for estimated claims outstanding at June 30, 2011 and 2010 has been recorded. Management believes this liability is sufficient to cover estimated claims including claims incurred but not yet reported.

NOTE 7 RELATED PARTY TRANSACTIONS

The Home and the Village share various administrative and general services with the Center for which intercompany payments are recorded.

The Center had a payable to the Home of \$3,123,944 and \$1,816,367 as of June 30, 2011 and 2010, respectively.

The Center leases, under terms of a 99-year lease, a parcel of land from Grand Lodge. The annual rental rate of the lease is \$1 and the lease term expires in 2095, so long as the leased premises shall not be used for purposes other than for residential and health care needs for the aged. The terms of the lease provide that any buildings, structures, or other improvements shall belong to the Grand Lodge at the termination of the lease.

Other property costs represent expenditures by the Center since its inception. The transferred assets and the purchased assets are included in the financial statements as owned assets based on the responsibility of the Center to operate and maintain the facilities since the length of the lease term exceeds the useful life of the assets.

Three Pillars Senior Living Communities has agreed to pay an annual fee beginning in February 2010 to the Grand Lodge as a result of their consent to certain amendments to the mortgage agreements. During the years ended June 30, 2011 and 2010, Three Pillars Senior Living Communities paid \$25,000 and \$65,000, respectively, related to this agreement. The payment is scheduled to be \$25,000, \$65,000, \$85,000 on February 1, 2012 through 2014, respectively, and \$120,000 February 1 until any and all outstanding amounts due and owing arising under and pursuant to the 2003 Master Trust Indenture entered into by Three Pillars Senior Living Communities, or any refinancing thereof, are satisfied and paid in full.

JUNE 30, 2011 AND 2010

NOTE 8 TEMPORARILY RESTRICTED NET ASSETS

As of June 30, 2011 and 2010, the Center had a temporarily restricted net assets balance of \$123,232 and \$193,712, respectively. These assets are restricted by the donors to be used for the expansion of the Center described in Note 4. As of June 30, 2011, the donor restriction has been fulfilled, but a time restriction remains relative to the outstanding pledges. Temporarily restricted net assets released from restriction for purchase of property and equipment were \$259,164 and \$-0- in 2011 and 2010, respectively.

NOTE 9 FAIR VALUE OF FINANCIAL INSTRUMENTS

The Center uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Corporation measures fair value refer to Note 1 – Nature of Operations and Summary of Significant Accounting Policies.

The following table represents financial instruments to which the ending balances at June 30, 2011 and 2010 are not carried at fair value in their entirety on the balance sheet:

	Cost	Fair Value
Bonds Payable at June 30, 2011	\$ 7,365,574	\$ 7,373,452
Bonds Payable at June 30, 2010	2,470,111	2,644,810

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate fair value:

Bonds Payable – Bonds payable consists of revenue bonds of which fair value is based on current trade value.

All Other –The carrying amount approximates fair value because of the short maturity of these instruments.

Village on the Square, Inc.
Dousman, Wisconsin

We have audited the accompanying balance sheets of Village on the Square, Inc. as of June 30, 2011 and 2010, and the related statements of operations, changes in net deficit, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Village on the Square, Inc. as of June 30, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Village on the Square, Inc. (the Village) is a nonprofit corporation which provides housing and security to persons aged 55 and older. The Village, located in Dousman, Wisconsin, consists of 118-unit independent living facility.

The Village is affiliated with Wisconsin Masonic Home, Inc. (the Home), its sole member, Masonic Center for Health and Rehab, Inc. (the Center), Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge), and the Wisconsin Masonic Benevolent Activities Board.

The Home provides housing and related services to senior residents through the following facilities:

- Compass Point, a 75-unit catered senior living independent apartment facility located in Dousman, Wisconsin.
- Riverside Lodge, a 20-bed memory care facility located in Dousman, Wisconsin.
- MasonWoods, a 36-unit independent living facility located in Cecil, Wisconsin.

The Center is an 84-bed skilled nursing and rehabilitation facility located in Dousman, Wisconsin. The Village is designed as the "entry level" of a continuum of care operated in conjunction with the Home and the Center, collectively known as Three Pillars Senior Living Communities.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Net assets of the Village and changes therein are classified and reported as follows:

Unrestricted – Those resources over which the board of directors has discretionary control. Designated amounts represent those revenues that the board has set aside for a particular purpose.

Temporarily Restricted – Those resources subject to donor imposed restrictions which will be satisfied by actions of the Village or the passage of time.

Permanently Restricted – Those resources subject to a donor imposed restriction that they be maintained permanently by the Village. The donors of these resources permit the Village to use all or part of the income earned, including capital appreciation, or related investments for unrestricted or temporarily restricted purposes.

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Basis of Presentation (Continued)

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is satisfied, net assets are released and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same reporting period as received are recorded as unrestricted contributions.

At June 30, 2011 and 2010, the Village did not have any temporarily or permanently restricted net assets.

Cash and Cash Equivalents

The Village considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents, excluding amounts limited as to use.

The Village may at times have funds on deposit at one financial institution that exceeds the federally insured limits.

Investments and Investment Income

Investments consisting of marketable equity securities with readily determinable fair values and all investments in debt securities are measured at fair value on the balance sheets. Fair value represents the quoted market values of the underlying investments on the last business day of the fiscal year, including current investment income and expenses. All of the Village's investments are classified as available for sale.

Investment income (including realized gains and losses, interest, and dividends) is reported as operating revenue and is included in the deficiency of revenue over expenses unless the income is restricted by donor or law. Unrealized gains and losses on investments are excluded from the deficiency of revenue over expenses. Realized gain or losses are determined by specific identification.

Assets Limited as to Use

Assets limited as to use include assets set aside under terms of bond indentures. Assets limited as to use that are required for obligations classified as current liabilities are reported as current assets.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Resident Accounts Receivable, Net

The Village provides an allowance for uncollectible accounts using the reserve method, which is based on management's judgment considering historical information. Accounts receivable are unsecured. Any amounts not paid in accordance with the terms of the admission agreement are considered past due. When all collection efforts have been exhausted, the accounts are written off against the related allowance. The Village does not believe that an allowance for the years ended June 30, 2011 and 2010 is necessary.

Notes Receivable

Notes receivable consist of amounts advanced to residents in lieu of residency fees. These notes bears interest at rates of 3.25% through 3.75%, and are due within ten calendar days of the date of closing on residents' homes. Interest on the notes receivables is due on a monthly basis.

Compliance

The Village is affected by the health care economy in the State of Wisconsin and is subject to local, state, and federal rules and regulations. Compliance with these laws and regulations can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Violations of these regulations could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenue from residents' services. Management believes that the Village is in substantial compliance with current laws and regulations.

Unamortized Bond Issue Costs, Net

As of June 30, 2011 and 2010, unamortized bond issue costs of \$184,864 incurred in connection with the issuance of long-term debt are deferred and being amortized over the terms of the related financing using the effective interest method. Accumulated amortization was \$91,613 and \$80,687 as of June 30, 2011 and 2010, respectively. The amortization expense for 2011 and 2010 was \$10,926 and \$10,972, respectively.

Reservation Deposits

Reservation deposits consist of cash held in escrow for deposits and prepaid fees.

Credit Risk

Financial instruments, which potentially subject the Village to concentration of credit risk, consist of cash and cash equivalents, receivables, and investments. These financial instruments are carried at their approximate fair value. The Village's policy is to limit credit exposure on financial instruments and place its cash with financial institutions deemed as being credit worthy.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Credit Risk (Continued)

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements. Management assesses individual investment securities as to whether declines in market value are temporary or other than temporary. In assessing an issuer's financial condition, management evaluates various financial indicators. The length of time and extent to which the fair value of the investment is less than cost and the Village's ability and intent to retain the investment to allow for any anticipated recovery of the investment's fair value are key components as to whether management deems declines in fair value as temporary or other than temporary. If declines are determined to be other than temporary, the Village records a realized loss in investment income.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is computed using the straight line method over the following estimated useful lives:

Land Improvements	2 - 40 Years
Buildings and Building Improvements	5 - 40 Years
Furniture and Equipment	3 - 20 Years
Vehicles	4 - 12 Years

Deferred Revenue from Admission and Residency Fees

At June 30, 2011, advance entry fees ranged from \$44,000 and \$162,000 and monthly maintenance fees ranges from \$890 to \$1,965 on apartments and duplexes depending on the size of the unit occupied and the living agreement option selected by the resident. The agreement may be terminated by the resident or by the Village for just cause.

The Residence Agreement provides for a residency fee to be paid prior to occupancy. The deposit is 100% refundable within the first 30 days of occupancy. After 30 days of occupancy, the deposit is 90% refundable with certain restrictions and is repayable within 30-180 days after the resident vacates their unit. The 10% retained by the Village is being amortized using the remaining life expectancy of the resident.

Net Resident Service Revenue

Net resident service revenue is reported at the estimated net realizable amounts from residents, third-party payers, and others for services rendered including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and are adjusted in future periods as final settlements are determined. During the years ended June 30, 2011 and 2010, the occupancy percentage of the Village was 78.6% and 75.4%, respectively.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Deficit of Revenue Over Expenses

The statements of operations and Changes in Net Deficit include amounts labeled Deficit of Revenue Over Expenses, which is considered the performance indicator. Changes in unrestricted net deficit that are excluded from the performance indicator, consistent with industry practice, include unrealized gains and losses on investments and permanent transfers of assets to and from affiliates for other than goods and services.

Advertising

The Village expenses advertising costs as incurred. For the years ended June 30, 2011 and 2010, the Village had advertising expenses of approximately \$40,500 and \$42,500, respectively. Advertising costs are included with Administrative and Other Services on the statements of operations.

Retirement Plan

The Village sponsors a defined contribution retirement plan covering substantially all employees working in excess of an average of 20 hours per week. The Village matches fifty cents on the dollar of each participant's contribution up to a maximum of 3% of covered earnings. In addition, the Village may make discretionary contributions for the employees' benefit. Retirement plan expense was approximately \$7,100 and \$4,100 for fiscal 2011 and 2010, respectively.

Income Taxes

The Village is a nonprofit corporation as described in Section 501(c)(3) of the Internal Revenue Code (IRC) and is exempt from federal and state income taxes on related income pursuant to Section 501(a) of the IRC.

The Village's income tax returns are subject to review and examination in the U.S. federal, state, and local authorities. The Village is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes or may jeopardize its tax-exempt status. The tax returns for the years 2008 to 2010 are open to examination by federal, local, and state authorities.

Real Estate Taxes

The real estate of the Village has been exempted from ad valorem property taxes by the State of Wisconsin and its political subdivisions.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Village emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Fair Value of Financial Instruments (Continued)

The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Village has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on the Village's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The Village has also adopted the policy of valuing certain financial instruments at fair value. This accounting policy allows the Village the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Village has not elected to measure any existing financial instruments at fair value, however, the Village may elect to measure newly acquired financial instruments at fair value in the future.

Reclassifications

Certain reclassifications have been made to the 2010 financial statement presentation to conform to the current year presentation. These reclassifications do not affect the change in net assets as previously reported.

Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 25, 2011, the date the financial statements were available to be issued.

The Village's property, equipment, and revenues are all pledged as collateral on all of the Obligated Group's debt.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 4 BONDS PAYABLE (CONTINUED)

On October 1, 2003, Revenue Bonds, Series 2003 were issued to the Obligated Group in an aggregate principal amount of \$12,370,000 less an original issue discount of \$28,051. The portion of the debt and unamortized discount allocated to the Village was based on its portion of the proceeds. Proceeds from the sale of the bonds were used to redeem the outstanding 1996 bonds of the Village and develop a debt service reserve fund of approximately \$530,000.

On December 29, 2004, Revenue Bonds, Series 2004 were issued to the Obligated Group in an aggregate principal amount of \$12,625,000, less a discount of \$47,692, of which \$5,125,000 was fixed rate revenue bonds, (Series 2004A) and \$7,500,000 was adjustable rate put option revenue bonds (Series 2004B). The Village was allocated \$1,000,000 of the Series 2004B proceeds.

The Series 2004B variable bonds can be called on a weekly basis by the bondholder. The Village has a remarketing agreement with the underwriter that provides for a "best efforts" remarketing of the Series 2004B bonds. The Village anticipates that any bonds put back would be resold; however, there can be no guarantee that these bonds can or will be remarketed. The Series 2004B bonds are secured by a letter of credit in the amount of \$4,964,129, which expires in July 2013. If the letter of credit is drawn on to pay for the bonds that were not remarketed, the terms of the reimbursement agreement require repayment of the draws in quarterly payments over 12 months, but no payments are required in the same fiscal year as the draw on the LOC, with a maximum repayment period of 18 months after the draw. Accordingly, these obligations are not reported as current liabilities.

Trust funds created under the Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2004B, and 2003, are held in the custody of the trustee for purposes provided in the indenture.

The Village has granted to the trustee a first mortgage lien on certain real estate, pledged revenue, and a security interest in certain equipment of the Village, subject in each case to permitted encumbrances as defined in the master indenture for the fixed rate revenue bonds. The trust indenture includes certain restrictive covenants including a debt service coverage ratio requirement.

Management has assumed that the Series 2004B Bonds will be successfully remarketed until maturity. However, if the bonds were to not be successfully remarketed, the Series 2004B Bonds would be payable in fiscal year 2013.

NOTE 4 BONDS PAYABLE (CONTINUED)

The following schedule shows management's expected maturities due and the contractual principal payments for the bond payable for the next five years as follows:

<u>Year Ending June 30,</u>	<u>Expected Maturities</u>	<u>Contractual Maturities</u>
2012	\$ 259,043	\$ 259,043
2013	271,463	877,448
2014	277,676	252,343
2015	294,980	268,981
2016	307,406	280,073
Thereafter	4,794,983	4,267,663
Total Bonds Payable	<u>\$ 6,205,551</u>	<u>\$ 6,205,551</u>

NOTE 5 MALPRACTICE INSURANCE

The Village's professional liability insurance for claim losses of less than \$1,000,000 per claim and \$2,000,000 per year covers professional liability claims incurred during a policy year regardless of when the claim was filed. The Village also has occurrence basis umbrella coverage of \$5,000,000 for each occurrence and for all occurrences in any policy year. The professional liability insurance policy is renewable annually and has been renewed by the insurance carrier for the annual period extending through June 30, 2012.

NOTE 6 COMMITMENTS

The Village sponsors a self-funded health benefit plan covering substantially all employees working in excess of an average of 30 hours per week and their dependents. The Village's liability is limited through its arrangement with a commercial insurance carrier to indemnify it against losses in excess of prescribed specific and aggregate limits (stop-loss coverage). The health insurance expense is based upon actual claims paid, reinsurance premiums, administration fees, and provisions for unpaid and unasserted claims at year-end.

Health insurance expense for fiscal years ended June 30, 2011 and 2010 was approximately \$17,900 and \$26,000, respectively. A liability for estimated claims outstanding at June 30, 2011 and 2010 has been recorded. Management believes this liability is sufficient to cover estimated claims including claims incurred but not yet reported.

VILLAGE ON THE SQUARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011 AND 2010

NOTE 7 RELATED PARTY TRANSACTIONS

The Home and the Center share various administrative and general services with the Village for which intercompany payments are recorded.

The Village owed the Home \$5,329,176 and \$5,238,145 as of June 30, 2011 and 2010, respectively. These amounts are included in the accompanying balance sheets.

The Village leases, under terms of a 99 year lease, a parcel of land from Grand Lodge. The annual rental rate of the leases is \$1 and the lease term expires in 2095, so long as the leased premises shall not be used for purposes other than for residential and health care needs for the aged. The terms of the lease provide that any buildings, structures, or other improvements shall belong to the Grand Lodge at the termination of the lease.

Other property costs represent expenditures by the Village since its inception. The transferred assets and the purchased assets are included in the financial statements as owned assets based on the responsibility of the Village to operate and maintain the facilities since the length of the lease term exceeds the useful life of the assets.

The Home made an equity transfer to the Village in the amount of \$16,865 and \$20,630 for the years ended June 30, 2011 and 2010. These amounts have been recorded as transfers from affiliate.

Three Pillars Senior Living Communities has agreed to pay an annual fee beginning in February 2010 to the Grand Lodge as a result of their consent to certain amendments to the mortgage agreements. During the years ended June 30, 2011 and 2010, Three Pillars Senior Living Communities paid \$25,000 and \$65,000, respectively, related to this agreement. The payment is scheduled to be \$25,000, \$65,000, \$85,000 on February 1, 2012 through 2014, respectively, and \$120,000 February 1 until any and all outstanding amounts due and owing arising under and pursuant to the 2003 Master Trust Indenture entered into by Three Pillars Senior Living Communities, or any refinancing thereof, are satisfied and paid in full.

NOTE 8 FAIR VALUE OF FINANCIAL INSTRUMENTS

The Village uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Corporation measures fair value refer to Note 1 – Nature of Operations and Summary of Significant Accounting Policies.

Investments

The fair value of investment securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers. See Note 3 for additional information regarding the composition of investments and assets limited as to use.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Wisconsin Masonic Home, Inc. and Affiliates
dba: Three Pillars Senior Living Communities
Dousman, Wisconsin

We have audited the accompanying consolidated balance sheets of Wisconsin Masonic Home, Inc. and Affiliates dba: Three Pillars Senior Living Communities as of June 30, 2011 and 2010, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended. These consolidated financial statements are the responsibility of Three Pillars Senior Living Communities' management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of Wisconsin Masonic Foundation, of which Wisconsin Masonic Home, Inc. and Affiliates dba: Three Pillars Senior Living Communities includes an interest in net assets of \$14,430,682 and \$13,153,526 as of and for the years ended June 30, 2011 and 2010. That information was audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the interest in the net assets of Wisconsin Masonic Foundation, is based solely on the reports of the other auditors.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Masonic Home, Inc. and Affiliates dba: Three Pillars Senior Living Communities as of June 30, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The consolidated financial statements include the activities of the following organizations (collectively, the Corporations), which are nonprofit corporations that provide a variety of senior resident housing and related services and are collectively known as Three Pillars Senior Living Communities.

Wisconsin Masonic Home, Inc. (the Home) - provides housing and related services to senior residents. The Home operates:

- Compass Point, a 75-unit catered senior living independent apartment facility located in Dousman, Wisconsin.
- Riverside Lodge, a 20-bed memory care facility located in Dousman, Wisconsin.
- MasonWoods, a 36-unit independent living facility located in Cecil, Wisconsin.

The Home is affiliated with Grand Lodge Free and Accepted Masons of Wisconsin (the Grand Lodge) and the Wisconsin Masonic Benevolent Activities Board.

The Home is also the sole member of the following organizations:

- Masonic Center for Health and Rehab, Inc. (the Center) - operates an 84-bed skilled nursing and rehabilitation facility located in Dousman, Wisconsin.
- Village on the Square, Inc. (the Village) - operates a 118-unit independent living facility for persons aged 55 and older which is located in Dousman, Wisconsin. The Village is designed as the "entry level" of a continuum of care operated in conjunction with the Home and the Center, collectively known as Three Pillars Senior Living Communities.

Principles of Consolidation

The consolidated financial statements include the accounts of Three Pillars Senior Living Communities as described above. All significant intercompany accounts and transactions have been eliminated.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Net assets of the Corporations and changes therein are classified and reported as follows:

Unrestricted – Those resources over which the board of directors has discretionary control. Designated amounts represent those revenues that the board has set aside for a particular purpose.

Temporarily Restricted – Those resources subject to donor imposed restrictions which will be satisfied by actions of the Corporations or the passage of time.

Permanently Restricted – Those resources subject to a donor imposed restriction that they be maintained permanently by the Corporations. The donors of these resources permit the Corporations to use all or part of the income earned, including capital appreciation, or related investments for unrestricted or temporarily restricted purposes.

Unconditional promises to give cash and other assets are accrued at estimated fair market value at the date each promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is satisfied, net assets are released and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same reporting period as received are recorded as unrestricted contributions.

Cash and Cash Equivalents

The Corporations consider all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents, excluding amounts limited as to use.

The Corporations may at times have funds on deposit at one financial institution that exceeds the federally insured limits.

Resident Funds Held for Safekeeping

Resident funds held for safekeeping consist of amounts on deposit by the Center by residents. These amounts can be withdrawn at any time by the resident.

Investments and Investment Income

Investments consisting of marketable equity securities with readily determinable fair values and all investments in debt securities are measured at fair value on the consolidated balance sheets. Fair value represents the quoted market values of the underlying investments on the last business day of the fiscal year, including current investment income and expenses. All of the Corporations' investments are classified as available for sale.

Investments and Investment Income (Continued)

Investment income (including realized gains and losses, interest, and dividends) is reported as operating revenue and is included in the excess of revenue over expenses unless the income is restricted by donor or law. Unrealized gains and losses on investments are excluded from the excess of revenue over expenses. Realized gains or losses are determined by specific identification.

Assets Limited as to Use

Assets limited as to use include assets set aside under terms of bond indentures. Assets limited as to use that are required for obligations classified as current liabilities are reported as current assets.

Resident Accounts Receivable, Net

The Corporations provide an allowance for uncollectible accounts using the reserve method, which is based on management's judgment considering historical information. Accounts receivable are unsecured. Any amounts not paid in accordance with the terms of the admission agreement are considered past due. When all collection efforts have been exhausted, the accounts are written off against the related allowance. The Corporations recorded an allowance in the amount of \$312,020 and \$654,994 for the years ended June 30, 2011 and 2010, respectively.

Pledges Receivable, Net

Unconditional promises to give that are expected to be collected in future years are recorded at the net present value of estimated future cash flows, net of an allowance for uncollectible amounts, if deemed necessary. The discount on pledges is computed using a risk-free interest rate. Amortization of the discount is included in contribution revenue. Management expects the pledges to be collected as follows:

Amounts Due in:	2011	2010
Less Than One Year	\$ 43,715	\$ 22,263
One to Five Years	101,518	54,605
Less: Discount and Allowance	(25,000)	(25,000)

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Compliance

The Corporations are affected by the health care economy in the State of Wisconsin and are subject to local, state, and federal rules and regulations. Compliance with these laws and regulations, particularly those relating to the Medicare and Medicaid programs, can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Violations of these regulations could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenue from residents' services. Management believes that the Corporations are in substantial compliance with current laws and regulations.

Unamortized Bond Issue Costs, Net

As of June 30, 2011 and 2010, unamortized bond issue costs of \$748,289, which had been incurred in connection with the issuance of long-term debt, are deferred and are being amortized over the terms of the related financing using the effective interest method. Accumulated amortization was \$272,593 and \$231,028 as of June 30, 2011 and 2010, respectively. Total amortization expense for the years ended June 30, 2011 and 2010 was \$38,205 and \$33,979, respectively. Amortization of \$3,360 was capitalized during the year ended June 30, 2011 as part of construction in progress.

Credit Risk

Financial instruments, which potentially subject the Corporations to concentrations of credit risk, consist of cash and cash equivalents, receivables, and investments. These financial instruments are carried at their approximate fair value. The Corporations' policy is to limit credit exposure on financial instruments and place its cash with financial institutions deemed as being credit worthy.

Concentration of credit risk with respect to receivables is limited due to the large resident base and the expectation that government programs will make timely payments.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements. Management assesses individual investment securities as to whether declines in market value are temporary or other than temporary. In assessing an issuer's financial condition, management evaluates various financial indicators. The length of time and extent to which the fair value of the investment is less than cost and the Corporations' ability and intent to retain the investment to allow for any anticipated recovery of the investment's fair value are key components as to whether management deems declines in fair value as temporary or other than temporary. If declines are determined to be other than temporary, the Corporations record a realized loss in investment income.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is computed using the straight-line method over the following estimated useful lives:

Land Improvements	2 - 40 Years
Buildings and Building Improvements	5 - 40 Years
Furniture and Equipment	3 - 20 Years
Vehicles	4 - 12 Years

Estate and Trust Receivable

The Corporations have an interest in two split interest gifts. A split interest gift is one in which a donor makes an initial gift to a trust or directly to the Corporations in which the Corporations have a beneficial interest, but is not the sole beneficiary. The Corporations have received two different types of split interest gifts: perpetual trusts held by a third party, and charitable remainder trusts held by a third party. Accounting policies for each of these types are as follows:

A perpetual trust held by a third party is an arrangement in which a donor establishes and funds a perpetual trust administered by an individual or organization other than the Corporations. Under the terms of the trust, the Corporations have the irrevocable right to receive the income earned on the trust assets in perpetuity, but never receive the assets held in trust. Under this arrangement, the present value of the estimated future cash receipts from the trust assets (generally equal to the fair value of the assets contributed to the trust) is recorded as permanently restricted contribution revenue in the year the trust is established. Annual distributions are reported as contribution income and classified according to any restrictions on distributions. Adjustments to the amount reported as an asset are based on an annual review using the same basis that was used to measure the asset initially and are recorded in the consolidated statements of changes in net assets under the caption "change in value of perpetual trust." The perpetual trust is adjusted annually to its fair market value.

A charitable remainder trust is an arrangement in which a donor establishes and funds a trust with specified distributions made to a designated beneficiary or beneficiaries over the trust's term. Upon termination of the trust, the Corporation receives the assets remaining in the trust. The use of those assets may be restricted or unrestricted by the donor. Distributions to the beneficiaries may be for a specified dollar amount, an arrangement termed charitable remainder annuity trust (CRAT) or for a specified percentage of the trust's fair market value as determined annually, termed a charitable remainder unitrust (CRUT). Charitable remainder trusts are adjusted annually to fair market value.

Estate and Trust Receivable (Continued)

Under charitable remainder trusts where the Corporations are not the trustee, contribution revenue and a receivable, termed "Trust and Estates Receivable" on the consolidated balance sheets are recorded based on the present value of the estimated future benefits to be received when the trust assets are distributed. In subsequent periods, accretion of discounts, changes in assumptions and re-evaluations of the present value of estimated future benefits are recognized in the consolidated statements of changes in net assets under the caption "change in value of contributions receivable."

Notes Receivable

Notes receivable consist of amounts advanced to residents in lieu of residency fees. These notes bears interest at rates of 3.25% through 3.75%, and are due within ten calendar days of the date of closing on residents' homes. Interest on the notes receivables is due on a monthly basis.

Reservation Deposits

Reservation deposits consist of cash held in escrow for deposits and prepaid fees.

Deferred Revenue from Admission and Refundable Residency Fees

At June 30, 2011, advanced entry fees ranged from \$46,000 to \$102,000 and monthly maintenance fees ranged from \$425 to \$995 on MasonWoods apartments or duplexes, depending on the size of the unit occupied and the living agreement options selected by the resident. The agreement may be terminated by the resident or by the Home for just cause. The deposit is 100% refundable within 30-180 days after the resident vacates their unit.

At June 30, 2011, advanced entry fees ranged from \$44,000 to \$162,000 and monthly maintenance fees ranged from \$890 to \$1,965 on the Village apartments and duplexes depending on the size of the unit occupied and the living agreement option selected by the resident. The agreement may be terminated by the resident or by the Village for just cause.

The Residence Agreement at the Village provides for a residency fee to be paid prior to occupancy. The deposit is 100% refundable within the first 30 days of occupancy. After 30 days of occupancy, the deposit is 90% refundable with certain restrictions and is repayable 30-180 days after the resident vacates their unit. The 10% retained by the Village is being amortized using the estimated remaining life expectancy of the resident.

Net Resident Service Revenue

Net resident service revenue is reported at the estimated net realizable amounts from residents, third-party payers, and others for services rendered including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and are adjusted in future periods as final settlements are determined.

Third Party Reimbursement Agreements

Medicaid

A significant portion of the Center's skilled nursing services are provided to nursing home residents who are beneficiaries of the Medicaid program administered by the State of Wisconsin. The Center bills the program using rates established by the State of Wisconsin, based on nursing home cost reports submitted by the Center. Such rates are subject to audit and adjustment by the State of Wisconsin for the preceding three years. Any adjustments made to rates are recorded in operations in the year of adjustment.

Medicare

The Medicare program is administered by the United States Centers for Medicare and Medicaid Services (CMS). The Medicare program pays on a Prospective Payment System (PPS), which is a per diem price based system. Cost reports must be filed annually; however, there are no cost settlement provisions. Effective October 1, 2011, skilled nursing facility Medicare PPS rates are scheduled to be reduced by what CMS projects to be approximately 11.1%.

Nursing facilities licensed to participate in the Medicare and Medicaid programs are subject to annual licensure renewal. If it is determined that a nursing facility is not in substantial compliance with the requirements of participation, CMS may impose sanctions and penalties during the period of noncompliance. Such a payment ban or penalties would have a negative impact on the revenue of the nursing facility.

Occupancy Percentages

During the years ended June 30, 2011 and 2010, the occupancy percentages of the Center and the percentages of residents covered under the Medicaid and Medicare programs were as follows:

	2011	2010
Total Occupancy	89.6%	93.3%
Medicare	11.7%	8.8%
Medicaid	54.7%	50.4%

The following table shows the occupancy percentage for each housing facility during the years ended June 30, 2011 and 2010:

	2011	2010
Compass Point	92.5%	92.4%
Riverside Lodge	85.0%	78.5%

Deficit of Revenue Over Expenses

The consolidated statements of operations include Deficit of Revenue Over Expenses, which is considered the performance indicator. Changes in unrestricted net assets, which are excluded from the performance indicator, consistent with industry practice, include unrealized gains and losses on investments other than trading securities, permanent transfers of assets to and from affiliates for other than goods and services, and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Advertising

The Corporations' expense advertising costs as incurred. For the years ended June 30, 2011 and 2010, the Corporations had advertising expenses of approximately \$93,500 and \$95,200, respectively. Advertising costs are included with Administrative and Other Services on the consolidated statements of operations.

Retirement Plan

The Corporations sponsor a defined contribution retirement plan covering substantially all employees working in excess of an average of 20 hours per week. The Corporations match fifty cents on the dollar of each participant's contribution up to a maximum of 3% of covered earnings. In addition, the Corporations may make discretionary contributions for the employees' benefit. Retirement plan expense was approximately \$162,200 and \$79,400 for fiscal 2011 and 2010, respectively.

Income Taxes

The Corporations are nonprofit corporations as described in Section 501(c)(3) of the Internal Revenue Code (IRC) and are exempt from federal and state income taxes on related income pursuant to Section 501(a) of the IRC.

The Corporations' income tax returns are subject to review and examination in the U.S. federal, state, and local authorities. The Corporations are not aware of any activities that are subject to tax on unrelated business income, excise or other taxes or may jeopardize its tax-exempt status. The tax returns for the years 2008 to 2010 are open to examination by federal, local, and state authorities.

Real Estate Taxes

The majority of The Corporations' real estate has been exempted from ad valorem property taxes by the State of Wisconsin and its political subdivisions.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Corporations emphasize that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Corporations have the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on the Corporations' own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The Corporations have also adopted the policy of valuing certain financial instruments at fair value. This accounting policy allows the Corporations the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Corporations have not elected to measure any existing financial instruments at fair value; however, the Corporations may elect to measure newly acquired financial instruments at fair value in the future.

Reclassifications

Certain reclassifications have been made to the 2010 financial statement presentation to confirm to the current year presentation. These reclassifications do not affect the change in net assets as previously reported.

Subsequent Events

In preparing these consolidated financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 25, 2011, the date the consolidated financial statements were available to be issued.

NOTE 4 INTEREST IN NET ASSETS OF THE FOUNDATION

Wisconsin Masonic Foundation (the Foundation) is a nonprofit corporation. The Corporations are affiliated with the Foundation, which maintains an endowment fund for the Corporations. The Corporations do not maintain control of the assets of the endowment fund. The amount to be disbursed annually to the Corporations is computed as 5% of the average net assets of the endowment fund, based on a four-year rolling average, and is used for general operations. During the fiscal years ended June 30, 2011 and 2010, the Corporations received distributions from the Foundation of \$774,853 and \$812,814, respectively.

The Foundation's fiscal year-end is April 30. The Corporations have elected to reflect valuation of the interest in net assets as of the Foundation's fiscal year-end.

NOTE 5 BONDS PAYABLE (CONTINUED)

On December 29, 2004, Revenue Bonds, Series 2004 were issued to the Corporations in an aggregate principal amount of \$12,625,000 less a discount of \$47,692, of which \$5,125,000 was fixed rate revenue bonds (Series 2004A) and \$7,500,000 was adjustable rate put option revenue bond (Series 2004B).

The Series 2004B variable bonds can be called on a weekly basis by the bondholder. The Corporations have a remarketing agreement with the underwriter that provides for a "best efforts" remarketing of the Series 2004B bonds. The Corporations anticipate that any bonds put back would be resold; however, there can be no guarantee that these bonds can or will be remarketed. The Series 2004B bonds are secured by a letter of credit in the amount of \$4,964,129, which expires in July 2013. If the letter of credit is drawn on to pay for the bonds that were not remarketed, the terms of the reimbursement agreement require repayment of the draws in quarterly payments over 12 months, but no payments are required in the same fiscal year as the draw on the LOC, with a maximum repayment period of 18 months after the draw. According, these obligations are not reported as current liabilities.

On December 1, 2009, Wisconsin Health and Educational Facilities Authority issued the \$6,300,000 Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2009 to Three Pillars Senior Living Communities to finance the construction of a 14 unit expansion to the Center. The Series 2009 bonds were purchased by Town Bank of Delafield, Wisconsin. Amounts are drawn down on this Revenue Bond as needed to pay construction costs.

Monthly principal and interest payments on the Series 2009 Bonds are required until December 1, 2039 when the debt matures. At June 30, 2011, the interest rate is 2.975%; however, the bonds are subject to an interest reset date every five years, with an initial reset date of February 1, 2013. At that date, the rate will be reset based on the LIBOR index, with a floor of 2.975%. On February 1, 2013 and on each subsequent put date, the Corporations have the option of converting the debt to a fixed rate. The debt is secured by a mortgage on the property, and rents due from the property.

During the years ended June 30, 2011 and 2010, interest payments of \$34,946 and \$6,828 were capitalized and included in construction in progress.

Trust funds created under the Wisconsin Health and Educational Facilities Authority Revenue Bonds, Series 2009, Series 2004A, Series 2004B, and 2003, are held in the custody of the trustee for purposes provided in the indenture.

The Corporations have granted to the trustee a first-mortgage lien on certain real estate, pledged revenue, and a security interest in certain equipment of the Corporations, subject in each case to permitted encumbrances as defined in the master indenture for the fixed rate revenue bonds. The trust indenture includes certain restrictive covenants including a debt service coverage ratio requirement.

Interpretation of Relevant Law

The State of Wisconsin adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) during the fiscal year ended June 30, 2010. The Board of Directors of the Corporations interpreted the Act as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, the Corporations classify as permanently restricted net assets the original value of the gifts to the permanent endowment and the value of subsequent gifts to the permanent endowment. The remaining portion of donor-restricted endowment funds, if any that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Corporations. In accordance with UPMIFA, the Corporations consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Corporations and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Corporations
- (7) The investment policies of the Corporations.

Return Objectives and Risk Parameters

The Corporations have adopted an investment policy for the permanent endowment to invest the assets in US treasury securities, in accordance with donor requirements. Endowment assets include those assets of donor-restricted funds that the Corporations must hold in perpetuity.

Spending Policy

The Corporations have a policy, based upon the intent of the donor-restricted endowed assets, to spend all earnings from the endowment fund for current operations to provide support for the Home in the year the income is earned.

NOTE 8 MALPRACTICE INSURANCE

The Corporations' professional liability insurance for claim losses of less than \$1,000,000 per claim and \$2,000,000 per year covers professional liability claims incurred during a policy year regardless of when the claim was filed. The Corporations also have occurrence basis umbrella coverage of \$5,000,000 for each occurrence and for all occurrences in any policy year. The professional liability insurance policy is renewable annually and has been renewed by the insurance carrier for the annual period extending through June 30, 2012.

NOTE 9 COMMITMENTS

The Corporations sponsor a self-funded health benefit plan covering substantially all employees working in excess of an average of 30 hours per week and their dependents. The Corporations' liability is limited through its arrangement with a commercial insurance carrier to indemnify it against losses in excess of prescribed specific and aggregate limits (stop-loss coverage). The health insurance expense is based upon actual claims paid, reinsurance premiums, administration fees, and provisions for unpaid and unasserted claims at year-end.

Health insurance expense for the fiscal years ended June 30, 2011 and 2010 was approximately \$578,600 and \$768,500, respectively. A liability for estimated claims outstanding at June 30, 2011 and 2010 has been recorded. Management believes this liability is sufficient to cover estimated claims including claims incurred but not yet reported.

NOTE 10 RELATED PARTY TRANSACTIONS

A portion of the Grand Lodge membership (per capita tax) is designated for the Corporations' operations. This portion is determined annually by the Grand Lodge expenditure committee and approved by the general membership.

A receivable has been accrued from Wisconsin Masonic Home Endowment Fund for contributions relating to the fiscal years ended June 30, 2011 and 2010 in the amount of \$190,459 and \$196,968, respectively. These amounts are included in the accompanying consolidated balance sheets as accounts receivable - related parties.

The Corporations lease, under terms of four 99-year leases, four parcels of land from the Grand Lodge. The annual rental rate of the first three leases are \$1 and the lease terms expires in 2095, so long as the leased premises shall not be used for purposes other than for residential and health needs for the aged.

The fourth lease is for an initial term of 30 years. The Home has two options to extend the term for 30 years and 39 years, respectively. Rent of \$35,000 per year, subject to reduction back to \$23,000 per year if occupancy falls below 90% for Compass Point. The leased premises shall not be used for principal purposes other than for residential and health care needs for the aged.

The terms of the leases provide that any buildings, structures, or other improvements shall be leasehold improvements and shall belong to the Grand Lodge at the termination of the lease.

The Grand Lodge transferred assets with a cost of approximately \$1,500,000 to the Home in 1972. Other property costs represent expenditures by the lessees. The transferred assets and the purchased assets are included in the consolidated financial statements as owned assets based on the responsibility of the Home to operate and maintain the facility since the length of the lease term exceeds the useful life of the assets.

NOTE 10 RELATED PARTY TRANSACTIONS (CONTINUED)

The Corporations have agreed to pay an annual fee beginning in February 2010 to the Grand Lodge as a result of their consent to certain amendments to the mortgage agreements. During the years ended June 30, 2011 and 2010, the Corporations paid \$25,000 and \$65,000, respectively, related to this agreement. The payment is scheduled to be \$25,000, \$65,000, \$85,000 on February 1, 2012 through 2014, respectively, and \$120,000 February 1 until any and all outstanding amounts due and owing arising under and pursuant to the 2003 Master Trust Indenture entered into by Three Pillars Senior Living Communities, or any refinancing thereof, are satisfied and paid in full.

NOTE 11 FAIR VALUE OF FINANCIAL INSTRUMENTS

The Corporations use fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Corporations measure fair value refer to Note 1 – Nature of Operations and Summary of Significant Accounting Policies.

The fair value of investment securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers. See Note 3 for additional information regarding the composition of investments and assets limited as to use.

The following table represents financial instruments to which the ending balances at June 30, 2011 and 2010 are not carried at fair value in their entirety on the consolidated balance sheets:

	<u>Cost</u>	<u>Fair Value</u>
Bonds Payable at June 30, 2011	\$ 25,603,748	\$ 25,297,371
Bonds Payable at June 30, 2010	21,329,609	22,459,701

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate fair value:

Bonds Payable – Bonds payable consists of revenue bonds of which fair value is based on current trade value.

All Other – The carrying amount approximates fair value because of the short maturity of these instruments.
